

The Minstrels Of The Middle Ages

Richard Rastall, Andrew Taylor

The Minstrels Of The Middle Ages:

The Minstrels of the Middle Ages Edward L. Cutts, 2005-12-01 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia, and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high-quality modern editions that are true to the original work. *Minstrels and Minstrelsy in Late Medieval England* Richard Rastall, 2025-03-04 A major new study piecing together the intriguing but fragmentary evidence surrounding the lives of minstrels to highlight how these seemingly peripheral figures were keenly involved with all aspects of late medieval communities. Minstrels were a common sight and sound in the late Middle Ages. Aristocrats, knights, and ladies heard them on great occasions such as Edward I's wedding feast for his daughter Elizabeth in 1296, and in quieter moments in their chambers. Town dwellers heard and saw them in civic processions when their sound drew attention to the spectacle, and even in the countryside people heard them at weddings, church ales, and other parish celebrations. But who were the minstrels, and what did they do? How did they live, and how easily did they make a living? How did they perform, and in what conditions? The evidence is intriguing but fragmentary, including literary and iconographic sources, and most importantly, the financial records of royal and aristocratic households and of towns. These offer many insights, although they are often hard to fit into any coherent picture of the minstrels' lives and their place in society. It is easy to see the minstrels as peripheral figures, entertainers who had no central place in the medieval world. Yet they were full members of it, interacting with the ordinary people around them as well as with the ruling classes, carrying letters and important verbal messages, some lending huge sums of money to the king to finance Henry V's Agincourt campaign in 1415, for instance, some regular and necessary civic servants, some committing crimes or suffering the crimes of others. In this book, Rastall and Taylor bring to bear the available evidence to enlarge and enrich our view of the minstrel in late medieval society.

Minstrels and Minstrelsy in Late Medieval England Richard Rastall, Andrew Taylor, 2023 A major new study piecing together the intriguing but fragmentary evidence surrounding the lives of minstrels to highlight how these seemingly peripheral figures were keenly involved with all aspects of late medieval communities. Minstrel Melinda Lilly, 2003 An introduction to the music and life of a minstrel in Europe in the Middle Ages

Scenes and Characters of the Middle Ages Edward Lewes Cutts, 1872

Antiquity and the Middle Ages James McKinnon, 1990-12-01 From the series examining the development of music in specific places during particular times this book looks at ancient and medieval music from Classical and Christian antiquity to the emergence of the Gregorian chant and the medieval town and Court

Pleasure and Leisure in the Middle Ages and Early Modern Age Albrecht Classen, 2019-08-05 Jan Huizinga and Roger Caillois have already taught us to realize how important games and play have been for pre modern civilization Recent research has begun to acknowledge the fundamental importance of these aspects in cultural religious philosophical and literary terms This volume expands on the traditional approach still very much focused on the materiality of game toys cards dice falcons dolls etc and acknowledges that game constituted also a form of coming to terms with human existence in an unstable and volatile world determined by universal randomness and fortune Whether considering blessings or horse fighting falconry or card games playing with dice or dolls we can gain a much deeper understanding of medieval and early modern society when we consider how people pursued pleasure and how they structured their leisure time The contributions examine a wide gamut of approaches to pleasure considering health issues eroticism tournaments playing music reading and listening drinking alcohol gambling and throwing dice This large issue was also relevant of course in non Christian societies and constitutes a critical concern both for the past and the present because we are all homines ludentes
