Every Day Should be Mother's Day Jennifer Basye Sander,2020-03-17 Celebrate the moms in your life and perhaps yourself as well After all they ve done for us moms everywhere deserve to be appreciated on a daily basis rather than waiting all year to get a card and some flowers Think back on the many things big and small your mother has done for you over the years from baking cookies or sometimes letting you choose the radio station on a car trip to hemming your dress in time for the prom Isn t it time you started making those same gestures in the other direction We think so It is never too early or for that matter too late to make a parent feel special Mother s Day has a long and storied history stretching back to its earliest

roots in the post Civil War era What began as one woman s attempt to help heal the grief of mothers who d lost sons on both sides of the fight and then became another woman s attempt to honor her own mother has morphed over the years into more of a commercial event Isn t it time we got back to the idea of making moms feel treasured and appreciated In these pages you ll find idea after idea that will encompass a wide variety of activities to get you thinking about how to make your mom feel special even if you don t live close by Go ahead and remember to buy that card and bring over some flowers on the actual Mother s Day but in the meantime here are some ways to make every day count **I Am What I Am** John
