The Submariner's Dictionary Or Submariner's Compendium of Terms & Tar's Handbook of Naval Verbiage and Retired Guy's Re-familiarization Manual Ron Martini, 2005 Submariners are a tight knit group of men bound together by training and experience and with a language all their own That language is perhaps a little vulgar but never intentionally demeaning and a little irreverent but still worldly This work is an attempt to preserve and explain some of these curious guys who so proudly wear a shiny metal pin that looks like a strange pair of fish on their left breast This process of accumulating this new language begins in Boot Camp and is added to with every change of duty station the sailor undergoes It is heard aboard the boats and unknowingly by family members who can't understand terms like head deck and overhead and who think SOS is a distress signal

An Indonesian-English Dictionary John M. Echols, Hassan Shadily, John U. Wolff, 1989 This dictionary is meant primarily as a tool for English speakers who need to know Indonesian and who deal with Indonesian writings The aim has thus been to give comprehensive coverage to forms a foreigner might run across in Indonesian readings from this era or from the past but excluding classical Malay literature Much of the Indonesian written production written and otherwise contains slangy colloquial and regional forms and we have not excluded such forms On the other hand we have confined the listing of dialectal forms only to those likely to be widely known The dictionary should also be useful to Indonesians who wish to learn English equivalents of Indonesian words but it has not been developed primarily for that purpose because many English words can only be defined by a sequence of Indonesian words from Introduction
