Stories Of Morality Tales Of Greedy Fellows:

Stories of Morality Inc Distribooks,1999-01-01 **American Gold Digger** Brian Donovan,2020-10-05 The stereotype of the gold digger has had a fascinating trajectory in twentieth century America from tales of greedy flapper era chorus girls to tabloid coverage of Anna Nicole Smith and her octogenarian tycoon husband The term entered American vernacular in the 1910s as women began to assert greater power over courtship marriage and finances threatening men s control of legal and economic structures Over the course of the century the gold digger stereotype reappeared as women pressed for further control over love sex and money while laws failed to keep pace with such realignments The gold digger can be seen in silent films vaudeville jokes hip hop lyrics and reality television Whether feared admired or desired the figure of the gold digger appears almost everywhere gender sexuality class and race collide This fascinating interdisciplinary work reveals the assumptions and disputes around women s sexual agency in American life shedding new light on the cultural and legal forces underpinning romantic sexual and marital relationships **Subject Guide to Books in Print** ,1971 [Moral Tales: A Selection](#) Maria Edgeworth,Amelia Opie,Hannah More,2021-02-12 In their moral tales writers such as Hannah More Amelia Opie and Maria Edgeworth embraced explicitly didactic aims seeking to instill normative moral behavior in their readers while entertaining them with vivid emotional storytelling In More s Tawney Rachel for example a servant girl suffers severe consequences for succumbing to superstition in Opie s The Black Velvet Pelisse a young woman is rewarded for a charitable act with a desirable marriage and in Edgeworth s The Dun a wealthy man s selfishness destroys a poor family before he finally sees the error of his ways This edition offers a selection of five short fictions by More Opie and Edgeworth the best known writers of the moral tale prefaced by a critical introduction to the genre and its place in the complex and fascinating debates surrounding the writing and reading of fiction in the Romantic period The volume concludes with a variety of background materials that help situate the moral tale in its late eighteenth and early nineteenth century literary contexts including moral tales for children theories of education and contemporary reviews **Write Well Book of Essays, Letters and Stories** Dev Raj Aggarwal, Essays meant for students of English language lucid and simple Good narrative style which follows the art of Essay writing Richly fused with Essays Letters and guided writing material Format of Letters as per the interactive method **Folklore: An Encyclopedia of Beliefs, Customs, Tales, Music, and Art**, Charlie T. McCormick Ph.D.,Kim Kennedy White,2010-12-13 Written by an international team of acclaimed folklorists this reference text provides a cross cultural survey of the major types and methods of inquiry in folklore Did you know that the tale of Cinderella is over 1 000 years old and similar versions of this singular story exist in hundreds of cultures around the globe Have you heard of deathlore a subgenre of folklore involving tombstones coffins cemeteries and roadside memorial shrines Did you realize that UFO sightings and cyber cultures constitute modern folklore The broad field of folklore studies developed over the past two centuries provides significant insights into many aspects of human culture While the term folklore conjures images of ancient

practices and beliefs or folk heroes and traditional stories it also applies to today's ever changing cultural landscape Even certain aspects of modern Internet based popular culture and contemporary rites of passage represent folklore This encyclopedia covers all the major genres of both ancient and contemporary folklore This second edition adds more than 100 entries that examine the folklore practices of major ethnic groups folk heroes creatures of myth and legend and emerging areas of interest in folklore studies **Monkey Tales Around the World** Terry L. Norton, 2024-12-03 Here are 63 traditional stories from world folklore about our nearest relatives monkeys and apes As with many tales about other animals those about monkeys and apes sometimes reflect what we as humans admire about ourselves However the stories more frequently embody features that we dislike Whether they depict monkeys and apes as annoying or clever pranksters imitative nuisances and troublemakers loyal and wise friends or heroic and noble characters who sacrifice themselves for others the selections in this anthology about our closest primate kin can tell us much about ourselves and what it means to be human

Cities and Identities Daniel A. Bell, Avner de Shalit, 2025-05-09 This book illustrates how cities possess unique normative identities referred to as ethoses and how the residents shape and perceive them The question of identity and which social relations constitute it has been a central topic in philosophy and social science for centuries While the state played a key role in shaping identity during the 20th century its influence has waned in recent years due to market pressures international agreements migration and institutions like the IMF which limit state autonomy hence its ability to design policies that sustain and enhance particular national identities This collection argues that cities are emerging as new sources of identity possessing their own ethoses distinctive normative characters The contributors explore this idea through six cities London Qingdao Tokyo Mumbai Istanbul and Amsterdam Their analysis draws on extensive document research personal experiences urban exploration and interviews with residents from diverse social ethnic and gender backgrounds This book was originally published as a special issue of Critical Review of International Social and Political Philosophy

Pappy Kitchens and the Saga of Red Eye the Rooster William

Dunlap, 2019-07-29 O W Pappy Kitchens 1901 1986 was born in Crystal Springs Mississippi and began painting at age sixty seven His self taught narrative visual art springs directly from the oral tradition of parable and storytelling with which he grew up A self declared folk artist Kitchens claimed I paint about folks what folks see and what folks do His magnum opus The Saga of Red Eye the Rooster was painted between 1973 and 1976 and presents a homespun Pilgrim s Progress in the form of a beast fable Kitchens s most ambitious allegorical work this fable consists of sixty panels each one measuring fifteen inches square composed of mixed materials on paper and executed in three groups of twenty Kitchens follows Red Eye from foundling to funeral exploring the life of this extraordinary bird Red Eye s quasi human behavior inevitably maneuvers him into conflicts with antagonists of all sorts He encounters violence avarice lust greed and most of the other seven deadly sins dispatching them in heroic fashion until he finally succumbs to his own fatal flaw In addition to The Saga of Red Eye the

Rooster the volume features personal photos of Kitchens as well as additional works by the artist Written by distinguished artist and Kitchens's once son in law William Dunlap with an introduction by renowned curator Jane Livingston Pappy Kitchens and the Saga of Red Eye the Rooster brings much needed exposure to the life and work of a key Mississippi figure

The Muslim Conquest of Iberia Nicola Clarke, 2012-07-26 Medieval Islamic society set great store by the transmission of history to edify argue legal points explain present conditions offer political and religious legitimacy and entertain Modern scholars too have had much to say about the usefulness of early Islamic history writing although this debate has traditionally focused overwhelmingly on the central Islamic lands This book looks instead at local and regional history writing in Medieval Iberia Drawing on numerous Arabic texts historical geographical and biographical composed and transmitted in al Andalus North Africa and the Islamic east between the ninth and fourteenth centuries Nicola Clarke offers a nuanced and detailed analysis of narratives about the eighth century Muslim conquest of Iberia Comparing how individual episodes characters and themes are treated in different texts and how this treatment relates to intellectual debates literary trends and socio political conditions at the time of writing she shows how competing priorities shaped myriad variations on a single story and how the scholars and patrons of a corner of the Islamic world distant from Baghdad viewed their own history Offering a framework in which historians of Christian Iberia and of Christian Europe more generally can approach and make sense of culturally significant texts from Muslim Iberia this book will also be relevant to broader debates about the historiography of early Islam As such it will be of great interest to scholars of historiography world history and Islamic studies **A Moral Tale** Anne

Scott MacLeod, 1975 This book examines the fiction written for children in the United States between 1820 and 1860 and shows how it reflected the culture and mood of that era The highly didactic antebellum stories discussed here reveal many of the social and personal values accepted at that time Jacksonian Americans were nationalistic and optimistic proud of their country yet uneasy about its future Their outlook was democratic yet they doubted that the masses would prove equal to the moral responsibilities of their citizenship The embraced the opportunities offered by the expanding economy but were repelled by the competitive spirit that came with it and the possible loss of traditional values All this is reflected in the juvenile fiction of the period

African Literature in French Dorothy S. Blair, 1976-11-18 This 1976 book provides both a historical survey and a critical analysis of the literature in French from West and Equatorial Africa Professor Blair begins by discussing the social educational and political influences which led to the formation of the Negritude movement and to a flowering of French African creative writing This historical approach is then complemented by a study of the different literary genres She traces the evolution of the first manifestations of literary activity in French by African writers the written folk tale fable and short story from the oral tradition of the indigenous culture and the eventual appearance of the novel with a legendary or historical theme The origins of French African drama are considered for the first time and the work of the minor poets analysed Finally Professor Blair attempts a definition of the French African novel and studies examples from
