s sister and it traces to a happy ending the conflicts in a young woman between adherence to Calvinistic rigor and her expression of preference in the choice of a marital partner The third novel Oldtown Folks 1869 confirms Stowe s genius for the realistic rendering of ordinary experience her talent for social portraiture with a keen satiric edge and her subtlety in exploring a wide group of themes from child rearing practices and religious controversy to romantic seduction and betrayal But finally it is the old town and a way of life that no longer exists that is the true subject of this elegiac novel LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation s literary heritage by publishing and keeping permanently in print America s best and most significant writing The Library of America series includes more than 300 volumes to date authoritative editions that average 1 000 pages in length feature cloth covers sewn bindings and ribbon markers and are printed on premium acid free paper that will last for centuries *The Ministers*
