Miracle Makers J. G. Thompson, 1975-01-01 **Our Lady of the Rock** Lisa M. Bitel, 2015-08-25 For more than twenty years Maria Paula Acu a has claimed to see the Virgin Mary once a month at a place called Our Lady of the Rock in the Mojave Desert of California Hundreds of men women and children follow her into the desert to watch her see what they cannot While she sees and speaks with the Virgin onlookers search the skies for signs from heaven snapping photographs of the sun and sky Not all of them are convinced that Maria Paula can see the Virgin yet at each vision event they watch for subtle clues to Mary s presence such as the unexpected scent of roses or a cloud in the shape of an angel The visionary depends on her audience to witness and authenticate her visions while observers rely on Maria Paula and the Virgin to create a sacred space and moment where they too can experience firsthand one of the oldest and most fundamental promises of Christianity direct contact with the divine Together visionary and witnesses negotiate and enact their monthly liturgy of revelations Our Lady of the Rock which features text by Lisa M Bitel and more than sixty photographs by Matt Gainer shows readers what happens in the Mojave Desert each month and tells us how two thousand years of Christian revelatory tradition prepared Maria Paula and her followers to meet in the desert Based on six years of observation and interviews chapters analyze the rituals iconographies and physical environment of Our Lady of the Rock Bitel and Gainer also provide vivid portraits of the pilgrims who they are where they come from and how they practice the traditional Christian discernment of spirits and visions Our Lady of the Rock follows three pilgrims as they return home with relics and proofs of visions where out of Maria Paula s sight they too have learned to see the Virgin The book also documents the public response from the Catholic Church and popular news media to Maria Paula and other contemporary visionaries Throughout Our Lady of the Rock locates Maria Paula and her followers in the context of recent demographic and cultural shifts in the American Southwest the astonishing increase in reported apparitions and miracles from around the world the latest developments in communications and visual technologies and the never ending debate among academics faith leaders scientists and citizen observers about sight perception reason and belief **In the Days of Love** Durlabh Singh, 2011-06-01 Description This is a love story about two heterosexual lovers from different social backgrounds and depicts their struggles to find a love that is more than fulfillment of their physical needs It ventures into their emotional poetical and metaphysical dimensions The story is set in Punjab and depicts the social conventions cultures and life styles of the land A clash of values between rich and poor between conventions and freedom It is the lovers quest for a personal meaning to their existence A love that defies any compromise of their convictions even unto death About the Author Durlabh Singh is a writer and an artist based in London England He has been published widely in over 300 publications worldwide His other publications include Chrome Red Collected Poems Spaces of Heart Illustrated Verse Kama Sutra of Love Collections of Short Stories Keeper of Reflections Other Stories In The Days of Love Novel Throughout his life he had to struggle against the odds Having lost his father at very

early age he had to take up the role of head of family being the only male member in the household Facing all the injustices of Indian social class system where he had to provide big dowries for marrying his sisters and getting into debts The things took turn for worse when he came to England as extreme racism was rampant there when he was constantly ridiculed and set upon by gangs of youths Landlords refused to rent him even a room and shopkeepers refused to serve He was subject to racial taunts in streets and at work He suffered number of physical attacks and partially lost sight of an eye as he was beaten in a busy London street That constant harassment eventually resulted in acute depression and a mental breakdown and as a result he was admitted to a mental hospital He took up painting and writing as a therapy and developed these arts where he could find easier to breath from constant atmosphere of suffocation It helped him to survive and keep his mental balance in finding transcendence and wider fields of human creativity People suffering from mental distress may find some solace in his works
