, *The Sound of Musicals* Steven Cohan, 2019-07-25 Despite having had its obituary written many times the movie musical remains a flourishing twenty first century form and as this volume demonstrates one that exists far beyond the confines of Broadway and Hollywood *The Sound of Musicals* examines the films stars issues and traditions of the genre from the 1930s to the present day Featuring sixteen original essays by leading international scholars this illuminating collection addresses the complex history and global variety of the movie musical and considers the delight and passionate engagement that musicals continue to inspire in audiences around the world The contributors address key issues for understanding the movie musical questions of genre and generic traditions questions of history bringing fresh perspectives to a consideration of Classical Hollywood musicals and the musical beyond Hollywood looking at alternatives to the Hollywood model from the New Hollywood and American independent cinema to Bollywood and other national musical traditions Individual chapters consider key musical stars such as Frank Sinatra Julie Andrews and Barbra Streisand film makers including Robert Altman and Christophe Honor and classic musicals such as *South Pacific* 1958 and *Hairspray* 1988 In his introduction to the volume Steven Cohan addresses the significance and enduring appeal of this multi faceted genre and considers its recent renaissance with movies such as the *High School Musical* franchise and the success of the television series *Glee* **The**

Regional Travel Guide for the Southwest (United States) , *The Roots of Urban Renaissance* Brian D. Goldstein, 2023-03-14 An acclaimed history of Harlem s journey from urban crisis to urban renaissance With its gleaming shopping centers and refurbished row houses today s Harlem bears little resemblance to the neighborhood of the midcentury urban crisis Brian Goldstein traces Harlem s Second Renaissance to a surprising source the radical social movements of the 1960s that resisted city officials and fought to give Harlemites control of their own destiny Young Harlem activists inspired by the civil rights movement envisioned a Harlem built by and for its low income predominantly African American population In the succeeding decades however the community based organizations they founded came to pursue a very different goal a neighborhood with national retailers and increasingly affluent residents *The Roots of Urban Renaissance* demonstrates that gentrification was not imposed on an unwitting community by unscrupulous developers or opportunistic outsiders Rather it grew from the neighborhood s grassroots producing a legacy that benefited some longtime residents and threatened others

Designing Modern America Christopher Innes, 2008-10-01 From the 1920s through the 1950s two individuals Joseph Urban and Norman Bel Geddes did more by far to create the image of America and make it synonymous with modernity than any of their contemporaries Urban and Bel Geddes were leading Broadway stage designers and directors who turned their prodigious talents to other projects becoming mavericks first in industrial design and then in commercial design fashion architecture and more The two men gave shape to the most quintessential symbols of the modern American lifestyle including movies cars department stores and nightclubs along with private homes kitchens stoves fridges magazines and

numerous household furnishings Illustrated with more than 130 photographs of their influential designs this book tells the engrossing story of Urban and Bel Geddes Christopher Innes shows how these two men with a background in theater lent dramatic flair to everything they designed and how this theatricality gave the distinctive modernity they created such wide appeal If the American lifestyle has been much imitated across the globe over the past fifty years says Innes it is due in large measure to the designs of Urban and Bel Geddes Together they were responsible for creating what has been called the Golden Age of American culture **Yachting** ,1995-11 **Fodor's 25 Best New York [With Laminated Pullout Map]**
