Resources in Education, 2001-10 *Creativity in Primary Education* Anthony Wilson, 2014-12-04 An alien spaceship crash landed in my playground today For one primary school in England this was not an ordinary day It was a fabulous day of inspiration writing drawing discovering and learning for the pupils the staff and the parents But the best thing of all The only truly out of the ordinary thing was the alien spaceship So how do you make creativity a more everyday part of primary teaching Teachers and trainees agree that creativity is a fabulous thing But to get creative approaches into everyday teaching you need to tackle the question what is creativity This book explores this question in an accessible and practical way It helps trainees to do more than know it when they see it by helping them to understand the separate and very diverse elements of creativity The third edition of this popular text retains key material but it has been updated and revised to include two new chapters on the creative curriculum along with links throughout to the Standards and the new National Curriculum This book will help you enhance your teaching so you and the children in your class can be fellow explorers adventurous discoverers and spontaneous investigators *Perspectives on Greek Musical Modernism* Eva

Mantzourani, Costas Tsougras, Petros Vouvaris, 2025-03-24 This is the first book to investigate systematically the diverse aspects and compositional approaches of Greek musical modernism The volume contributes to ongoing discussions about aesthetic modernism in general and the epistemological issues that pertain to its historiography especially with respect to challenging the centre periphery dichotomy that has previously informed its conceptual framework The book strikes a balance between offering thematically focused contributions and serving as a reference source for scholars interested in looking more thoroughly into unexamined or overlooked aspects of musical modernism To do so it encompasses a variety of case studies presented in a series of 13 chapters that cover a wide array of methodological approaches from historical and critical to analytical and philosophical These chapters are organised along the lines of a historical narrative that traces the reception of musical modernism in Greece ranging from downright rejection during the mid war period to affirmative institutionalisation in the post war years In this context the book will interest not only musicians musicologists and music theorists but also cultural historians and other scholars involved in studying the emergence development and dissemination of modernism worldwide **Musical News** ,1893
