Andrade, Eroy Aparecida da Silva, Maria
Lucia Oliveira de Souza Formigoni**

Substance Misuse In Adolescence:

Substance Misuse in Adolescence Thomas P. Gullotta, Gerald R. Adams, Raymond Montemayor, 1994-10-13 This book untangles popular beliefs about substance abuse issues from historical clinical and research evidence to address questions such as What factors cause teenagers to abuse drugs and alcohol How much of a role do economic factors and neighbourhoods play Following an introduction which outlines the social history of tobacco alcohol marijuana cocaine and heroin the volume examines individual family peer and community variables that contribute to substance misuse resiliency factors that enable some adolescents to avoid such problems substance abuse in rural and urban settings pharmacological effects and current treatment approaches

Drug Abuse in Adolescence Denise De Micheli, André Luiz Monezi Andrade, Eroy Aparecida da Silva, Maria Lucia Oliveira de Souza Formigoni, 2015-07-03 Focusing on two central themes the psychobiological evolution from youth to adult and the effects of drugs on the developing central nervous system this important reference elucidates the mechanisms of chemical dependency in adolescents Its multidisciplinary coverage analyzes addiction across major domains of human functioning against the backdrop of hormonal cognitive and other changes that accompany the transition to adulthood Chapters discuss legal as well as illicit drugs examine age related social contexts and present the latest findings on links between drug use and mental disorders Throughout the contributors make clear that education is more valuable to understanding and preventing substance abuse than are prohibition and zero tolerance thinking Included among the topics Cognitive development learning and drug use Neurobiology of the action of drugs of abuse Findings in adolescents with substance dependence based on neuroimaging tests Alcohol abuse in adolescents relevance of animal models Effects of chronic drug abuse on the chronobiology of sleep in adolescents Neurological and cognitive disorders arising from the chronic use of drugs of abuse The multiple lenses for understanding its subject and the sensitivity with which causal nuances are treated make Neuroscience of Drug Abuse in Adolescence an invaluable resource for clinical and child psychologists psychiatrists social workers and addiction counselors

Adolescent Substance Abuse John S. Wodarski, Marvin D. Feit, 1995 This book not only explores the multiple forces which impact adolescents with the result of substance abuse it goes one step further and proposes ways in which to change the broad societal norms and values regarding substance abuse There are a number of avenues through which change can be made and Wodarski and Feit examine early in the book these societal subsystems as areas of change developing appropriate treatment paradigms school and peer group environments home and family media community movements and business and industry Other practical topics and issues covered include an empirically based teaching method called Teams Games Tournaments TGT a curriculum that supports student instruction in the adolescent curriculum and issues pertinent to the reduction of adolescent substance abuse

Innovations in Adolescent Substance Abuse Interventions Eric Wagner, Holly Waldron, 2001-09-14 *Innovations in Adolescent Substance Abuse Interventions* focuses on developmentally appropriate

approaches to the assessment prevention or treatment of substance use problems among adolescents Organized into 16 chapters this book begins with an assessment of adolescent substance use theory methods and effectiveness of a drug abuse prevention approach and problem behavior prevention programming for schools and community groups Some chapters follow on the community family and school based interventions for adolescents with substance use problems Other chapters explain psychopharmacological therapy the assertive aftercare protocol for adolescent substance abusers and twelve step based interventions for adolescents Alcohol and Substance Abuse in Adolescence Judith Brook,Barry Stimmel,2014-05-22 This timely volume explores the possible reasons that young people turn to drugs the most effective methods to manage those who are afflicted and ways to educate youth to prevent their initial drug involvement Substance Abuse and the American Adolescent Commission on Substance Abuse Among America's Adolescents,1997 **Adolescent Substance Abuse** Carl G. Leukefeld,Thomas P. Gullotta,2018-08-25 The second edition of this book incorporates the latest theory research and best practices for understanding treating and preventing substance abuse among adolescents It updates the progress made in treatments for and prevention of the misuse of substances and adds new specific chapters on prescriptions opiates and methamphetamine abuse The book discusses the effects of commonly abused substances from tobacco and alcohol to stimulants and opioids on the human brain and the various psychosocial routes to their misuse by adolescents Chapters provide evidence based guidelines for assessing adolescent treatment needs and review psychological pharmacological family and self help interventions The book offers new paths in diverse directions analyzes the core components of substance use prevention critiques emerging school based interventions and introduces a nuanced reconceptualization of recovery Topics featured in the book include The effect of family and caregiver situations on adolescent substance abuse A biological genetic perspective on adolescent substance abuse School based preventions and the evolution of evidence based strategies The role of adolescent self help in substance abuse interventions Community based interventions to reduce alcohol use and misuse Adolescent Substance Abuse Second Edition is a must have reference for researchers clinicians practitioners and graduate students in the fields of child and school psychology social work public health developmental psychology child and adolescent psychiatry and various interrelated mental health and social policy arenas **Substance Abuse and Dependence in Adolescence** Cecilia A.
