The Miracle Of Santas Beard:

The Miracle Santa's Beard Helen C. Mercurio, 1985-11-01 [A Miracle Under the Christmas Tree](#) Jennifer Basye Sander, 2012-10-16 There's something truly magical about Christmas. Filled with remarkable true stories of the kindness of strangers and the blessings of answered prayers, this collection with its small miracles truly captures the spirit of the season. These stories of hope, faith, and joy are a moving tribute to the true meaning of Christmas and remind us all that the greatest gifts in life can't be gift wrapped. [Up to Miracles](#) Zeynab Salimova, 2018-06-30 Alex is looking forward to the Christmas party but is a little disappointed when his parents tell him he has to look after his little sister Annie. Nonetheless, they attend the party near their home. However, when Alex insults Santa Claus, the brother and sister find themselves thrust into a world where fairy tales are real and miracles are just a part of everyday life. Alex suddenly finds himself in the role of guardian to his little sister and he must protect her throughout their long perilous journey through a strange world. As they make their way through an exotic magical world, they are surrounded by the weirdest of creatures: dragons, trolls, unicorns, witches, and queens. They learn that some are foes but others are friends. They find themselves shanghaied into a war between the queens of the four seasons: spring, summer, autumn, and winter. Even more eerie is the fact that many of those they meet seem to know all about them and why they ended up here in the first place. But no one is too willing to share this information with the siblings for how else would the children learn their lesson? Forced to grow up, Alex takes charge of the situation. He knows only two things for sure: that he is responsible for the safety and well-being of his little sister and that they have to find a way to return to their parents. It's not a small feat since they have no idea where they really are. Will they be able to find their way back home? Will they ever be allowed to return? Alex refuses to lose hope and Ann refuses to lose faith. They got here somehow, so there must be a way back, right. **The True Story of Santa Claus** Janet Giovanelli, 2020-10-13 He's a symbol of hope and happiness, of generosity and benevolence. Santa Clause is simply one of the most beloved legends ever embraced. The Story of Santa explores the history of Father Christmas. Who is he really? Where did he come from? His origins may surprise you. Why does he fulfill our wishes? And what can we learn from him? He's become a ubiquitous figure during the Christmas season with his white beard, red suit, and prominent belly, but just how much do those celebrating the happy holiday really know about Santa Claus? Here is the whole story from the beginning, including the pre-Santas like Sinterklaas, Father Christmas, and of course, St. Nicholas. This beautifully illustrated book celebrates all things Santa, ranging from the much-loved poem *The Night Before Christmas* to the songs, movies, images, and stories that are loved by both young and old. Along the way, it explores the favorite stories that have sprung up around him, including Santa's elves, his workshop, Santa's beloved reindeer, and the legend of Mrs. Claus and the North Pole abode where she and her husband make their home. You'll even learn the secret to how Santa has time to visit every house around the world in just one night; a mathematician explains how it's physically possible.
