

The background is an abstract, textured composition. It features a large, dark green, textured shape in the upper center, resembling a leaf or a piece of organic material. This is surrounded by vibrant red and orange-red areas, which appear to be part of a larger, possibly floral or organic structure. The overall effect is one of intense, naturalistic energy.

The Modern State J. Frank Harrison,1983 *The Modern State* Frank Harrison,1981-08-01 *Modern State* Frank Harrison,1983-01-01 **Anarchism in Local Governance** Stephen Condit,2019-06-28 Through accounts of his experience as a local politician and elected once holder Stephen Condit examines in *Anarchism in Local Governance* how his anarchist convictions may have contributed to the administration of his community in a way that empowers citizens towards self governance and prefiguration of communal anarchist ideals The hypothesis is that municipal governance and anarchist thought and praxis can both benefit by this kind of encounter Condit also investigates the emergence of anarchism through citizen participation in civil society as a reality to which the municipality is accountable **From Bakunin to Lacan** Saul Newman,2007-01-01 In its comparison of anarchist and poststructuralist thought *From Bakunin to Lacan* contends that the most pressing political problem we face today is the proliferation and intensification of power Saul Newman targets the tendency of radical political theories and movements to reaffirm power and authority in different guises in their very attempt to overcome it In his examination of thinkers such as Bakunin Lacan Stirner and Foucault Newman explores important epistemological ontological and political questions Is the essential human subject the point of departure from which power and authority can be opposed Or is the humanist subject itself a site of domination that must be unmasked As it deftly charts this debate s paths of emergence in political thought the book illustrates how the question of essential identities defines and re defines the limits and possibilities of radical politics today *Democratic Theory and Technological Society* Richard B. Day,Ronald Beiner,Joseph Masciulli,2017-07-05 What are the chief challenges posed to contemporary democracy by modern technology and how can democratic theory best respond to or at least reflect on those challenges Inhabiting the kind of technologically advanced era in which we live what sources are available within political theory for theoretical insight concerning the problem of democratic engagement with technology The purpose of this volume is to canvas a broad range of theorists and theoretical traditions in order to address these questions including Hegel and Marx Rousseau and John Dewey Heidegger and Simone Weil Habermas and Walter Benjamin Hannah Arendt and Hans Jonas Commentaries on all these important thinkers focused on the issue of contemporary technology as posing unique social and political challenges for democratic political life yields rich and ambitious resources for theoretical reflection **Modern Science and Anarchy** Peter Kropotkin,2018-05-15 This was Peter Kropotkin s final book in which he theorizes about the development of the modern state and how modern science and technology can assist in freeing working people from capitalism First published in 1912 in France sections of this book have been translated and published in English as short books and pamphlets and journal articles but never as a whole work as Kropotkin intended More than 10 percent of this book has never before appeared in English Introduced and annotated by Iain McKay **Government and Politics - Volume I** Masashi Sekiguchi,2010-08-27 *Government and Politics* is the component of *Encyclopedia of Social Sciences and Humanities* in the global *Encyclopedia of Life Support*

Systems EOLSS which is an integrated compendium of twenty one Encyclopedias The Theme on Government and Politics in the Encyclopedia of Social Sciences and Humanities deals with the discipline of general and introductory descriptions on a wide range of political phenomena in rather conventional ways It covers the following topics The first two topics Forms and Modes of Government and Structures of Government deal with institutional and structural aspects of political phenomena The third topic Political Aspects of Government is about dynamic political processes The fourth Ideas and Ideologies in Politics investigates political thoughts and ideologies in the modern world The fifth topic International Politics intend to give readers an international perspective since contexts and systems which have international or transnational characters are obviously important background against which a political aspect of building a sustainable society must be considered These two volumes are aimed at the following five major target audiences University and College students Educators Professional practitioners Research personnel and Policy analysts managers and decision makers and NGOs

An Essay on the Modern State Christopher W. Morris, 2002-07-29 This important book is the first serious philosophical examination of the modern state It inquires into the justification of this particular form of political society It asks whether all states are nation states what are the alternative ways of organizing society and which conditions make a state legitimate The author concludes that while states can be legitimate they typically fail to have the powers e g sovereignty that they claim Christopher Morris has written a book that will command the attention of political philosophers political scientists legal theorists and specialists in international relations

The Political Theory of Anarchism April Carter, 2013-04-15 Anarchism is a significant but relatively neglected of political thought April Carter examines the anarchist critique of the state of bureaucracy of democratic government and contrasts this attitude with more orthodox political theory She also considers anarchist theories and social and economic organization the relevance of anarchism to contemporary conditions and the problems of idealism in politics
