Bringing the Monster to Its Knees Ed Gruver, 2021-08-20 Bringing The Monster to its Knees Ben Hogan Oakland Hills and the 1951 U S Open is the first full length book on a victory that the four time U S Open champion always maintained was the most satisfying of his long and storied Hall of Fame career It fills an important void in previous books on Hogan's tournament play books covering his championship quests from Merion in 1950 to the Olympic Club in San Francisco in 1955 to Cherry Hills in 1960 The 1951 U S Open at Oakland Hills is unique in that it represents the first time the USGA deliberately altered a course for a championship a practice that became common in the years that followed and continues to this day The result was The Monster a creation of famed course architect Robert Trent Jones It remains the most infamous course layout in history and arguably the most torturous test ever presented to golfers anywhere Overcoming chronic pain that was a vestige of his near fatal car crash in 1949 a field filled with future Hall of Fame players and a course so devilish in its design that it was labeled Oakland Hells Hogan called his record setting final round 67 in the 51 Open the greatest round I have ever played He then issued one of the most famous quotes in sports history I'm glad I brought this course this monster to its knees
