Sudden Fiction International:

Sudden Fiction International Robert Shapard, James Thomas, 1989 Following the recent popular success of Sudden Fiction this volume enters new realms to gather more than fifty of the best and most compelling short stories each complete and no more than five pages from all over the world **Sudden Fiction International** Robert Shapard, James Thomas, 1989-11-07 Gathers stories by Julio Cortazar Margaret Atwood Colette Heinrich Boileau Jorge Luis Borges Doris Lessing and Isak Dinesen **Sudden Fiction International** Robert Shapard, 1991 Flash Fiction International James Thomas, Robert Shapard, Christopher Merrill, 2025-04-25 A dazzling new anthology of the very best very short fiction from around the world What is a flash fiction called in other countries In Latin America it is a micro in Denmark kortprosa in Bulgaria mikro razkaz These short shorts usually no more than 750 words range from linear narratives to the more unusual stories based on mathematical forms a paragraph length novel a scientific report on volcanic fireflies that proliferate in nightclubs Flash has always and everywhere been a form of experiment of possibility A new entry in the lauded Flash and Sudden Fiction anthologies this collection includes 86 of the most beautiful provocative and moving narratives by authors from six continents including best selling writer Etgar Keret Zimbabwean writer Petina Gappah Korean screenwriter Kim Young ha Nobel Prize winner Czeslaw Milosz and Argentinian Queen of the Microstory Ana Mar a Shua among many others These brilliantly chosen stories challenge readers to widen their vision and celebrate both the local and the universal

Fiction International 43: Walls, The Short Story in South Africa Rebecca Fasselt, Corinne Sandwith, 2022-03-24 This book considers the key critical interventions on short story writing in South Africa written in English since the year 2000 The short story genre whilst often marginalised in national literary canons has been central to the trajectory of literary history in South Africa In recent years the short story has undergone a significant renaissance with new collections and young writers making a significant impact on the contemporary literary scene and subgenres such as speculative fiction erotic fiction flash fiction and queer fiction expanding rapidly in popularity This book examines the role of the short story genre in reflecting or championing new developments in South African writing and the ways in which traditional boundaries and definitions of the short story in South Africa have been reimaged in the present Drawing together a range of critical interventions including scholarly articles interviews and personal reflective pieces the volume traces some of the aesthetic and thematic continuities and discontinuities in the genre and sheds new light on questions of literary form Finally the book considers the place of the short story in twenty first century writing and interrogates the ways in which the short story form may contribute to or recast ideas of the post apartheid or post transitional The perfect guide to contemporary short story writing in South Africa this book will be essential reading for researchers of African literature **The Short Story** Ailsa Cox, 2009-03-26 Long regarded as an undervalued and marginalised genre the short story is undergoing a renaissance The Short Story celebrates its unique appeal Practitioners and scholars address the issues facing short story criticism in the 21st

century Author A L Kennedy shares the pleasures and frustrations of writing the short story in the literary marketplace This is followed by an assessment of recent attempts to promote short story readership in the UK Other contributors look at forms such as the short short and the short story sequence The range of authors discussed includes Martin Amis Anita Desai Salman Rushdie and James Joyce The short story is the most international of genres this is reflected in chapters on Jorge Luis Borges and Italo Calvino and on Japanese short fiction Postcolonial and translation theory are combined with the close reading of specific texts Neglected authors such as the Welsh writer Dorothy Edwards and the colonial figure Frank Swettenham are re evaluated and we also consider genre writing with chapters on crime fiction and Ray Bradbury s Martian Chronicles Integrating theory and practice The Short Story will appeal both to writers and to students of literary criticism

Micro Fiction Jerome H. Stern, 1996 Ten years ago Jerome Stern director of the writing program at Florida State initiated the World s Best Short Short Story Contest Stories were to be about 250 words long first prize was a check and a crate of oranges Two to three thousand stories began to show up annually in Tallahassee and National Public Radio regularly broadcast the winner But more important the Micro form turned out to be contagious stories of this lack of length now dot the literary magazines The time seemed right then for this anthology presenting a decade of contest winners and selected finalists In addition Stern commissioned Micros persuading a roster of writers to accept the challenge of completing a story in one page Jesse Lee Kercheval has a new spin on the sinking of the Titanic Virgil Suarez sets his sights on the notorious Singapore caning George Garrett conjures up a wondrous screen treatment pitch and Antonya Nelson invites us into an eerie landscape Verve and nerve and astonishing variety are here with some wild denouements How short can a Micro be you wonder Look up Amy Hempel s contribution and you ll see

Reconfiguring Class, Gender, Ethnicity and Ethics in Chinese Internet Culture Haomin Gong, Xin Yang, 2017-02-17 New information technologies have to an unprecedented degree come to reshape human relations identities and communities both online and offline As Internet narratives including online fiction poetry and films reflect and represent ambivalent politics in China the Chinese state wishes to enable the formidable soft power of this new medium whilst at the same time handling the ideological uncertainties it inevitably entails This book investigates the ways in which class gender ethnicity and ethics are reconfigured complicated and enriched by the closely intertwined online and offline realities in China It combs through a wide range of theories on Internet culture intellectual history and literary film and cultural studies and explores a variety of online cultural materials including digitized spoofing microblog fictions micro films online fictions web dramas photographs flash mobs popular literature and films These materials have played an important role in shaping the contemporary cultural scene but have so far received little critical attention Here the authors demonstrate how Chinese Internet culture has provided a means to intervene in the otherwise monolithic narratives of identity and community Offering an important contribution to the rapidly growing field of Internet studies this book will also be of interest to students and scholars of Chinese culture literary and film studies media and

communication studies and Chinese society *Creative Writing and the Radical* Nigel Krauth, 2016-07-18 The rise of digital publishing and the ebook has opened up an array of possibilities for the writer working with innovation in mind *Creative Writing and the Radical* uses an examination of how experimental writers in the past have explored the possibilities of multimodal writing to theorise the nature of writing fiction in the future It is clear that experimental writers rehearsed for technological advances long before they were invented Through an in depth study of writers and their motivations challenges and solutions the author explores the shifts creative writing teachers and students will need to make in order to adapt to a new era of fiction writing and reading

Sudden Fiction International Introduction

In today's digital age, the availability of Sudden Fiction International books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sudden Fiction International books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sudden Fiction International books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sudden Fiction International versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sudden Fiction International books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sudden Fiction International books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sudden Fiction International books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts

Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sudden Fiction International books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sudden Fiction International books and manuals for download and embark on your journey of knowledge?
