Industries and the British Industrial Revolution (1757-1857) Indrajit Ray, 2011-08-09 This book seeks to enlighten two grey areas of industrial historiography Although Bengal industries were globally dominant on the eve of the industrial revolution no detailed literature is available about their later course of development A series of questions are involved in it Did those industries decline during the spells of British industrial revolution If yes what were their reasons If not the general curiosity is On which merits could those industries survive against the odds of the technological revolution A thorough

discussion on these issues also clears up another area of dispute relating to the occurrence of deindustrialization in Bengal and the validity of two competing hypotheses on it viz i the mainstream hypothesis of market failures and ii the neo marxian hypothesis of imperialistic state interventions Evil Children in the Popular Imagination Karen J. Renner,2016-12-15

Focusing on narratives with supernatural components Karen J Renner argues that the recent proliferation of stories about evil children demonstrates not a declining faith in the innocence of childhood but a desire to preserve its purity From novels to music videos photography to video games the evil child haunts a range of texts and comes in a variety of forms including changelings ferals and monstrous newborns In this book Renner illustrates how each subtype offers a different explanation for the problem of the evil child and adapts to changing historical circumstances and ideologies **Memoirs of the Dept. of Agriculture in India.
