Substance Abuse Prevention:

Substance Abuse Prevention in Multicultural Communities Jeanette Valentine, Judith Dejong, 2014-07-16 This insightful volume describes a sample of prevention demonstration projects of the Center for Substance Abuse Prevention CSAP Substance Abuse Prevention in Multicultural Communities illuminates various aspects of prevention theory practice and research with a focus on the design implementation adaptation and outcome of specific demonstration programs Researchers work with prevention professionals to describe measure and intensify effects of interventions upon both intermediate problems and the ultimate long term goal of decreasing substance abuse Chapters in Substance Abuse Prevention in Multicultural Communities demonstrate how the CSAP demonstration logic model works The process of prevention program design begins with an analysis of the root causes of the problem as defined by the specific community and illuminated by theory Comprehensive prevention programs that buttress community strengths and build on local resources are then designed to deal with these problems The programs you ll learn from include a leadership and substance abuse prevention program based on the social influence model for girls in grades 6 8 from four geographically and ethnically diverse communities a program intricately designed to build resiliency and protective factors within young at risk American Indian children in a Head Start program which addresses school transition school readiness school attendance and classroom based prevention activities a family skills training program for African American parents in substance abuse treatment which evolved in response to client and evaluation feedback a program for Native American families which uses a culturally oriented curriculum emphasizing traditional values beliefs and practices a coalition of neighborhood agencies organized to provide a comprehensive array of school and community based prevention services which impacted gang membership in inner city Latino youth a prevention program specifically designed to serve the diverse needs of Asian American youth from five different Asian ethnic communities a model substance abuse prevention program implemented to provide counseling mentoring and academic support to Hispanic and African American students in an urban public middle school the nationally recognized FAST program which strengthens the family and brings parents and schools together in building up protective factors for high risk elementary students a program that combines several complementary strategies to develop personal and communal empowerment in Native American communities Substance Abuse Prevention in Multicultural Communities illustrates the wealth of information generated by demonstration programs Unlike a standard research protocol that imposes and tests a rigid single focused intervention under carefully controlled circumstances these programs do science in real life situations documenting and measuring effects of multiple interventions

Encyclopedia of Substance Abuse Prevention, Treatment, and Recovery Gary L. Fisher, Nancy A. Roget, 2008-11-11 The scope includes behavioral addictions such as eating disorders gambling and compulsive shopping Preparation of the profession is heavily featured in numerous articles on standards training ethics and professional organizations An emphasis on expectations and current practice make

this set and excellent resource for those preparing for work in their fields Therefore this title is highly appropriate for academic libraries John R M Lawrence This comprehensive resource makes a great companion to works such as Edith M Freeman s Substance Abuse Treatment Sage 1993 Gary L Fisher and Thomas C Harrison s Substance Abuse 4th ed Allyn Bacon 2008 and most of the works in Guilford s Substance Abuse series Highly recommended for research and academic libraries Library Journal Reflecting the recent explosion in the knowledge base of all aspects of the alcohol and drug abuse field the Encyclopedia of Substance Abuse Prevention Treatment and Recovery presents state of the art research and evidence based applications The Encyclopedia s approximately 350 A to Z signed entries focus on the information that addiction treatment and prevention professionals and allied health professionals need to effectively work with clients John R M Lawrence Library Journal Reflecting the recent explosion in the knowledge base of all aspects of the alcohol and drug abuse field the presents state of the art research and evidence based applications The Encyclopedia s approximately 350 A to Z signed entries focus on the information that addiction treatment and prevention professionals and allied health professionals need to effectively work with clients John R M Lawrence Reflecting the recent explosion in the knowledge base of all aspects of the alcohol and drug abuse field the presents state of the art research and evidence based applications The Encyclopedia s approximately 350 A to Z signed entries focus on the information that addiction treatment and prevention professionals and allied health professionals need to effectively work with clients Features Provides comprehensive and authoritative coverage of such areas as the neurobiology of addiction models of addiction sociocultural perspectives on drug use family and community factors prevention theories and techniques professional issues the criminal justice system and substance abuse assessment and diagnosis and more Focuses on concepts of addiction and treatment practices but also addresses commonly used and abused drugs including recreational prescription and over the counter Offers a Reader s Guide that lists topic categories with specific entries Presents cross references at the end of each entry to help readers locate related information in other entries as well as Further Readings for those who wish to pursue topics in more depth Includes an appendix listing of 58 different drugs and substances with corresponding relevant entries The Encyclopedia of Substance Abuse Prevention Treatment and Recovery is intended for use by pre service and in service addiction prevention and treatment providers and allied professionals in the fields of criminal justice counseling social work public health nursing medicine other health care professions education and family studies *Substance Abuse Prevention* Julie Hogan, 2015-12-15 Since the first edition the substance abuse prevention field has significantly changed This book will provide the student with an new orientation to the changing field of substance abuse which includes three sections Part I the changing face of prevention knowledge Part II the changing face of prevention workforce and Part III the changing face of the prevention community Substance Abuse Prevention Second Edition will link science to practice preparing both undergraduate and graduate students to work in the field of substance abuse prevention and to successfully pass the IC RC International
