History in 30 Percy Bennington,2017-12-17 Francesco Forgione might be a name lost to history but over the course of his life he became one of Catholicism s most well known figures during the 20th century as Padre Pio It was a remarkable path for a man who was legendarily afflicted by a series of illnesses and most famously bore the stigmata very noticeably bearing what appeared to be the crucifixion wounds Jesus s hands suffered Padre Pio was also known for his eccentricities including unique forms of deep meditation and experiencing visions In the secular world in which we live it is rare that one finds someone so integrally characterized by holiness Such a man lived just a century removed from our present age in a small Italian town hidden among mountains and by the walls of a friary But he became a giant not by the power he wielded the money he earned or spent the goods that he owned or the notoriety of his name St Padre Pio became a giant by his humility and his faith He lived in a century plagued by political arrogance violence and consumerism but he lived a quiet and humble life in peace and in poverty The story of Padre Pio is one that should not only encompass his earthly life but also his life as a saint for it is by his holiness that he became a recognized saint of the Catholic Church and it is by his sainthood that he has interceded for so many During his life Padre Pio prayed worked studied suffered and ministered not for his own personal gain but he did all these things because of a deep and immovable love of God and because of an insatiable desire to lead souls to Christ and to salvation As a saint he does the same by his prayers and intercessions St Padre Pio a man of great faith lived the humble life of a Capuchin monk for his devotion to Jesus and Mary the stigmata he bore the miracles attributed to him and the great love he had for all children of God he is recognized as a saint by the Roman Catholic Church and as a beloved intercessor for millions of faithful Catholics Not surprisingly despite all the spiritual work Padre Pio did he was the subject of substantial controversy during his own life And though he has been venerated as Saint Pio of Pietrelcina by the Catholic Church critics have all but called him a fraud History in 30 The Life of St Padre Pio provides a quick but comprehensive look at the life of one of the 20th century s most famous Catholics Tales of

Padre Pio John McCaffery,1995-03-01 Inspiring stories of Padre Pio s miracles clairvoyance and bi location Capuchin monk and spiritual leader Padre Pio 1887 1968 is known and venerated throughout the world Drawn by his stigmata bodily wounds similar to those of the crucified Christ and by his extraordinary powers of spiritual and physical healing literally millions of people have made their way to his little monastery in Italy from every corner of the globe Tales of Padre Pio is a collection of first hand accounts of various meetings with this humble and holy friar Driven by curiosity and a bit of skepticism the author first sought out Padre Pio some forty years ago and soon became a fervent disciple Convinced of the man s saintliness he remained a close confidant until Pio s death As fascinating and inspiring as these stories are they represent just a small portion of the countless miracles attributed to Pio The full extent of his authentic miracles will however never be known the author reminds us But the example and spiritual splendor of his life McCaffery continues is there for all to see And that life his attributes and those works which we know constitute a tremendous rebuttal of all the blind and stupidly presumptuous godlessness of our present age This book is a most distinguished addition to the Image line and will be warmly welcomed for the spiritual riches it contains In addition students of ESP and mystical phenomena will find Tales of Padre Pio especially provocative stimulating and truly captivating

Way of the Cross Claire Jordan Mohan,2003-08-01 This book written especially for young readers is a biographical sketch of Padre Pio one of the most famous religious figures of the twentieth century Born Francesco Forgione on May 25 1887 at Pietrelcina in southeastern Italy he joined the Capuchin Order in 1903 and was ordained a Roman Catholic priest in 1910 On September 20 1918 he received the sacred wounds of Christ which medical science could not explain and which he bore for the rest of his life Although he did not leave his monastery and was under obedience not to write or preach this humble monk was renowned for his piety his wise counsel and his miracles Padre Pio died in 1968 and was canonized by Pope John Paul II on June 16 2002

Padre Pio and America Frank M. Rega,2005-12 The fascinating life story of Padre Pio with emphasis on his life as a seminarian young priest and his early years at San Giovanni Rotondo From this small remote mountain friary he became world famous and exercised unbelievable influence on the entire world though he was soon forbidden by his superiors to preach to correspond or to write Covers his early work with Mary Pyle and with the American GIs who came to visit him during WWII when his part of Italy was liberated Padre Pio developed a special love for America and Americans to the point that he wished that all Americans would become his spiritual children This book demonstrates his amazing sense of humor his prayer and fasting his uncanny knowledge of people even before they visited and his profound supernatural awareness In sum Padre Pio and America will instill a profound awe in readers over the impact a truly saintly priest can have on all who come into contact with him
