The women's liberation movement in Scotland Sarah Browne, 2016-05-16 This is the first book length account of the women's liberation movement in Scotland which using documentary evidence and oral testimony charts the origins and development of this important social movement of the post 1945 period In doing so it reveals the inventiveness and fearlessness of feminist activism while also pointing towards the importance of considering the movement from the local and grassroots perspectives presenting a more optimistic account of the enduring legacy of women's liberation Not only does this book uncover the reach of the WLM but it also considers what case studies of women's liberation can tell us about the ways in which the development of the movement has been portrayed Previous accounts have tended to equate the fragmentation of the movement with weakness and decline This book challenges this conclusion arguing that fragmentation led to a diffusion of feminist ideas into wider society In the Scottish context it led to a lively and flourishing feminist culture where activists highlighted important issues such as abortion and violence against women

Feminist Perspectives on Politics Chris Corrin, 2014-07-10 Feminist Perspectives on Politics considers how feminist perspectives have considerably broadened the scope of what is considered political Themes and issues covered range from nineteenth century debates around women's equality and liberation to twentieth century arguments and activities towards gaining a more nuanced understanding of women's differences and diversity Difference remains a key term in contemporary feminisms and the author examines debates engendered from women's liberation politics to open up discussion of Black feminisms lesbian politics and disabled feminist agendas Formal political participation and the impact of women's movement politics are assessed in global comparisons as are the debates surrounding discourses on development

and transnational politics and the influence of women at local national and international levels The book will be essential reading for students at all levels across the fields of Politics Women s Studies Sociology History Cultural Studies Political Economy and Development Studies more generally such as in studies concerned with anti racism gender social policy and the history of ideas within educational institutions local government and voluntary organisations Brand Loyalty in Bangladesh Dr. Md. Uzir Hossain Uzir, Profession Dr. Abu Bakar Abdul Hamid, Dr. Ts. Dr. Ahmad Shaharudin Abdul Latiff, Israaq Jerin, 2021-05-06 A brand is a valuable asset and loyalty to a particular brand is the source of revenue and profitability of the business Brand loyalty is significant for the business growth and expansion of companies in the electronics sector A populated country Bangladesh has a substantial expenditure on electronic appliances and the demand for these household items increases over the period however customers are not always loyal to a particular brand Marketing literature shows that customer satisfaction and brand confidence directly affect brand loyalty and brand trust mediates their relationship Due to the technological advance of social media technology has an essential role in the customer s decision to buy household appliances The existing literature has not focused on this massive demand for electronic appliances customer satisfaction loyalty trust and social media s significant role in consumer buying behavior The book shoed the investigation of the effect of customer satisfaction and brand trust of electronic home appliances on brand loyalty and the mediating role of brand trust in customer satisfaction and trust relationship The study also examined the extent to which customers believe social media information influences them The study gathered data from 523 Bangladeshi respondents from Dhaka by conducting a survey The data were analyzed with SPSS and CB SEM AMOS for the hypothesis test The findings revealed that customer satisfaction and brand trust significantly impact brand loyalty and social media moderates those significant relationships The result of the study contributed to the expectancy disconfirmation theory trust commitment theory brand loyalty theory and theory of reasoned action by presenting empirically based insight into customer satisfaction brand trust and brand loyalty constructs in electronic home appliances in Bangladesh In addition the results provided a practical insight into marketing and brand management They suggested the practicing managers in developing product quality with customer preference building trust through maintaining brand image and creating awareness among the customers and considering the significance of social media and its usage The research used probabilistic sampling techniques both rural and urban customers only a single home appliance and PLS SEM statistical tool for analysis Future researchers could focus and include other variables such as price or advertising consider loyalty separately and use both urban and rural customers to have better predictions **The Art of Solidarity** Jessica Stites Mor, Maria del Carmen Suescun Pozas, 2018-10-17 The Cold War claimed many lives and inflicted tremendous psychological pain throughout the Americas The extreme polarization that resulted from pitting capitalism against communism held most of the creative and productive energy of the twentieth century captive Many artists responded to Cold War struggles by engaging in activist art practice using creative expression to

mobilize social change The Art of Solidarity examines how these creative practices in the arts and culture contributed to transnational solidarity campaigns that connected people across the Americas from the early twentieth century through the Cold War and its immediate aftermath This collection of original essays is divided into four chronological sections cultural and artistic production in the pre Cold War era that set the stage for transnational solidarity organizing early artistic responses to the rise of Cold War polarization and state repression the centrality of cultural and artistic production in social movements of solidarity and solidarity activism beyond movements Essay topics range widely across regions and social groups from the work of lesbian activists in Mexico City in the late 1970s and 1980s to the exchanges and transmissions of folk music practices from Cuba to the United States to the uses of Chilean arpilleras to oppose and protest the military dictatorship While previous studies have focused on politically engaged artists or examined how artist communities have created solidarity movements this book is one of the first to merge both perspectives Feminist Afterlives Red Chidgey, 2018-11-19 This book interrogates why feminist memories matter Feminist Afterlives explores how the images ideas and feelings of past liberation struggles become freshly available and transmissible In doing so Red Chidgey examines how popular feminist memories travel as digital and material resources across protest heritage media commercial and governmental sites and in connection with the concerns and conditions of the present Central case studies track repeated invocations to militant suffragettes and the We Can Do It post feminist icon over time and space Assembling interviews archival research and ethnographic accounts with provocative examples drawn from postfeminist media culture a UNESCO heritage bid protest at the London 2012 Olympic Games and activist remembrance in zines and blogs this is a broad ranging study of restless feminist pasts both real and imagined Richly researched and argued this volume offers an original framework of assemblage memory and sets out a new research agenda for the intersections between everyday activism protest and memory practices
