The Mind Siege Project (Soul Survivor Series Book 1) Bob DeMoss, 2020-04-27 8 Students 7 Days 1 Ticking Time Bomb
The latest thriller by New York Times bestselling author Bob DeMoss Here Jodi and her classmates set sail on the Chesapeake Bay during Spring Break They were supposed to learn how to respect people whose beliefs clashed with their own while embracing diversity How could they know one passenger had come armed and was bent on bloody death or that they were in the pathway of a powerful storm Or that someone had disabled the radio to silence any calls for help How could they foresee that their boat had become a floating laboratory where truth and lies right and wrong would be tossed overboard Had they known they would never have left the safety of the dock Can they survive the storm Be sure to check out all four books in the Soul Survivor Series including All the Rave The Last Dance and Black Friday *The Mind Siege Project* Tim LaHaye, 2001 In the tradition of MTV's The Real World eight high school juniors volunteer for a week on a houseboat in the name of experimental education Rosie Meyer the former Olympic silver medallist turned social studies teacher dreams of her students learning first hand the realities of tolerance and diversity And learn they do Although the students sail for a single week the issues faced the truths uncovered and the lessons learned leave them changed for a lifetime Followed by six short Bible studies Tim LaHaye and Bob DeMoss offer a hands on guide for students who grapple with the unbelievable social pressures and tough choices that face teens in the twenty first century **Marks of the Beast** Glenn W. Shuck, 2005 The Left Behind series by Tim LaHaye and Jerry B Jenkins has become a popular culture phenomenon selling an astonishing 40 million copies to date These novels written by two well known evangelical Christians depict the experiences of those left behind in the aftermath of the Rapture when Christ removes true believers leaving everyone else to suffer seven years of Tribulation under Satan's proxy Antichrist In Marks of the Beast Shuck uncovers the reasons behind the books unprecedented appeal assessing why the novels have achieved a status within the evangelical community even greater than Hal Lindsey's 1970 blockbuster The Late Great Planet Earth It also explores what we can learn from them about evangelical Christianity in America Shuck finds that ironically the series not only reflects contemporary trends within conservative evangelicalism but also encourages readers especially evangelicals to embrace solutions that enact rather than engage their fears Most strikingly he shows how the ultimate vision put forth by the series authors inadvertently undermines itself as the series unfolds **The Edge of Darkness** Tim LaHaye, 2008-04-29 In the fourth novel in the Babylon Rising series biblical archaeologist Michael Murphy stumbles upon clues to an ancient evil as he follows a trail to the long lost temple of Dagon the deadly Philistine deity that is half human and half fish Babylon Rising: The Edge of Darkness Tim LaHaye, Bob Phillips, 2007-07-31 Tim LaHaye's most exciting series ever Babylon Rising continues with this explosive new installment including more revelations than ever before In The Edge of Darkness LaHaye reveals the meaning behind some of the most carefully guarded Biblical prophecies to expose a conspiracy with terrifying consequences for our modern world This time
