П. , Ясінецька О. А.,

Writing in Nonstandard English Irma Taavitsainen, Gunnel Melchers, Päivi Pahta, 2000-02-15 This book investigates linguistic variation as a complex continuum of language use from standard to nonstandard In our view these notions can only be established through mutual definition and they cannot exist without the opposite pole What is considered standard English changes according to the approach at hand and the nonstandard changes accordingly This book offers an interdisciplinary and multifaceted approach to this central theme of wide interest The articles approach writing in nonstandard language through various disciplines and methodologies sociolinguistics pragmatics historical linguistics dialectology corpus linguistics and ideological and political points of view The theories and methods from these fields are applied to material that ranges from nonliterary writing to canonized authors Dialects regional varieties and worldwide Englishes are also addressed **English Stylistics** Zeki Hamawand, 2023-03-26 This accessible textbook hinges on the

central assumptions of Cognitive Linguistics and Cognitive Grammar introducing students to the analytical tools they need to approach Stylistics an essential area in language analysis The author verifies the claim that alterations in style triggered by different cognitive processes reflect alterations in meaning and shows how they are employed to achieve particular effects in context The book links theory with practice aiming both to acquaint students with the cognitive principles that account for stylistic expressions and to provide them with the tools and techniques to conduct their own analyses The textbook explores and explains how writers use the resources of language to create meaning and how readers interpret texts It will be of interest to advanced undergraduate and postgraduate students on courses in English Linguistics as well as those working on other languages and in related areas such as Composition and Creative Writing Stylistics Jonathan Hope, Laura Wright, 2002-09-11 Using a wide range of twentieth century literary prose Laura Wright and Jonathan Hope provide an interactive introduction to the techniques of stylistic analysis Divided up into five sections the noun phrase the verb phrase
