The Misadventures Of A Modern Day Gibson Girl:

The Misadventures of a "Modern Day" Gibson Girl Adam Dumphy, 2005-11-16 In the 1930 s every rural village in the U S had its own fixit man And contrary to Jack of all trades master of none he could fix anything and was a master of improvisation Also being in and out of the back door of every house in the district he knew more about his neighbors than most anyone At the same time period women were getting into law enforcement Take one of each and between them chasing each other through the mysteries of courtship add a mystery and you have the story While rarely agreeing on most things the disappearance of the town banker and of the cast iron merry go round pony from in front of the only antique store in town seemed as suspicious as minnows in the milk After stumbling into the vagaries of a number of the town s citizens they emerge well courted and could agree on the marriage and the murderer

Unveiling the Prophet Lucy Ferriss, 2005 In the autumn of 1972 Lucy Ferriss then a college student in California was preparing for the Veiled Prophet Ball at which she was to be presented to St Louis society Once the largest cotillion in the country the invitation only ball was unique among society events not only for the legend and mystery surrounding its namesake but also for its setting in a public taxpayer funded arena and for its accompanying parade In the late sixties and early seventies with racial tensions at a boiling point and urban renewal failing the exclusively white male Christian membership of the Veiled Prophet Society and the Veiled Prophet s costume eerily reminiscent of a Klansman s attracted the ire of ACTION a militant civil rights group Before the 1972 ball ACTION founder Percy Green himself a native St Louisan sent letters inviting all of the debutantes to join in the protest ACTION understands that you hate being part of this upcoming white racist Veiled Prophet Ball as we hate you being forced to participate by your parents The letter didn t persuade Ferriss who felt she owed it to her father to participate She wrote back Don t you have bigger fish to fry This is just a stupid party We are slaughtering people in Southeast Asia Let this one go It will fall of its own weight But ACTION did not let this one go On the night of the ball as Ferriss bowed in obeisance to the crowd and took her place on the stage a woman swooped down onto the stage and knocked off the Veiled Prophet s hat and veil revealing his identity In the era of monumental Vietnam War protests unmasking a wealthy and powerful old man might have seemed a feeble act of revolution but this act forever changed the Veiled Prophet Ball in St Louis Ferriss s memoir blends regional history national history and her own personal history to create a fast paced narrative that follows two time lines One is the dramatic and often funny story of her attending the exclusive ball having eaten half a pan of marijuana brownies beforehand with a Jewish hippie who smelled of unwashed beard The other story takes place thirty years later as Ferriss returns to St Louis from her home on the East Coast to track down some of ACTION s principal activists as well as key figures in the Veiled Prophet Society Over the course of this engaging story Ferriss undergoes her own unveiling as she discusses and comes to terms with her family the past present and future of St Louis and the cultural politics that frame young women s entrance into society

Eleanor's Pursuit H. Thomas Howell, 2014-12-01 When Eleanor Pendleton met

Louis M Ream in 1911 it was love at first sight She was a Broadway actress known for her beauty and dancing ability in musical comedy productions during the early twentieth century Louis was tall dark and handsome and as she soon discovered the youngest son and presumptive heir of Norman B Ream one of Americas wealthiest men The problem for Eleanor as she learned after eloping with Louis was her father in laws deep seated aversion to the theatre he regarded all actresses as disreputable After an overnight trip to seek his fathers forgiveness and understanding Louis disappeared A blend of history and melodrama H Thomas Howells *Eleanors Pursuit* offers the biographical legacy of Eleanor Pendleton It looks beneath the sensational newspaper coverage of 1911 to explore the confrontation between father and son and Eleanors anxious vigil while awaiting the return of her husband When Reams lawyer arrives at her apartment instead of Louis and informs her the marriage is over Eleanor collapses in disbelief The lawyers take center stage displacing the lovers Chronicling one of the biggest celebrity newspaper stories of its day *Eleanors Pursuit* follows the secret deal making sessions the stage managed travesty of justice and the ultimate courtroom battle These events come to life as the witnesses and lawyers reveal the private details in their own words Howell also tells how the public reacted to the story as it unfolded With surprises at every turn this biography explains the exceptional final stage of Eleanors pursuit *New York Magazine*, 1989-01-30 *New York Magazine* was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **New York Magazine**, 1980-06-30 *New York Magazine* was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Pioneers of "B" Television* Richard Irvin, 2022-11-11 As television grew more enticing for both viewers and filmmakers in the 1950s several independent film producers with knowledge of making low cost films and radio shows transferred their skills to producing shows for the small screen Rather than funding live programs that were popular at the time these producers saw the value in pre taped shows which created large financial returns through episode reruns This low cost high yield production model resulted in what are known and beloved as B television shows Part historical account and part filmography this book documents the careers of over a dozen B television producers It chronicles the rise of situation comedies and crime dramas and explores the minds behind popular shows like *My Little Margie* *The Lone Ranger* *Lassie* *Highway Patrol* and *Sea Hunt* Divided into 14 chapters of producer profiles this work is rich in both trivia and critical assessments of the first years of television A chapter detailing the work of early female television producers rounds out the

text *Tall Texas Teen Tales* John Chas. Gibson, 2015-03-25 As a poor kid growing up it was a challenge to have fun and not cost much if anything This book is specifically designed to let everybody know that fun doesn't have a price tag on it if an imagination and a warped sense of humor is part of the equation Anybody can have a ton of fun and make lifelong memories without getting into too much trouble O K some of these stories are stretched to the borders of reality but so what Put yourself in the 60s and remember some of the stuff you pulled As we go through the elementary school years then junior high and high school the fun gets more sophisticated This will not be done though without having the goofy and stupid element ever present If the warped sense of humor offends you in anyway please accept this apology and consider the source The magic of the 1960s along with a small West Texas group of kids is an experience Please consider the times compared to today's technology and society Back then parents were to be loved respected and feared Nowadays nobody knows the difference from beating a kid and spanking a kid What a shame Also there is a section about some of the cars back then the 50s and 60s was the absolute pinnacle of power and beautiful design Without the 60s the muscle cars of the 70s would not have been born Without the 60s our music of the 70s and future decades would not have the roots to grow Hippies draft dodgers moon walks and the whole culture of youth changed drastically then Teens came out of their controlled environment and grew in many directions Some good some not so good many of the top performers were overdosing on drugs But somehow we made it through the 60s no worse for the wear On the lighter side of growing up you can now enjoy this era Either by reading about it first hand or bringing your own memories and comparing them Either way it will be fun a lot of fun
