We Built a Village Diane Rothbard Margolis,2022-08-23 Describes the development of one of the first cohousing communities in the U S offering a social understanding of its commons Cohousing a form of communal living that clusters around shared common space began about a half century ago in Denmark We Built a Village describes the process of planning and building of an early cohousing community in Cambridge Massachusetts and the way the people involved simultaneously built their homes and their social structure As both a memoir and a sociological analysis that probes the differences between commons and markets it is unique among books about cohousing When this group of people began in the late 1990s to construct their cohousing community they set in motion a counterpoint between the physical spaces and the social configurations that would guide their lives together even up to creative responses to the recent pandemic

The Cook's Garden Kevin West,2025-08-26 From the critically acclaimed author of Saving the Season comes an accessible comprehensive and inspiring guide to growing your own garden and incorporating homegrown produce into everyday cooking no matter how much or how little space you have For Kevin West the surest path to a successful garden leads through the kitchen door And preparing for a fantastic meal of homegrown vegetables the kind of meal that leaves you not only satisfied but grateful is just what he wants to help you learn to do In The Cook s Garden West gives readers the tools and confidence they need to grow food for

their own meals From gardening basics and advice on harvesting to delicious recipes showing how to make the best use of produce in any season including primers on freezing surplus vegetables making pantry staples such as canned tomatoes and effectively using stored produce this book promises to inspire anyone even if their growing plot is as small as a window box in a city apartment West's erudite yet practical guide is interwoven with meditations on the beauty poetry and spirituality inherent in growing and preparing one's own food The Cook's Garden guides readers through jumpstarting their gardens and revolutionizing their kitchens while also nourishing their minds and souls Organic Gardening for Everyone

CaliKim,2019-12-24 If you want to grow healthy vegetables at home but have hesitated because it seems too hard and time consuming Organic Gardening for Everyone is your perfect hands on guide and if I can do it you can do it case study that addresses your concerns and gets you started Loaded with practical advice and step by step guidance Organic Gardening for Everyone takes a very personal and friendly approach to a subject that can be intimidating It is a first class primer on organic vegetable gardening and an inspirational story about how anyone can balance the rigors of gardening with the demands of a modern family oriented lifestyle In 2012 a California mom decided to start an organic vegetable garden But she went about it in an unusual way she crowdsourced it by launching a YouTube channel under the name CaliKim and asking for help And then she started planting As questions came up she turned to her viewers and subscribers and they replied with answers and advice As she learned her garden grew successfully even in the hot harsh California climate Her expertise also grew and now she answers many more questions than she asks and has become a very accomplished home gardener And CaliKim has a great story to tell growing healthy organic vegetables for your family is not difficult even for today's time challenged lifestyles She provides complete step by step information on growing the most popular edibles organically and also gives sound advice on how to take on the challenges of balancing a hectic lifestyle with successful growing and how to involve the whole family in the process You'll be rewarded for your effort every time you place a plate of natural organic vegetables on the family dinner table knowing exactly what they are what is in them and where they came from Garden of Eve Mary A.

Agria,2011-04-01 Grief changes everything Devastated by the loss of her beloved Adam writer Eve Brennerman despairs of finding new ground upon which to rebuild her life And then one wintery morning Eve spots a rusty junker stranded outside the nursery she has inherited from Adam Fate Or coincidence Woman Mother Widow All true and yet those words do not define me My life is a work in progress And thus Eve starts out on a journey to bloom where she is planted A tender intelligent heartbreaking and joyous celebration of the circle of life and the seasons Sharon Lovejoy best selling author and illustrator of garden and nature books GARDEN OF EVE is the second novel in the LIFE IN THE GARDEN SERIES Hortus Miscellaneous Lorene Forkner,Linda Plato,2011-02-01 From the kinds of trees standing at Great Dixter to the 20 deadliest flowers to the best small garden animals according to the Indiana Department of Agriculture gardening is a pursuit with no end of information to sift through Where does botany start but with the naming and grouping of all flora List making is in the

gardener's blood and this volume of random facts data and wisdom will excite the Latin spouting garden geek as much as the arrival of the new Heronswood catalog Some of the entries will be wholly practical like the 15 ornamental plants that deer will not eat and others will be decidedly impractical such as the flower that adorns the grave of famed English gardener Gertrude Jekyll bergenia

Dress Coded Carrie Firestone, 2022-05-17 In this inspiring novel about girls using their collective power to improve their lives an eighth grader starts a podcast to protest the unfair dress code enforcement at her middle school and sparks a rebellion A much needed reminder that certain fights are worth fighting that while bears of all types may prowl unsettlingly close fear can be faced down and victories achieved especially with strength in numbers The New York Times Full of humor rage and heart shows how systemic change can be made when girls stand together Absolutely necessary for tweens and teens Booklist starred review Molly Frost is FED UP Because Olivia was yelled at for wearing a tank top Because Liza got dress coded and Molly didn't even though they were wearing the exact same outfit Because when Jessica was pulled over by the principal and missed a math quiz her teacher gave her an F Because it's impossible to find shorts that are longer than her fingertips Because girls' bodies are not a distraction Because middle school is hard enough And so Molly starts a podcast where girls can tell their stories and before long her small rebellion swells into a revolution Because now the girls are standing up for what's right and they're not backing down
