Technologies of Sexiness Adrienne Evans, Sarah Riley, 2014-08-01 Key cultural shifts have enabled a new sexualization of women Neoliberal consumerist and postfeminist media culture have shaped ways of understanding female sexuality embodied by the figure of the choosing empowered entrepreneurial consumer citizen woman whose economic capital determines feminine success and failure Informed by older constructs of privilege such as class sexuality race and disability this version of sexiness also constrains by folding contemporary femininity back into previous panics about youth excess bad consumption and appropriate feminine behavior In *Technologies of Sexiness* Adrienne Evans and Sarah Riley identify how current understandings of sexiness in public life and academic discourse have produced a doubled stagnation cycling around old debates without forward momentum Developing a theoretical and methodological framework they expand on the notion of a technology of sexiness They ask what happens and what is lost when people make sense of themselves within the complexities and contradictions of consumer oriented constructs of sexiness How do these discourses come to transform the self This book provides a framework for understanding how women make sense of their sexual identities in the context of a feminization of sexual consumerism The authors analyze material collected with two groups of women the pleasure pursuers and functioning feminists who broadly occupy positions across the pre and post Thatcher eras and the changes brought about by the feminist movement As one of the first book length empirical studies to explore age related femininities in the context of what sexiness means today the authors develop a series of insights into various technologies of the self through analyses of space nostalgia and claims to authentic sexiness

Literacy for All Students Rebecca Powell, Elizabeth C. Rightmyer, 2011 The Culturally Responsive Instruction Observation Protocol CRIOP is a framework for implementing culturally relevant literacy instruction and classroom observation Drawing on research and theory reflecting a range of perspectives on multicultural instruction literacy theory equity pedagogy language and discourse models sheltered instruction critical pedagogy it provides a means for assessing the many variables of classroom literacy instruction and for guiding practitioners in their development as multicultural educators *Literacy for All Students* Discusses issues in multicultural literacy instruction within the context of various essential instructional components such as assessment curriculum parent collaboration Provides a protocol for observing features of literacy instruction for culturally and linguistically diverse students Presents vignettes from real classrooms written by elementary and middle school teachers showing their victories and struggles as they attempt to implement a pedagogy that is culturally responsive within a climate of high stakes testing A highly effective instrument for assessing culturally responsive literacy instruction in schools the CRIOP serves as a model for realizing a literacy that is both relevant and transformative

The Four Capitals for Success: a Personal Leadership Guide Goski Alabi PhD, 2021-12-08 There is no Formula for Success Everybody's life has its own purpose destination and timing therefore no particular path or set of actions should be prescribed for success in life Some people succeed while others fail

However successful people do share some skills and abilities in common The 4 Capitals for Success and Guide for Personal Leadership provides some insights for success based on practical life examples Using reviews and insights from highly recommended books that have transformed lives the 4 Capitals of Success catalogues skills principles and practices that can bring meaning and success to your personal life The 4 Capitals is indeed full of everyday examples that can bring improvement and fulfilment to your life no matter where you are

Litigation Funding for the Property Industry David Horsfall, David Layard, 2000-04-30 The funding of litigation is now a major factor in the property industry This book examines new legal developments in the field in the UK The book provides technical detail and also practical examples to ensure the manager is in a better position to negotiate with his her lawyers The new Court rules combined with the stated aim of Government policy of removing legal aid and at the same time ensuring access of Justice through contingency fees has meant a revolution in the manner of funding litigation But this has meant an even more acute conflict of interest between solicitor and client because the lawyer needs to be able to recoup funding the action by taking a share of the proceeds of the claim The commercial client needs to be aware of the parameters to negotiate the conditional fee agreement The aim of this book is to provide a clear outline of the meaning of conditional fees and contingency fees provide an outline of the costs that may be payable under the new regime provide a breakdown by way of summary of different types of legal insurance available on the open market including after the event insurance give an overview of the fast track small track and multi track procedures relate litigation to service charge recovery programs for residential and commercial property

This Is Why We Can't Have Nice Things Whitney Phillips, 2015-03-20 Why the internet troll problem is actually a culture problem how online trolling fits comfortably within today s media landscape Internet trolls live to upset as many people as possible using all the technical and psychological tools at their disposal They gleefully whip the media into a frenzy over a fake teen drug crisis they post offensive messages on Facebook memorial pages traumatizing grief stricken friends and family they use unabashedly racist language and images They take pleasure in ruining a complete stranger s day and find amusement in their victim s anguish In short trolling is the obstacle to a kinder gentler Internet To quote a famous Internet meme trolling is why we can t have nice things online Or at least that s what we have been led to believe In this provocative book Whitney Phillips argues that trolling widely condemned as obscene and deviant actually fits comfortably within the contemporary

media landscape Trolling may be obscene but Phillips argues it isn't all that deviant Trolls actions are born of and fueled by culturally sanctioned impulses which are just as damaging as the trolls most disruptive behaviors Phillips describes the relationship between trolling and sensationalist corporate media pointing out that for trolls exploitation is a leisure activity for media it's a business strategy She shows how trolls the grimacing poster children for a socially networked world align with social media And she documents how trolls in addition to parroting media tropes also offer a grotesque pantomime of dominant cultural tropes including gendered notions of dominance and success and an ideology of entitlement We don't just have a trolling problem Phillips argues we have a culture problem This Is Why We Can't Have Nice Things isn't only about trolls it's about a culture in which trolls thrive
