The Mortal Messiah From Bethlehem To Calvary I 1:

The Mortal Messiah Bruce R. McConkie, 1979-09-01 *New Testament Study Guide, Pt. 1* Randal S. Chase, 2010-12-01
New Testament Study Guide Pt 1 The Life Ministry of Jesus Christ This volume is the first of three on the New Testament It covers the life of Christ from his premortal selection as the Lamb of God through His birth and childhood Then we follow the Master during the first year of His ministry as He is tempted baptized performs miracles selects Twelve Apostles and then teaches with parables and in the Sermon on the Mount During the second year of His ministry He teaches the Bread of Life sermon is transfigured and bestows priesthood keys to the Twelve He finishes the second year of His ministry at Jerusalem where He declares Himself to be the Light of the World the Son of God and the Messiah The cover features the classic image of The Sermon on the Mount painted by Carl Heinrich Bloch in 1890

The Three Nephites and Other Translated Beings Bruce E. Dana, 2022-12-23 Though there have been many translated beings seen on earth none seem to have captured the interest and intrigue of the Latter day Saint people as have the Three Nephites Through the scriptures and the words of General Authorities this well documented and easy to read book provides a wealth of historical information about translated beings information that is finally brought together under one cover

“This Is My Doctrine”: The Development of Mormon Theology Charles R. Harrell, 2011-08-05 The principal doctrines defining Mormonism today often bear little resemblance to those it started out with in the early 1830s This book shows that these doctrines did not originate in a vacuum but were rather prompted and informed by the religious culture from which Mormonism arose Early Mormons like their early Christian and even earlier Israelite predecessors brought with them their own varied culturally conditioned theological presuppositions a process of convergence and only later acquired a more distinctive theological outlook a process of differentiation In this first of its kind comprehensive treatment of the development of Mormon theology Charles Harrell traces the history of Latter day Saint doctrines from the times of the Old Testament to the present He describes how Mormonism has carried on the tradition of the biblical authors early Christians and later Protestants in reinterpreting scripture to accommodate new theological ideas while attempting to uphold the integrity and authority of the scriptures In the process he probes three questions How did Mormon doctrines develop What are the scriptural underpinnings of these doctrines And what do critical scholars make of these same scriptures In this enlightening study Harrell systematically peels back the doctrinal accretions of time to provide a fresh new look at Mormon theology This Is My Doctrine will provide those already versed in Mormonism s theological tradition with a new and richer perspective of Mormon theology Those unacquainted with Mormonism will gain an appreciation for how Mormon theology fits into the larger Jewish and Christian theological traditions

The Christmas Story Randal S. Chase, 2011-12-08 The Christmas Story Mary Joseph and the Baby Jesus from a Personal Perspective is a touching and essential telling of the familiar Christmas story Focusing on the personal lives of John the Baptist Joseph Mary the prophet Nephi in America and the Baby Jesus it reminds us of the extraordinary

faith and sacrifices of these key characters in the Nativity narrative Readers will be amazed at the faith and charity of Joseph toward Mary before he knew anything at all about the divine source of her conception They will be touched by the faith and obedience of the very young virgin Mary despite the threat of rejection and death They will be inspired by the faith of Nephi as he prayed from the coming of the Messiah to save the lives of his people in the Americas And they will gain a new appreciation of the condescension of the Mighty God the Prince of Peace in allowing Himself to be born in such a mean and lowly and filthy place Dr Randal S Chase a veteran CES and Institute instructor provides insights into these events that cannot be found anywhere else and he does so in a relaxed and understandable style Readers will find themselves gaining insights and understanding about this story of the Birth of Jesus that have eluded them before The cover features the beautiful painting of the Journey to Bethlehem by Joseph Brickey

Repentance: Refinement through the Mortal Journey Alan Ruppe, 2023-03-22 Repentance is one of the core tenets of the gospel but what does it truly mean Understanding the principle of repentance at a deeper level is often overshadowed by the simplistic reciting of the five step process of repentance 1 recognition 2 remorse 3 confession 4 restitution and 5 forgiveness But repenting is so much more than a checklist step in the process to get on the righteous path When confronted by a Primary child s innocent question about repentance author G Alan Ruppe realized that something was missing from his lifelong simplistic view of what it means to repent The intense research and spiritual revelation that stemmed from that awakening culminate in this insightful discussion about the nature of sincere divine repentance and forgiveness In Repentance Refining the Mortal Journey discover The historical definitions of biblical repentance and how translations over time have skewed our perception of this sacred practice The difference between sins and mortal mistakes when and why repentance is necessary and how repentance relates to our God given agency How to receive divine forgiveness and become once again clean and pure through the Atonement of Christ Real repentance the kind desired for us by our Heavenly Parents is an emotionally and spiritually painful process but it is a course that will help develop our repentance from an abstract perception to a genuine way of life A deeper understanding of its purpose will reveal avenues to stronger faith richer experiences and more profound joy as we journey through this mortal life

The Week of Atoning Sacrifice Randal S. Chase, 2014-04-16 The Week of Atoning Sacrifice For This Purpose Came I Into the World is a stirring summary of the most important week in the history of our Father s universe This is the week when Jesus Christ performed His act of mercy and grace that allows all of us to overcome all things and return to our Heavenly Father The story is told in a chronological narrative that adds context and meaning to the individual events of that final week Jesus enters Jerusalem triumphant with crowds shouting Hosanna But one week later those same crowds demanded that the Romans Crucify Him The intervening events show how Jesus ministered to the people healing and forgiving and teaching He cleansed the temple condemned the hypocrisy of Jerusalem s religious leaders and prophesied the destruction of the city and temple On the night before His crucifixion Jesus met with his disciples taught them and instituted

the ordinance of the sacrament Then He retreated to the Garden of Gethsemane where by some process that is beyond our comprehension He suffered for the sins sorrows disappointments disabilities pains and unjust circumstances of every living child of God in every part of our vast universe in every dispensation of time Jesus is then betrayed arrested and illegally tried He declares himself to the Son of God endures hateful and humiliating insults and is condemned to death He suffers unspeakable torture concluding with His being nailed to a cross He died ministered to the spirits in the Spirit World then rose from the dead He taught His disciples for 40 days then ascended into heaven with a promise that one day He would return in great power It was without doubt the most consequential week of human history Dr Randal S Chase a veteran CES and Institute instructor provides insights into these in a relaxed and understandable style Readers will find themselves gaining insights and understanding about the week of atoning sacrifice that may have eluded them before The cover features the stunning image of the crosses on Golgatha by Carl Bloch
