Qazaq Pastoralists in Western Mongolia Peter Finke, 2023-08-31 Taking the case of Qazaq Pastoralists in Western Mongolia this book looks at the universal human requirement to balance individual flexibility and strategies designed to make a living with the social expectations that impose particular rules of conduct but also enable mutual trust and cooperation to emerge Pastoralists in Western Mongolia have experienced dramatic changes in recent decades including the dismantling of the socialist economy a series of natural disasters and an emigration of roughly half of the local Qazaq minority to the newly independent state of Qazaqstan Four aspects illustrate the chances and challenges that people face First is the emergence of the market as the dominant mode of production and exchange a thorny way full of uncertainties Second is the individual household and its adaptation to the new economic system creating new opportunities as well as precarities and resulting in rapid social stratification Thirdly patterns of pastoral land allocation highlight problems of collective action and institutional fragmentation in the wake of a retreating state apparatus Finally social networks of mutual support and cooperation constitute a key component of pastoral livelihood but are under great pressure due to short time horizons and a lack of trust The first longitudinal analysis of the Qazaqs in Mongolia in English and a contribution to anthropological theories on human adaptability and decision making economic and social inequalities institutional change and the difficulty of deriving at cooperative solutions this book will be a standard work and of interest to academics in the field of Central Asian Studies Anthropology Human Geography and Development Studies The Šabdan Baatır Codex, 2012-11-23 In The abdan Baatır Codex Daniel Prior presents the first complete edition translation and interpretation of a unique manuscript of early twentieth century Kirghiz poetry which includes detailed accounts of nineteenth century warfare Dedicated to the chief abdan Baatır the Codex occupies an illuminating position in a network of oral and written genres that encompassed epic poetry and genealogy panegyric and steppe oral historiography that echoed oral performance and aspired to print publishing The Codex's fresh articulation of concepts of Kirghiz self identification was incipiently national yet remained couched in traditional forms The Codex thus bridges the interval often glossed over in cultural histories between a supposedly archaic state of oral epic tradition and the afterlife of epics in modern ethno nationalist projects Uralic and Altaic Series G. M. H. Shoolbraid, 1975 This collection of essays and reviews represents the most significant and comprehensive writing on Shakespeare's A Comedy of Errors Miola's edited work also features a comprehensive critical history coupled with a full bibliography and photographs of major productions of the play from around the world In the collection there are five previously unpublished essays The topics covered in these new essays are women in the play the play's debt to contemporary theater its critical and performance histories in Germany and Japan the metrical variety of the play and the distinctly modern perspective on the play as containing dark and disturbing elements To compliment these new essays the collection features significant scholarship and commentary on The Comedy of Errors that is published in obscure

and difficult accessible journals newspapers and other sources This collection brings together these essays for the first time

The Mongolic Languages Juha Janhunen, 2006-01-27 Once the rulers of the largest land empire that has ever existed on earth the historical Mongols of Chinggis Khan left a linguistic heritage which today survives in the form of more than a dozen different languages collectively termed Mongolic For general linguistic theory the Mongolic languages offer interesting insights to problems of areal typology and structural change An understanding of the Mongolic language family is also a prerequisite for the study of Mongolian and Central Eurasian history and culture This volume is the first comprehensive treatment of the Mongolic languages in English written by an international team of specialists Cambridge History of China John K. Fairbank, Denis Twitchett, 1998 This volume of the Cambridge History of China considers the political military social and economic developments of the Ching empire to 1800 The period begins with the end of the resurgent Ming dynasty covered in volumes 7 and 8 and ends with the beginning of the collapse of the imperial system in the nineteenth century described in volume 10 Taken together the ten chapters elucidate the complexities of the dynamic interactions between emperors and their servitors between Manchus and non Manchu populations between various elite groups between competing regional interests between merchant networks and agricultural producers between rural and urban interests and at work among all these tensions between the old and new This volume presents the changes underway in this period prior to the advent of Western imperialist military power **Empire at the Margins** Pamela Kyle Crossley, Helen F.
