Civil War Day by Day E.B. Long,2012-06-06 In all the vast collection of books on the American Civil War there is no book like this one says Bruce Catton Never before has such a stunning body of facts dealing with the war been gathered together in one place and presented in a coherent useful day by day narrative And never before have statistics revealed human suffering of such heroic and tragic magnitude The text begins in November 1860 and ends with the conclusion of hostilities in May 1865 and the start of reconstruction It is designed to furnish the reader not only with information but to tell a story Here in addition to the

momentous events that are a familiar part of our history the daily entries recount innumerable lesser military actions as well as some of the other activities and thoughts of men great and unknown engaged in America's most costly war May 5 1864 a private in the Army of Northern Virginia writes at the beginning of the Battle of the Wilderness It is a beautiful spring day on which all this bloody work is being done May 6 1864 Gen Lee rides among his men and is shouted to the rear by his protective troops April 30 1864 Joe David five year old son of the Confederate President dies after a fall from the high veranda of the White House in Richmond April 14 1865 President Lincoln's busy day includes a Cabinet meeting where he tells of his recurring dream of a ship moving with great rapidity toward a dark and indefinite shore that night Mr Lincoln attends a performance of a trifling comedy at Ford's Theatre Our American Cousin

Grant and Sherman Charles Bracelen Flood, 2005-10-01 This dual Civil War biography presents a powerful and illuminating study of a military collaboration that won the war for the Union Josiah Bunting III Washington Post We were as brothers William Tecumseh Sherman said describing his relationship to Ulysses S Grant They were incontestably two of the most important figures in the Civil War but until now there has been no book about their victorious partnership and the deep friendship that made it possible They were prewar failures Grant was forced to resign from the Regular Army because of his drinking and Sherman had moved from one job to the next in the years before the conflict But heeding the call to save the Union each struggled past political hurdles to join the war effort And after taking each other's measure at the Battle of Shiloh they began their unique collaboration Often together under fire on the war's great battlefields they also supported each other in the face of mudslinging criticism by the press and politicians Sharing the demands of family life and the heartache of loss they built a mutual admiration and trust which President Lincoln increasingly relied upon Though their headquarters were hundreds of miles apart they communicated almost daily strategizing the final moves of the war and planning how to win the peace that would follow
