

Subject Voice And Ergativity

Albert A Gayle

Subject Voice And Ergativity:

Subject, Voice and Ergativity N Bennett, 2005-12 First Published in 1998 Routledge is an imprint of Taylor Francis an informa company The Oxford Handbook of Ergativity Jessica Coon, Diane Massam, Lisa deMena Travis, 2017-07-13 This volume offers theoretical and descriptive perspectives on the issues pertaining to ergativity a grammatical patterning whereby direct objects are in some way treated like intransitive subjects to the exclusion of transitive subjects This pattern differs markedly from nominative accusative marking whereby transitive and intransitive subjects are treated as one grammatical class to the exclusion of direct objects While ergativity is sometimes referred to as a typological characteristic of languages research on the phenomenon has shown that languages do not fall clearly into one category or the other and that ergative characteristics are not consistent across languages Chapters in this volume look at approaches to ergativity within generative typological and functional paradigms as well as approaches to the core morphosyntactic building blocks of an ergative construction related constructions such as the anti passive related properties such as split ergativity and word order and extensions and permutations of ergativity including nominalizations and voice systems The volume also includes results from experimental investigations of ergativity a relatively new area of research A wide variety of languages are represented both in the theoretical chapters and in the 16 case studies that are more descriptive in nature attesting to both the pervasiveness and diversity of ergative patterns

Ergativity, Valency and Voice Gilles Authier, Katharina Haude, 2012-05-29 This volume is a collection of articles concerned with the typology of valency and valence change in a large and diversified sample of languages that display ergative alignment in their grammar The sample of languages represented in these descriptive contributions covers most of the geographical areas and linguistic families in which ergativity has been known to exist jointly with well developed morphological voice and some languages belonging to families in which ergativity or voice were not previously recognized or adequately described up to now

Tense-aspect, Transitivity and Causativity Werner Abraham, L. I. Kulikov, 1999-01-01 This collection presents typological work on tense aspect and epistemic modality in a variety of languages and against the background of different schools of thinking among which the St Petersburg Typological School developed and so masterfully implemented by the Petersburg linguist Vladimir Petrovich Nedjalkov The volume honors this reputed scholar for his life work It is in mainly this spirit and the EUROTYPE spirit that the following scholars have contributed to the volume T Tsunoda on Warrungu Australian indigenous language L Kulikov on Vedic K Kiryu on Japanese Korean and Newari N Sumbatova on Svan from the Kartvelian group T Bulygina A Shmelev on Russian W Boeder on Georgian R Thieroff on aorist and imperfect in European languages Y Poupynin on Russian L Johanson on Kipchak Turkic I Dolinina on Russian N Kozintseva on Old and Modern Eastern Armenian Ch Lee on Korean W Abraham on split ergative languages and German G Silnitsky on Russian V Plungian on Russian E Rakhilina on Russian and K Ebert on Kalmyk

Arguments and Case Eric J. Reuland, 2000-09-15 The ideas presented by the contributions in this volume

originated in a workshop on Burzio's generalization Burzio's Generalization BG states that a verb which does not assign an external theta role to its subject does not assign structural accusative Case to an object and conversely It connects cross linguistic similarities between e.g. passives raising verbs and unaccusatives However it does so by linking very different properties of a predicate This raises fundamental questions about its theoretical status The contributions in this volume explore BG's theoretical basis A consensus emerges that BG is in fact an epiphenomenon due to the interaction of different principles of grammar Moreover the contributions show a striking convergence as to how BG is ultimately derived The results obtained make a significant contribution to the further development of theories of Case and thematic relations

Language Typology and Language Universals 2.Teilband Martin Haspelmath,Ekkehard König,Wulf

Oesterreicher,Wolfgang Raible,2008-07-14 No detailed description available for Language Typology and Language Universals 2 Teilband **Essays on Typology of Iranian Languages** Alireza Korangy,Behrooz

Mahmoodi-Bakhtiari,2019-10-21 The Iranian languages are one of the world's major language families With an estimated 150 to 200 million native speakers these languages constitute the western group of the larger Indo Iranian family which represents a major eastern branch of the Indo European languages Geographically the Iranian Languages are spoken from Central Turkey Syria and Iraq in the West to Pakistan and western edged of Xinjiang Uygur Autonomous Region of China in the east Iranian languages have long been among the major interests of the philologists and general linguists and European scholars have made tremendous contributions to the study of this language family In light of such efforts now we know that the Iranian languages can be historically divided into three phases that are old middle and new Iranian languages and the new Iranian languages may be generally grouped as Eastern and Western In recent years the orientation towards typology has led to the appearance of somewhat more ponderance on the subject but the work has not included description of some of the very important languages of the Caspian and or of the religious minorities such as those of the Zoroastrians or the Jewish community of the four fold Central Plateau dial **Ergativity** Alana Johns,Diane Massam,Juvenal Ndayiragije,2007-02-05

The overarching theme of this volume is the formal expression of the range and limits of ergativity The book contains cutting edge theoretical papers by top authors in the field who also conduct original field work and bring new data to light It contains articles that apply the most recent theoretical tools to the area of ergativity and then explore the issues that emerge Languages investigated in the text include Basque Georgian and Hindi Subject, Voice and Ergativity David C.

Bennett,1995 This volume brings together 11 papers which relate to a seminar on language typology held at SOAS in 1988 89 The papers contain a study of the work of the Leningrad Group for the Typological Study of Languages and make some of the Group's research accessible in English translation **Lazuri: An Endangered Language from the Black Sea** Züleyha

Ünlü,Brian George Hewitt,2023-05-09 Lazuri An Endangered Language of the Black Sea is a unique source in terms of presenting a close examination of the Laz language from multiple perspectives This volume edited by Z leyha nl and Brian

George Hewitt examines the current status of the Laz language Laz speakers perceptions of ethnolinguistic vitality the significance of the Laz language for theoretical research in linguistics the examination of Laz lexical data from historical documents the linguistic variation of the Laz language the use of a Laz alphabet in literary genres contemporary responses to preserve the Laz language and reflections from applied linguistics for the future of the Laz language Focusing on the main features of the Laz language and its present situation in Turkey and in other regions as well as the attempts to revitalize Laz and Laz culture this book will be the first scholarly publication on Laz as a South Caucasian language in terms of being a road map for future studies

Unveiling the Magic of Words: A Overview of "**Subject Voice And Ergativity**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Subject Voice And Ergativity Introduction

In today's digital age, the availability of Subject Voice And Ergativity books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Subject Voice And Ergativity books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Subject Voice And Ergativity books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Subject Voice And Ergativity versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Subject Voice And Ergativity books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Subject Voice And Ergativity books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Subject Voice And Ergativity books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of

certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Subject Voice And Ergativity books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Subject Voice And Ergativity books and manuals for download and embark on your journey of knowledge?

FAQs About Subject Voice And Ergativity Books

What is a Subject Voice And Ergativity PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Subject Voice And Ergativity PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Subject Voice And Ergativity PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Subject Voice And Ergativity PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Subject Voice And Ergativity PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as:

LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
