## **Suffolk Postcard History:**

Suffolk in Vintage Postcards Henry Fraser, Sue Woodward, 2003-07-01 After 20 years as a trading center on the Nansemond River the town of Suffolk was chartered in 1742 Originally dependent on naval stores and the river it would be railroads and peanuts that eventually put Suffolk on the map After Amedeo Obici brought Planters Nut and Chocolate Company to Suffolk in 1913 the town was soon recognized as the world's largest peanut market It was also in the center of a large agricultural region with trains passing in and out of town each day Postcards began to travel around the country with news and greetings from the bustling Suffolk By the middle of the 20th century Suffolk had seen many changes Railroads gave way to highways and grand old hotels were replaced with motels Yet within these pages the old Suffolk endures depicted in the views and paintings of a vivid collection of postcards *A Postcard History of the Passenger Liner* Christopher Deakes, 2023-10-01 From around 1880 for almost a hundred years shipowners commissioned a wealth of paintings that depicted their magnificent liners as well as the routes they travelled their exotic destinations and life onboard These paintings rich in imagination and atmosphere appeared on postcards and posters of the day and were used to advertise the companies and their ships and so was born a whole genre that produced tens of thousands of paintings which formed a wonderful record of the great era of the passenger liner In 1900 there were over thirty shipping companies operating passenger liners across the North Atlantic Other oceans were similarly served But now with just a few exceptions the companies and their liners have disappeared along with the art they once inspired Little remains to recall this aspect of our maritime past except the postcards and they tell an evocative story of the vanished world of elegant ships and leisurely travel of social and political times much changed by the history of the past century Here brought vividly to life in more than 500 colourful postcards are the ships on which so many of our predecessors sailed as emigrants soldiers administrators or simply as tourists in days long past These cards which are now highly collectable show how steamships developed over the years but they are also a fine tribute to the artists who painted them This volume also includes a glossary of some 170 illustrators which forms an important reference section and advice on collecting *Tracing Your House History* Gill Blanchard, 2020-01-31 With its practical slant and focus on demystifying unfamiliar property documents this is the perfect introduction to tracing a house history Family Tree Magazine Anyone who wants to find out about the history of their house of their home needs to read this compact practical handbook Whether you live in a manor house or on a planned estate in a laborer's cottage a tied house a Victorian terrace a twentieth century council house or a converted warehouse this is the book for you In a series of concise information filled chapters Gill Blanchard shows you how to trace the history of your house or flat how to gain an insight into the lives of the people who lived in it before you and how to fit it into the wider history of your neighborhood A wealth of historical evidence is available in libraries archives and record offices in books and online and this is the ideal introduction to it Gill Blanchard explores these resources in depth explains their significance and directs the

researcher to the most relevant and revealing aspects of them She makes the research process understandable accessible and fun and in the process she demystifies the sometimes obscure language and layout of the documents that researchers will come up against This book is more than a guide to researching the history of your house or a house of interest It is a font of interest if you are seeking to research and understand the social and domestic lives of people and their communities from early times Federation of Family History Societies      *The Outer Banks in Vintage Postcards* Chris Kidder, Outer Banks History Center Associates, 2005-04-06 The Outer Banks of North Carolina have been a destination for seasonal visitors since Algonkian Indians hunted and fished on the islands In 1584 English explorers arrived and before long were promoting the area as a land of natural abundance and beauty pleasant weather and kindly natives Not much has changed in that respect By the beginning of the 20th century visitors and residents alike were using postcards to share the things that make the Outer Banks unique with family and friends in other places      *Long Island's Military History* Glen Williford, Leo Polaski, 2004 Long Island's location and terrain gave it a significant role in defending the United States for over two hundred years Forming the eastern shore of New York City's harbor Long Island provided sites for seaward defense while its flat grassy plain was an ideal location for airfields Many fortifications encampments and defense factories were built on Long Island Long Island's Military History with more than two hundred vintage photographs traces this unique history beginning with the battle of Long Island in 1776 and continuing through the cold war into the 1980s This fascinating visual history tells of places such as Roosevelt Field and Plum Island whose military uses have been forgotten Camp Wikoff and Hazelhurst Field short lived military sites and Grumman and Republic names once associated only with combat aircraft      **Long Island Food: A History from Family Farms & Oysters to Craft Spirits** T.W. Barritt, 2015 Beyond its crowded highways Long Island serves up a plentiful eclectic bounty with a side of history Enticing appetites from Nassau to Montauk food writer and Long Island native T W Barritt explores how immigrant families built a still thriving agricultural community producing everything from crunchy pickles and hearty potatoes to succulent Long Island duckling Experience the rise and fall of Long Island's bustling oyster industry and its reemergence today And meet the modern day pioneers in community agriculture wine cheese fine dining and craft spirits who are reinventing Long Island's food landscape and shaping a delicious future      *Tracing Your Ancestors: Cambridgeshire, Essex, Norfolk & Suffolk* Gill Blanchard, 2018-04-30 Gill Blanchard's practical and informative handbook will help you to trace your ancestors in the traditional counties of East Anglia Norfolk Suffolk Cambridgeshire and Essex and it will give you an insight into their lives As well as guiding the researcher to historical records held in all the relevant archives she explores the wealth of other resources that add the flesh to the bones of our ancestors lives She describes how fascinating information can be discovered about the places they lived in and the important historical events they lived through and she traces the life stories of notable people from all backgrounds who shaped the regions development over the centuries Her account highlights the diversity of this part of England but also focuses on its common

features and strong sense of identity It introduces a wide array of research resources that will be revealing for readers who want to find out about their ancestors who lived here      **The Golden Avenue: The History and People of Ocean Avenue, Amityville, NY** Doug Robinson,2018-09-17 The Golden Avenue tells the history of Ocean Avenue in Amityville New York and the famous infamous and interesting folks associated with the street These include Lawrence B Sperry aviation pioneer Walter O Malley owner of the Brooklyn Dodgers Annie Oakley Lebert Lombardo of the Royal Canadians Bruce Parker Mr Water Skiing John B Gambling of WOR Radio Ed Nezbeda and Grumman Aircraft Phil Brice and Republic Aviation Christine Riley actress and Ronald DeFeo mass murderer      **Shoreham and Wading River** Jane Alcorn,Mary Ann Oberdorf,2012 Shoreham and Wading River is an illustrated tale of two good neighbors vividly told through the magic of historic postcards Wading River settled by New Englanders in 1671 is reminiscent of a classic New England town with its steepled Congregational Church village green ancient cemetery horse farms and colonial homes Shoreham settled at the turn of the last century went high tech with the arrival of brilliant inventor Nikola Tesla and his famous tower and laboratory and highbrow as an eastern outpost of the Gold Coast The two communities are linked by geography and shared traditions such as a railroad line sadly abandoned in 1938 a beautiful beach for summer fun summer camps galore an equestrian tradition and glorious tennis an unbroken rivalry since 1924 Postcards are from the Shoreham Village historical archives the Wading River and Suffolk County Historical Societies and private collections      **Postcards from the Front 1914-1919** Kate J. Cole,2016-05-15 Postcards from the Front 1914 1919 captures the essence of this medium in a unique and fascinating way bringing to life the pathos the trauma and the mud and the blood of Flanders and France as the embattled Tommies wrote home to their loved ones
