Skid Row An Institutional Analysis

Ella Howard

Skid Row An Institutional Analysis:

Homeless Lives in American Cities P. Webb, 2014-08-07 Homeless Lives in American Cities explores how the American discourse on homelessness arose from Victorian social and political anxieties about the impacts of immigration and urbanization on the middle class family It demonstrates how contemporary social work and policy emerge from Victorian cultural attitudes

Resources in Education, 1986

The Hobo: The Sociology of the Homeless Man Nels Anderson, 2022-08-21 In The Hobo The Sociology of the Homeless Man Nels Anderson presents a pioneering sociological exploration of the transient individuals who populate America's railroads and urban landscapes during the early 20th century Anderson employs a blend of ethnographic observation and sociological analysis detailing the lived experiences beliefs and societal perceptions of hobos Through meticulous fieldwork and interviews he sheds light on the complex social structures within transient communities emphasizing themes of identity resilience and the interplay between individual agency and systemic forces The book is a seminal contribution to the sociology of homelessness contextualizing the hobo phenomenon against the backdrop of economic disparity and social change in America post World War I Nels Anderson a sociologist and hobo himself drew on his firsthand experiences and extensive field research to provide a voice to a marginalized population often overlooked by mainstream society His academic background and personal insights into the hobo lifestyle inform the critical lens through which he analyzes the social fabric surrounding these individuals This dual perspective lends authenticity to his findings making the work both informative and empathetic I highly recommend The Hobo The Sociology of the Homeless Man to readers interested in sociology social justice and the history of American subcultures Anderson's compassionate yet critical narrative urges us to reconsider preconceived notions about homelessness and invites a deeper understanding of the social forces that shape human lives In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work's timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era's events and influences that shaped the writing An Author Biography reveals milestones in the author's life illuminating the personal insights behind the text A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work's messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

Document Retrieval Index, 1976

Psychological and Social Factors in Drinking and Treatment and Treatment Evaluation Morris E. Chafetz, 1973

Homeless Ella Howard, 2013-02-21 Homeless explores the efforts of private and public institutions to solve the problem of homelessness by tracing the rise and fall of skid rows in America through the lens of New York's Bowery Crowded onto skid rows the homeless lived apart from the middle classes who saw them as an aberrant population

The

Federal Response to the Homeless Crisis United States. Congress. House. Committee on Government Operations. Intergovernmental Relations and Human Resources Subcommittee, 1985 Perspectives on Marginality: Understanding Deviance James R. McIntosh, 1974 **Research in Education**, 1974 *Homeless Not Hopeless* Edna Molina-Jackson, 2008-08-28 The importance of moving toward a national policy to end homelessness is crucial In this striking examination of the roles that homeless people and the U S government play in causing and curtailing the escalating phenomena of homelessness Edna Molina Jackson asserts that there is a great need to alter the socio economic structures that generate extreme and entrenched forms of poverty that lead to homelessness Homeless Not Hopeless explores the role social networks play in the daily survival of homeless Latino and African American men Using a qualitative research design author Molina Jackson observes how these men initiate participate in and maintain social networks and how these networks function The findings support a more empowering view of homeless men as active rational and competent actors engaged in negotiating their social world Members rely on social networks composed of a hierarchy of casual and intimate affiliations The networks of Americanized Latinos and African Americans facilitate their integration into a subculture of street life while those of recent immigrant Latinos revolve around their struggles to find work avoid deportation and enlist the support of paisanos

Summary of James Burnham's Suicide of the West Everest Media, 2022-05-16T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The history atlas I found was similar to this one published in 1921 but carried through only to 1929 It begins with maps of ancient Egypt under this that and the other dynasty and empire Then it moves on to maps of Persia prior to 700 B C and Macedonia 2 The Western civilization viewed through an unsentimental lens can be seen to have dominated the world in the fifteenth century It had burst from western Europe and the Mediterranean into Africa Asia the Americas Oceania and all the seas 3 The process of the political and geographic disintegration of the West began with Russia in 1917 What we mean by Western civilization may be defined in terms of the continuous development of a social formation that began in western Europe about the year A D 700 4 The shrinking of the West is a two fold phenomenon that consists of the ending of Western dominion over a non Western society and the ending of Western domination within a society and region that have been integral parts of Western civilization

Welfare Research Report, 1964 An Equal Place Scott L. Cummings, 2021-01-04 An Equal Place is a monumental study of the role of lawyers in the movement to challenge economic inequality in one of America s most unequal cities Los Angeles Breaking with the traditional focus on national civil rights history the book turns to the stories of contemporary lawyers on the front lines and behind the scenes who use law to reshape the meaning of low wage work in the local economy Covering a transformative period of L A history from the 1992 riots to the 2008 recession Scott Cummings presents an unflinching account of five pivotal campaigns in which lawyers ally with local movements to challenge the abuses of garment sweatshops the criminalization of day labor the gentrification of downtown retail the incursion of Wal Mart groceries and the

misclassification of port truck drivers Through these campaigns lawyers and activists define the city as a space for redefining work in vital industries transformed by deindustrialization outsourcing and immigration Organizing arises outside of traditional labor law powered by community labor and racial justice groups using levers of local government to ultimately change the nature of labor law itself Cummings shows that sophisticated legal strategy engaging yet extending beyond courts in which lawyers are equal partners in social movements is an indispensable part of the effort to make L A a more equal place Challenging accounts of lawyers negative impact on movements Cummings argues that the L A campaigns have achieved meaningful reform while strengthening the position of workers in local politics through legal innovation Dissecting the reasons for failure alongside the conditions for success this groundbreaking book illuminates the crucial role of lawyers in forging a new model of city building for the twenty first century *Research Grants Index* National Institutes of Health (U.S.). Division of Research Grants,1974

The Routledge Handbook on Spaces of Urban Politics Kevin Ward,Andrew E. G. Jonas,Byron Miller,David Wilson,2018-04-17 The Routledge Handbook on Spaces of Urban Politics provides a comprehensive statement and reference point for urban politics The scope of this handbook s coverage and contributions engages with and reflects upon the most important innovative and recent critical developments to the interdisciplinary field of urban politics drawing upon a range of examples from within and across the Global North and Global South This handbook is organized into nine interrelated sections with an introductory chapter setting out the rationale aims and structure of the Handbook and short introductory commentaries at the beginning of each part It questions the eliding of urban politics into the politics of the city reconsidering the usefulness of the distinction between old and new urban politics considering issues of class gender race and the ways in which they intersect appear and reappear in matters of urban politics how best to theorize the roles of capital the state and other actors such as social movements in the production of the city and finally issues of doing urban political research The various chapters explore the issues of urban politics of economic development environment and nature in the city governance and planning the politics of labour as well as living spaces The concluding sections of the Handbook examine the politics over alternative visions of cities of the future and provide concluding discussions and reflections particularly on the futures for urban politics in an increasingly global and multidisciplinary context With over forty five contributions from leading international scholars in the field this handbook provides critical reviews and appraisals of current conceptual and theoretical approaches and future developments in urban politics It is a key reference to all researchers and policy makers with an interest in urban politics

Women's Homelessness in Europe Paula Mayock,Joanne Bretherton,2017-02-08 This book marks a critical contribution in assessing and extending the evidence base on the causes and consequences of women s homelessness Drawing together work from Europe s leading homelessness scholars it presents a multidisciplinary and comparative analysis of this acute social problem including its relationship with domestic violence lone parenthood motherhood health and well being and women s experience of sustained and recurrent

homelessness Working from diverse perspectives the authors look at the responses to women s homelessness in differing cultures and regions and within various forms of welfare states They focus in particular on relating the gender dimensions of welfare and social policy to women s experiences when they become homeless This innovative and timely edited volume will appeal to students and scholars of sociology social policy anthropology and gender and women s studies along with international policy makers

Readings in Urban Analysis Robert W. Lake, 2017-07-05 This important work brings together a range of perspectives in contemporary urban analysis The field of urban analysis is characterized by the multiplicity of approaches philosophies and methodologies employed in the examination of urban structure and urban problems This fragmentation of perspectives is not simply a reflection of the multifaceted and complex nature of the city as subject matter Nor is it a function of the variety of disciplines such as geography planning economics history and sociology Cross cutting all of these issues and allegiances has been the emergence in recent years of a debate on fundamental issues of philosophy ideology and basic assumptions underlying the analysis of urban form and structure The notion of urban analysis Robert W Lake discusses focuses on the spatial structure of the city its causes and its consequences At issue is the city as a spatial fact a built environment with explicit characteristics and spatial dimensions a spatial distribution of population and land uses a nexus of locational decisions an interconnected system of locational advantages and disadvantages amenities and disamenities Beginning with landmark articles in neo classical and ecological theory the reader covers the latest departures and developments Separate sections cover political approaches to locational conflict institutional influences on urban form and recent Marxist approaches to urban analysis Among the topics included are community strategies in locational conflict the political economy of place the role of government and the courts institutional influences in the housing market and the relationship between urban form and capitalist development This is a valuable introductory text for courses in urban planning urban geography and urban sociology

The Contexts of Social Mobility Anselm L. Strauss, 2017-07-12 This book contains a major statement by one of America s most preeminent sociologists on what remains an important problem in American history and social analysis the nature and extent of movement within American society from one status to another The most important images of mobility involve self improvement by changing location going to the frontier coming to the big city and by changing social class second generation immigrants Almost all sociological and historical analysis has been limited to these themes Strauss extends the concept to a wide range of ideologies institutional contexts and social movements his analysis is based on a formal theory of status passage and develops a partial theory of mobility Strauss addresses a theme that underscores much of one strand of his work the changing articulation of individuals with their social structure and institutions The book follows on from the theoretical presuppositions of *Discovery of Grounded Theory* and the formal theory presented in *Status Passage* Strauss was continually concerned with American social and intellectual life in its historical and contemporary manifestations No one else has looked at the important phenomenon of mobility in this broad a

context and from this point of view The book remains important to those concerned with the social history of America and with problems of social change **Dissertation Abstracts** ,1960 Abstracts of dissertations and monographs in microform
