Sub Prefect Should Have Held His Tongue And Other Essays:

The Sub-prefect Should Have Held His Tongue, and Other Essays Hubert Butler, 1990 Protestant Nationalists in Ireland, 1900–1923 Conor Morrissey, 2019-10-10 An innovative and original analysis of Protestant advanced nationalists from the early twentieth century to the end of the Irish Civil War *The Northern Ireland Conflict on the Margins of History* Kenneth Funston, Cillian McGrattan, 2025-05-01 Assessing the impact of paramilitary violence on border Protestants in Northern Ireland remains a critically overlooked part of the region's history Remembered through a framework of memory that blurs the boundary between victim and perpetrator existing scholarship often disempowers border Protestants by obscuring their experience under the Provisional IRA's campaign This re-examination of the conflict illuminates how the Troubles impacted the Protestant community's physical economic and cultural presence in the border counties Combining oral history with a broader assessment of the Provisional campaign this book presents a compelling case study for viewing this violence as a form of ethnic cleansing **The Minority Voice** Robert Tobin, 2012-01-05 The first full length study of essayist and controversialist Hubert Butler offers a comprehensive account of a literary and social figure whose importance in twentieth century Irish culture is increasingly recognised **The Transformation of Southeast Asia** Marc Frey, Ronald W. Pruessen, Tai Yong Tan, Tan Tai Yong, 2015-01-28 This book provides the basis for a reconceptualization of key features in Southeast Asia's history Scholars from Europe America and Asia examine evolutionary patterns of Europe's and Japan's Southeast Asian empires from the late nineteenth century through World War II and offer important insights into the specific events of the 1940s 1950s and 1960s In turn their different perspectives on the political economic and cultural currents of the post colonial era including Southeast Asia's gradual adjustment to globalizing forces enhance understanding of the dynamics of the decolonization process Drawing on new and wide ranging research in international relations economics anthropology and cultural studies the book looks at the impact of decolonization and the struggle of the new nation states with issues such as economic development cultural development nation building ideology race and modernization The contributors also consider decolonization as a phenomenon within the larger international structure of the Cold War and the post Cold War eras Theory in Archaeology Peter J. Ucko, 2005-08-10 A unique volume that brings together contributors from all over the world to provide the first truly global perspective on archaeological theory and tackle the crucial questions facing archaeology in the 1990s Can one practice without theory **The Cooper's Wife Is Missing: The Trials Of Bridget Cleary** Joan Hoff, Marian Yates, 2008-01-06 On March 15 1895 twenty eight year old Bridget Cleary a cooper's wife disappeared from her cottage in rural County Tipperary Immediately strange and lurid rumors began circulating the neighborhood about what had happened Some said she ran off with an egg seller others supposed it was an aristocratic foxhunter who had taken young Bridget away Swirling amid rumors was the barely whispered but widely held belief that Bridget had gone with no mortal man rather she had gone off with the fairies The mystery deepened when seven days later

her body was discovered bent broken and badly burned in a shallow grave Within a few days the unimaginable truth came to light for almost a week before her death Bridget had been confined ritually starved threatened physically and verbally abused exorcised and finally burned to death by her husband Michael Cleary her father and extended family who confused bronchitis with a fairy dart They had all become convinced that their Bridgie had been taken from them and her fairy possessed body left behind to deceive them In *The Cooper's Wife Is Missing* Joan Hoff and Marian Yeates make sense of this ancient rarely publicized ritual exorcism and explain how the incident went on to become a national and international incident Set against a backdrop of renewed Irish nationalism a Church crackdown on lingering pagan practices and the ongoing British humiliation of Catholic Ireland the authors deftly map the dislocating anxieties that beset the rural peasantry in late nineteenth century Ireland Bewildered and frightened by the changes occurring all around them pulled in all directions by their politicians priests landlords and English overlords the Clearys were not alone in retreating to the relative comfort of pagan ritual Drawing on first hand accounts contemporary newspaper reports police records trial testimony and a rich wealth of folklore the authors weave a mesmerizing tale that touches upon magic madness and mystery as it details day by day Bridget's ordeal and the resulting investigation This is narrative history at its evocative best It fascinates as it illuminates [Tito and the Rise and Fall of Yugoslavia](#) Richard West, 2012-11-15 Few figures have dominated a nation's destiny as much as Marshal Tito of former Yugoslavia For nearly thirty years he held together mutually hostile religious groups in a deeply divided country but his death in 1980 rekindled centuries old hatreds and by 1992 Yugoslavia ceased to exist In this revealing biography Richard West questions the full impact of Tito's reign of power and his implicit responsibility for the ensuing violent bloody war in Bosnia Excellent I recommend his book for those who already know about Yugoslavia and want food for thought about the future David Owen Sunday Times Admirable Carefully researched and extremely readable Literary Review A passionate book in which West's historical sense is interlaced with his own very intimate knowledge of Yugoslavia from the late 1940s on and of the poignancy of subsequent events Fergus Pyle Irish Times Masterly Glasgow Herald **Encyclopedia of the Essay** Tracy Chevalier, 2012-10-12 This groundbreaking new source of international scope defines the essay as nonfictional prose texts of between one and 50 pages in length The more than 500 entries by 275 contributors include entries on nationalities various categories of essays such as generic such as sermons aphorisms individual major works notable writers and periodicals that created a market for essays and particularly famous or significant essays The preface details the historical development of the essay and the alphabetically arranged entries usually include biographical sketch nationality era selected writings list additional readings and anthologies *Uncertain Futures* Senia Pašeta, 2016 Marking Roy Foster's retirement from the Carroll Professorship of Irish history at the University of Oxford and recognising his extraordinary career as a historian literary critic and public intellectual this essay collection charts Foster's career while reflecting on developments in the field of Irish history writing teaching and research
