Sky Woman Falling:

Sky Woman Falling Kirk Mitchell, 2003 As their pool of suspects of all colors grows Anna and Emmett's own lives depend on Anna's instincts and her ability to see the line where myth and reality come together **BOOK JACKET Reasoning**

Together Craig S. Womack, Daniel Heath Justice, Christopher B. Teuton, 2008 A paradigm shift in American Indian literary criticism **The Great Law and the Longhouse** William Nelson Fenton, 1998 The Great Law a living tradition among the conservative Iroquois is sustained by celebrating the condolence ceremony when they mourn a dead chief and install his successor for life on good behavior This ritual act reaching back to the dawn of history maintains the League of the Iroquois the legendary form of government that gave way over time to the Iroquois Confederacy Fenton verifies historical accounts from his own long experience of Iroquois society so that his political ethnography extends into the twentieth century as he considers in detail the relationship between customs and events His main argument is the remarkable continuity of Iroquois political tradition in the face of military defeat depopulation territorial loss and acculturation to European technology

Patricia Ann Lynch, 2004-01-01 Features over four hundred entries that explore such topics as the core beliefs of various tribes creation accounts and recurrent themes throughout North American native cultures The beliefs of many Native American peoples emphasize a close relationship between people and the natural world including geographical features such as mountains and lakes and animals such as whales and bison Therefore many of the myths of these peoples are stories of strange occurrences where animals or forces of nature and people interact These stories are full of vitality and have captured the attention of young people in many cases for centuries Native American Mythology A to Z presents detailed coverage of the deities legendary heroes and heroines important animals objects and places that make up the mythic lore of the many peoples of North America from northern Mexico into the Arctic Circle A comprehensive reference written for young people and illustrated throughout this volume brings to life many Native American myths traditions and beliefs Offering an in depth look at various aspects of Native American myths that are often left unexplained in other books on the subject this book is a valuable tool for anyone interested in learning more about various Native American cultures Coverage includes creation accounts from many Native American cultures influences on and development of Native American mythology the effects of geographic region environment and climate on myths core beliefs of numerous tribes recurrent themes in myths throughout the continent The beliefs of many Native American peoples emphasize a close relationship between people and the natural world *Iroquoian Women* Barbara Alice Mann, 2000 Iroquoian Women The Gantowisas provides a thorough organized look at the social political economic and religious roles of women among the Iroquois explaining their fit with the larger culture Gantowisas means more than simply woman gantowisas is woman acting in her official capacity as fire keeping woman faith keeping woman gift giving woman leader counselor judge Mother of the People This is the light in which the reader will find her in Iroquoian Women Barbara Alice Mann draws upon worthy sources be they early or modern oral or written to present a

Native American point of view that insists upon accuracy not only in raw reporting but also in analysis *Iroquoian Women* is the first book length study to regard Iroquoian women as central and indispensable to Iroquoian studies *Fallen Forests* Karen L. Kilcup, 2013-05-01 In 1844 Lydia Sigourney asserted Man's warfare on the trees is terrible Like Sigourney many American women of her day engaged with such issues as sustainability resource wars globalization voluntary simplicity Christian ecology and environmental justice Illuminating the foundations for contemporary women's environmental writing *Fallen Forests* shows how their nineteenth century predecessors marshaled powerful affective ethical and spiritual resources to chastise educate and motivate readers to engage in positive social change *Fallen Forests* contributes to scholarship in American women's writing ecofeminism ecocriticism and feminist rhetoric expanding the literary historical and theoretical grounds for some of today's most pressing environmental debates Karen L Kilcup rejects prior critical emphases on sentimentalism to show how women writers have drawn on their literary emotional intelligence to raise readers' consciousness about social and environmental issues She also critiques ecocriticism's idealizing tendency which has elided women's complicity in agendas that depart from today's environmental orthodoxies Unlike previous ecocritical works *Fallen Forests* includes marginalized texts by African American Native American Mexican American working class and non Protestant women Kilcup also enlarges ecocriticism's genre foundations showing how Cherokee oratory travel writing slave narrative diary polemic sketches novels poetry and expos intervene in important environmental debates **Global Humanities Reader** Renuka Gusain, Keya Maitra, Katherine C. Zubko, 2022-01-01 The *Global Humanities Reader* is a collaboratively edited collection of primary sources with student centered support features It serves as the core curriculum of the University of North Carolina Asheville's almost sixty year old interdisciplinary Humanities Program Its three volumes *Engaging Ancient Worlds and Perspectives* Volume 1 *Engaging Premodern Worlds and Perspectives* Volume 2 and *Engaging Modern Worlds and Perspectives* Volume 3 offer accessible ways to explore facets of human subjectivity and interconnectedness across cultures times and places In highlighting the struggles and resilient strategies for surviving and thriving from multiple perspectives and positionalities and through diverse voices these volumes course correct from humanities textbooks that remain Western centric One of the main features of the *The Global Humanities Reader* is a sustained and nuanced focus on cultivating the ability to ask questions to inquire while enhancing culturally aware reflective and interdisciplinary engagements with the materials The editorial team created a thoroughly interactive text with the following unique features that work together to actualize student success Cross cultural historical introductions to each volume Comprehensive and source specific timelines highlighting periods events and people around the world An introduction for each source with bolded key terms and questions to facilitate active engagement Primed and Ready questions PARs questions just before and after a reading that activate students own knowledge and skills Inquiry Corner questions consisting of four types Content Comparative Critical and Connection Beyond the Classroom explore how ideas

Vail Fletcher,Alexa M. Dare,2021-02-04 The purpose of Communicating in the Anthropocene Intimate Relations is to tell a different story about the world Humans especially those raised in Western traditions have long told stories about themselves as individual protagonists who act with varying degrees of free will against a background of mute supporting characters and inert landscapes Humans can be either saviors or destroyers but our actions are explained and judged again and again as emanating from the individual And yet as the coronavirus pandemic has made clear humans are unavoidably interconnected not only with other humans but with nonhuman and more than human others with whom we share space and time Why do so many of us humans avoid deny or resist a view of the world where our lives are made possible maybe even made richer through connection In this volume we suggest a view of communication as intimacy We use this concept as a provocation for thinking about how we humans are in an always already state of being in relation with other humans nonhumans and the land Women in the New Millennium Anne R. Breneman,Rebecca N. Mbuh,2006-02-28 In this dynamic analysis of the gender revolution authors Anne Breneman and Rebecca Mbuh create a platform for scholars from a variety of cultures to reflect upon their experiences as women and men in gendered cultures and upon their visions of prospects for gender equality and empowerment Conceived during the United Nation s Fourth World Women s Conference in 1995 and continued during the Beijing 5 conference in 2000 this work represents the culmination of a ten year project involving women from China Sweden Korea Cameroon Indonesia South Africa and the USA Organized in five parts Beginning Women Awakening Women Arising Hazards of Growing up Female and Reflections and Prospects Women in the New Millennium includes perspectives in the form of scholarship historical narratives and interview materials aimed at

contributing to public awareness of the global nature of the gender revolution With their analyses and examples of the expanding gender revolution Breneman and Mbuh seek to stimulate an interdisciplinary international dialogue that leads to the further creation of action plans and will ultimately contribute to the empowerment of women and the equality of women and men in the new millennium

Crosstalk Diana Brydon, Marta Dvořák, 2012-07-24 What are the fictions that shape Canadian engagements with the global What frictions emerge from these encounters In negotiating aesthetic and political approaches to Canadian cultural production within contexts of global circulation this collection argues for the value of attending to narratorial lyric and theatrical conventions in dialogue with questions of epistemological and social justice Using the twinned framing devices of crosstalk and cross sighting the contributing authors attend to how the interplay of the verbal and the visual maps public spheres of creative engagement today Individual chapters present a range of methodological approaches to understanding national culture and creative labour in global contexts Through their collective enactment of methodological crosstalk they demonstrate the productivity of scholarly debate across differences of outlook culture and training In highlighting convergences and disagreements the book sharpens our understanding of how literary and critical conventions and theories operate within and across cultures

Religion, Women of Color, and the Suffrage Movement Simon Mary Asele A. Ahiokhai, 2024-04-08 The year 2020 marks the centenary of the passing of the 19th Amendment that allowed for women in the United States to vote The strategic struggle of women demanding equal dignity and the right to vote in the United States helped to shed light on the systemic evils that have plagued the collective history of the country Ideologies of racism genderism classism and many more were and continue to be used to deny women their dignities both in the United States and in other parts of the world This work sheds light on the intersectionality of religion class gender philosophy theology and culture as they shape the experiences of women especially women of color A fundamental question that this volume aims to address is What does it mean to be a woman of color in a world where systems of erasure dominate The title of this volume is meant to showcase a deliberate engagement with the uncelebrated insights and perspectives of women of color in a world where systemic discrimination persists and to articulate new strategies and paradigms for recognizing their contributions to the broader struggles for freedom and equity of women in our world

Native American Spirit Beings Jeanne Nagle, 2014-07-15 Native American spirituality is as rich and varied as the cultures wherein it is practiced Unlike the ancient Greeks and Romans who worshipped divine gods and goddesses the indigenous people of North America revere a variety of non deity spirit beings which are entities with mystical powers The crux of Native American spirituality and detailed entries regarding some of the most intriguing spirit beings are discussed in this book Detailed material on Native American religious traditions beliefs by culture area and a complete chapter on nature worship are included in this informative package

Sources and Methods in Indigenous Studies Chris Andersen, Jean M. O'Brien, 2016-12-19 *Sources and Methods in Indigenous Studies* is a synthesis of changes and innovations in methodologies

in Indigenous Studies focusing on sources over a broad chronological and geographical range Written by a group of highly respected Indigenous Studies scholars from across an array of disciplines this collection offers insight into the methodological approaches contributors take to research and how these methods have developed in recent years The book has a two part structure that looks firstly at the theoretical and disciplinary movement of Indigenous Studies within history literature anthropology and the social sciences Chapters in this section reveal that while engaging with other disciplines Indigenous Studies has forged its own intellectual path by borrowing and innovating from other fields In part two the book examines the many different areas with which sources for indigenous history have been engaged including the importance of family gender feminism and sexuality as well as various elements of expressive culture such as material culture literature and museums Together the chapters offer readers an overview of the dynamic state of the field in Indigenous Studies This book shines a spotlight on the ways in which scholarship is transforming Indigenous Studies in methodologically innovative and exciting ways and will be essential reading for students and scholars in the field *Performing the Intercultural City* Ric Knowles, 2017-09-12 In 1971 Canada became the first country to adopt an official policy of multiculturalism *Performing the Intercultural City* explores how Toronto a representative global city in this multicultural country stages diversity through its many intercultural theater companies and troupes The book begins with a theoretical introduction to theatrical interculturalism Subsequent chapters outline the historical and political context within which intercultural performance takes place examine the ways in which Indigenous Filipino and Afro Caribbean Canadian theater has developed play structures based on culturally specific forms of expression and explore the ways that intercultural companies have used intermediality modernist form and intercultural discourse to mediate across cultures *Performing the Intercultural City* will appeal to scholars artists and the theater going public including those in theater and performance studies urban studies critical multiculturalism studies diaspora studies critical cosmopolitanism studies critical race theory and cultural studies

Being Again of One Mind Lina Sunseri, 2010-11-21 *Being Again of One Mind* combines the narratives of Oneida women of various generations with a critical reading of feminist literature on nationalism to reveal that some Indigenous women view nationalism in the form of decolonization as a way to restore traditional gender balance and well being to their own lives and communities By giving a voice to Oneida women s thoughts on tradition and nation this book challenges mainstream feminist ideas about the masculine bias of Western theories of nation and about the dangers of nationalist movements that idealize women s so called traditional role Lina Sunseri shows that feminist insights although useful to many women s and feminist groups cannot be applied universally to all women or to societies with traditional forms of nation based on good relations between men and women Oneida women do not view nationalism as a threat but rather as a way for women and men to be again of one mind *Religion and Culture in Native America* Suzanne Crawford O'Brien, 2020-03-10 *Religion and Culture in Native America* presents an introduction to a diverse array of Indigenous religious and cultural practices in North

America focusing on those issues in which tribal communities themselves are currently invested These topics include climate change water rights the protection of sacred places the reclaiming of Indigenous foods health and wellness social justice and the safety of Indigenous women and girls Locating such contemporary challenges within their historical religious and cultural contexts illuminates how Native communities responses to such issues are not simply political but deeply spiritual informed by sacred traditions ethical principles and profound truths In collaboration with renowned ethnographer and scholar of Native American religious traditions In s Talamantez Suzanne Crawford O'Brien abandons classical categories typically found in religious studies textbooks and challenges essentialist notions of Native American cultures to explore the complexities of Native North American life Key features of this text include Consideration of Indigenous religious traditions within their historical political and cultural contexts Thematic organization emphasizing the concerns and commitments of contemporary tribal communities Maps and images that help to locate tribal communities and illustrate key themes Recommendations for further reading and research Written in an engaging narrative style this book makes an ideal text for undergraduate courses in Native American Religions Religion and Ecology Indigenous Religions and World Religions Iroquois Corn in a Culture-Based Curriculum Carol Cornelius, 1999-01-01 Provides a framework and an example for studying diverse cultures in a respectful manner using the thematic focus of corn to examine the Haudenosaunee Iroquois culture **The Great American Mosaic** Gary Y. Okihiro, Lionel C. Bascom, James E. Seelye Jr., Emily Moberg Robinson, Guadalupe Compeán, 2014-09-30 Firsthand sources are brought together to illuminate the diversity of American history in a unique way by sharing the perspectives of people of color who participated in landmark events This invaluable four volume compilation is a comprehensive source of documents that give voice to those who comprise the American mosaic illustrating the experiences of racial and ethnic minorities in the United States Each volume focuses on a major racial ethnic group African Americans American Indians Asian Americans and Pacific Islanders and Latinos Documents chosen by the editors for their utility and relevance to popular areas of study are organized into chronological periods from historical to contemporary The collection includes eyewitness accounts legislation speeches and interviews Together they tell the story of America's diverse population and enable readers to explore historical concepts and contexts from multiple viewpoints Introductions for each volume and primary document provide background and history that help students understand and critique the material The work also features a useful primary document guide bibliographies and indices to aid teachers librarians and students in class work and research
