Subjectivity Identity And The Body:

Subjectivity, Identity, and the Body Sidonie Smith,1993 **Subjectivity, Identity, and the Body** Sidonie Smith,1993-01-01 **Women, Autobiography, Theory** Sidonie Smith,Julia Watson,1998 The first comprehensive guide to the burgeoning field of women s autobiography Essays from 39 prominent critics and writers explore narratives across the centuries and from around the globe A list of more than 200 women s autobiographies and a comprehensive bibliography provide invaluable information for scholars teachers and readers *Action, Intersubjectivity and Narrative Identity* Vinicio Busacchi,2019-10-15 The book reconsiders Paul Ricoeur s speculative research from the perspective of a critical hermeneutics understood as a general methodology which is able to work at an interdisciplinary level The specialisation of sciences results in a differentiation of knowledge that determines advancement while also provoking a great increase of complexity and fragmentation As such among the human sciences some problematic disciplines like psychoanalysis sociology and history have not yet found a unified methodological and epistemological structure This book argues that critical hermeneutics may work as a mediatory inter discipline in this regard Enacting Englishness in the Victorian Period Angelia Poon,2017-03-02 Angelia Poon examines how British colonial authority in the nineteenth century was predicated on its being rendered in ways that were recognizably English Reading a range of texts by authors that include Charlotte Bront Mary Seacole Charles Dickens Rudyard Kipling and H Rider Haggard Enacting Englishness in the Victorian Period focuses on the strategies narrative illustrative and rhetorical used to perform English subjectivity during the time of the British Empire Characterising these performances which ranged from the playful ironic and fantastical to the morally serious and determinedly didactic was an emphasis on the corporeal body as not only gendered racialised and classed but as in visible desiring bound in particular ways to space and marked by certain physical stylizations and ways of thinking As she shines a light on the English subject in the act of being and becoming Poon casts new light on the changing historical circumstances and discontinuities in the performances of Englishness to disclose both the normative power of colonial authority as well as the possibilities for resistance **Autoethnography in the 21st Century, Volume I** Lisa Ortiz-Vilarelle,2024-09-13 Autoethnography in the 21st Century offers interpretive analytic interactive performative experiential and embodied forms of autoethnography from around the globe Volume I Colonialism Immigration Embodiment Belonging examines forms of autoethnography as a decolonizing and dehegemonizing practice in the allegedly post racial post colonial and post hetero sexist twenty first century Contributors use autoethnographic methods and practices to interrogate the dominant cultural practices and political exigencies that have shaped their lives their arts and their academic work on bicultural queer gender subordinated or post colonial experience It features autobiographical and anthropological poetics autotheory and fieldwork grounded in Africa Argentina Australia Canada China and the United States The book will be of interest to students and researchers in the fields of critical autoethnography communication cultural and gender studies and other related disciplines

The chapters in this book were originally published as a special issue of *Life Writing* *Experiencing the Postmetaphysical Self* Fionola Meredith, 2004-12-14 This book charts and challenges the bruising impact of post Saussurean thought on the categories of experience and self presence It attempts a reappropriation of the category of lived experience in dialogue with poststructuralist thinking Following the insight that mediated subjectivity need not mean alienated selfhood Meredith forwards a postmetaphysical model of the experiential based on the interpenetration of poststructuralist thinking and hermeneutic phenomenology Since poststructuralist approaches in feminist theory have often placed women's lived experiences under erasure Meredith uses this hermeneutic deconstructive model to attempt a rehabilitation of the singular flesh and blood female existent *The Body and Physical Difference* David T. Mitchell, Sharon L. Snyder, 1997

Groundbreaking perspectives on disability in culture and the arts that shed light on notions of identity and social marginality

New Essays on Life Writing and the Body Christopher Stuart, Stephanie Todd, 2009-03-26 In light of materialist revisions of the Cartesian dual self and the increased recognition of memoir and autobiography as a crucial cultural index the physical body has emerged in the last twenty five years as an increasingly inescapable object of inquiry speculation and theory that intersects all of the various subgenres of life writing *New Essays on Life Writing and the Body* thus offers a timely original focused and yet appropriately interdisciplinary study of life writing This collection brings together new work by established authorities in autobiography such as Timothy Dow Adams G Thomas Couser Cynthia Huff and others along with essays by emerging scholars in the field Subjects range from new interpretations of well known autobiographies by Edith Wharton Gertrude Stein and Lucy Grealy as well as scholarly surveys of more recently defined subgenres such as the numerous New Woman autobiographies of the late 19th century adoption narratives and sibling memoirs of the mentally impaired Due to their wide interdisciplinary focus these essays will prove valuable not only to more traditional literary scholars interested in the classic literary autobiography but also to those in Women's Studies Ethnic and African American Studies as well as in emerging fields such as Disability Studies and Cognitive Studies *Foucault and Feminist Philosophy of Disability* Shelley Tremain, 2017-11-22 Addresses misrepresentations of Foucault's work within feminist philosophy and disability studies offering a new feminist philosophy of disability

Subjectivity Identity And The Body Introduction

In the digital age, access to information has become easier than ever before. The ability to download Subjectivity Identity And The Body has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Subjectivity Identity And The Body has opened up a world of possibilities. Downloading Subjectivity Identity And The Body provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Subjectivity Identity And The Body has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Subjectivity Identity And The Body. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Subjectivity Identity And The Body. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Subjectivity Identity And The Body, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to

distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Subjectivity Identity And The Body has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
