

Mummy

My little girl

I know you'll be there too,
as quiet as the birds when the world
is all too noisy for you.

Oh how we'll dance
with our arms around each other,
and right now I want to hold you
so close I want to cry.

The Mummy In The Footsteps Of S:

The Mummy Moves Mary Gaunt, 1925 *The Essential Guide to Mummy Literature* Brian J. Frost, 2007-12-28 Few historical relics have exerted such a hold on our imaginations as the mummy In 1834 Thomas J Pettigrew's *A History of Egyptian Mummies* was the first scholarly work wholly devoted to the subject providing for its time a remarkable analysis of the different mummification techniques used by the ancient embalmers Such volumes of serious nonfiction have been supplemented over the years by additional works both scholarly and otherwise as well as works of fiction that incorporate and expand upon mummy lore Indeed the popular concept of the mummy as a malevolent monster dates back to the nineteenth century when stories about mummies rising from the dead to terrify the living first captured the imagination of the reading public and set the revived corpse on the path to becoming a major horror icon In *The Essential Guide to Mummy Literature* Brian J Frost provides the first in depth survey and bibliography of works of fiction featuring mummies In this comprehensive volume Frost traces the development of the mummy story paying particular attention to works by Victorian authors and pulp fiction writers as well as stories from the American pulp magazines The annotated bibliography provides synopses of all the key works of fiction in the mummy canon as well as others not so well known Full publication details for each entry with plot summaries of more than 500 works of fiction and abridged descriptions of 250 nonfiction books are provided Additionally a filmography is included along with listings of young adult novels children's storybooks and reference works for both adults and children Well organized and comprehensive *The Essential Guide to Mummy Literature* will appeal to devotees of the horror genre and students of popular literature as well as researchers and librarians
