Chiat,1997-10-07 From the Moorish synagogue in small Texas town to the New England meetinghouse nestled in the palm trees of Hawaii this comprehensive historical survey of America s religious architecture celebrates the country s ethnic and spiritual diversity through the magnificent breadth of these community landmarks The first comprehensive architectural and cultural history of its kind the book features 500 places of worship nationwide many listed on the National Register of Historic Places Includes over 300 black and white photographs and foreword by Bill Moyers creator of the PBS Genesis series

The Architecture of Bergen County, New Jersey T. Robins Brown,Schuyler Warmflash,2000 The Architecture of Bergen County New Jersey presents an accessible overview of the county s architectural heritage and its historic structures The volume explores the styles trends and events that influenced the design and setting of the region s buildings More than 150 photos document Bergen County s architectural treasures generating awareness and appreciation for these structures and their history The Architecture of Bergen County New Jersey demonstrates the close association between architectural development at the national and local levels and shows how social technological and political changes occurring within the county have been reflected in the building types and styles of the area

Vernacular Architecture Newsletter ,1995

[Architecture in the United States, 1800-1850](#) William Barksdale Maynard,2002-01-01 This study traces the development of American architecture from the age of Jefferson to the antebellum era providing a survey of this important period W Barksdale Maynard overturns the long accepted notions that the chief theme of early 19th century American architecture was a patriotic desire to escape from European influence and that competing styles chiefly reflected the American struggle for cultural uniqueness Instead deep and consistent aesthetic ties especially with England shaped American architecture and house designs Maynard shows that the Greek Revival in particular was an international phenomenon with American achievements inspired by British example and with taste taking precedence over patriotism

American Architects and Texts Juan Pablo Bonta,1996 In this volume the author analyzes 400 architectural books and articles published over the past 150 years to reveal changing societal

preferences in architecture and to measure the reputations of individual architects the text includes a ranked list of the 100 most famous architects

These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
