

Slavery In Britain

John R. Oldfield

Slavery In Britain:

Slavery and the British Empire Kenneth Morgan, 2007-12-06 This is an introduction to the entire history of British involvement with slavery and the slave trade which especially focuses on the two centuries from 1650 and covers the Atlantic world especially North America and the West Indies as well as the Cape Colony Mauritius and India

Black Ivory James Walvin, 1994 The brutal story of African slavery in the British colonies of the West Indies and North America is told with clarity and compassion in this classic history James Walvin explores the experiences which bound together slaves from diverse African backgrounds and explains how slavery transformed the tastes and economy of the Western world Although written for readers with no prior knowledge of the subject Walvin's account is based on detailed scholarship drawing on a body of work from the USA the West Indies and Britain All aspects of African slavery up to 1776 are covered the situation of women flight and rebellion disease and death the conditions on the slave ships the abolition campaign and much more The narrative is enlivened and personalised by frequent reference to individual lives For this revised edition the author has incorporated recent scholarly findings and updated the notes and bibliography in order to keep the book current

After Abolition Marika Sherwood, 2007-02-23 With the abolition of the slave trade in 1807 and the Emancipation Act of 1833 Britain seemed to wash its hands of slavery Not so according to Marika Sherwood who sets the record straight in this provocative new book In fact Sherwood demonstrates that Britain continued to contribute to the slave trade well after 1807 even into the twentieth century Drawing on government documents and contemporary reports as well as published sources she describes how slavery remained very much a part of British investment commerce and empire especially in funding and supplying goods for the trade in slaves and in the use of slave grown produce The nancial world of the City in London also depended on slavery which directly and indirectly provided employment for millions of people After Abolition also examines some of the causes and repercussions of continued British involvement in slavery and describes many of the apparently respectable villains as well as the heroes connected with the trade at all levels of society It contains important revelations about a darker side of British history previously unexplored which will provoke real questions about Britain's perceptions of its past

Proslavery Britain Paula E. Dumas, 2016-03-15 This book tells the untold story of the fight to defend slavery in the British Empire Drawing on a wide range of sources from art poetry and literature to propaganda scientific studies and parliamentary papers Proslavery Britain explores the many ways in which slavery's defenders helped shape the processes of abolition and emancipation It finds that proslavery arguments and rhetoric were carefully crafted to justify slavery defend the colonies and attack the abolition movement at the height of the slavery debates

Econocide Seymour Drescher, 2010-08-30 In this classic analysis and refutation of Eric Williams's 1944 thesis Seymour Drescher argues that Britain's abolition of the slave trade in 1807 resulted not from the diminishing value of slavery for Great Britain but instead from the British public's mobilization against the slave trade which forced London to commit what Drescher terms econocide This action he argues

was detrimental to Britain's economic interests at a time when British slavery was actually at the height of its potential. Originally published in 1977, Drescher's work was instrumental in undermining the economic determinist interpretation of abolitionism that had dominated historical discourse for decades following World War II. For this second edition, which includes a foreword by David Brion Davis, Drescher has written a new preface reflecting on the historiography of the British slave trade since this book's original publication.

Legacies of British Slave-ownership Catherine Hall, 2014-08-28. This book puts the legacies of slavery squarely back into modern British history.

Britain's Slave Empire James Walvin, 2000. The author re-tells the story of how the international commodity market in slaves operated, how transportation over 1000s of miles by ship was possible, and the trading rules. He also presents an account of the course of Britain's cultural life.

Discourses of Slavery and Abolition B. Carey, M. Ellis, S. Salih, 2004-05-25. *Discourses of Slavery and Abolition* brings together for the first time the most important strands of current thinking on the relationship between slavery and categories of writing, oratory, and visual culture in the long Eighteenth century. The book begins by examining writing about slavery and race by both philosophers and by authors such as Aphra Behn. It considers self-representation in the works of Ignatius Sancho, Olaudah Equiano, James Williams, and Mary Prince. The final section reads literary and cultural texts associated with the abolition movements of the Eighteenth and Nineteenth centuries, moving beyond traditional accounts of the documents of that movement to show the importance of religious writing, children's literature, and the relationship between art and abolition.

The British Transatlantic Slave Trade Vol 1 Kenneth Morgan, Robin Law, David Ryden, J. R. Oldfield, 2022-01-26. Contains primary texts relating to the British slave trade in the 17th and 18th century. The first volume contains two 18th-century texts covering the slave trade in Africa. Volume two focuses on the work of the Royal African Company, and volumes three and four focus on the abolitionists' struggle.

The slave colonies of Great Britain; or A picture of negro slavery drawn by the colonists themselves; being an abstract of the various papers recently laid before Parliament on that subject Society for the Mitigation and Gradual Abolition of Slavery Throughout the British Dominions, 1826.

The Legacy of Slavery in Britain Nigel Sadler, 2018-10-15. Author Nigel Sadler challenges misconceptions of the built British landscape and shows how profits from slavery went into the construction of many iconic buildings.

Women Against Slavery Clare Midgley, 2004-08-02. This comprehensive study of women anti-slavery campaigners fills a serious gap in abolitionist history. Covering all stages of the campaign, *Women Against Slavery* uses hitherto neglected sources to build up a vivid picture of the lives, words, and actions of the women who were involved and their distinctive contribution to the abolitionist movement. It looks at the way women's participation influenced the organisation, activities, policy, and ideology of the campaign and analyses the impact of female activism on women's own attitudes to their social roles and their participation in public life. Exploring the vital role played by gender in shaping the movement as a whole, this book makes an important contribution to the debate on race and gender.

British Capitalism and Caribbean Slavery Barbara Lewis

Solow, Stanley L. Engerman, 2004-07-08 The proceedings of a conference on Caribbean slavery and British capitalism are recorded in this volume Convened in 1984 the conference considered the scholarship of Eric Williams his legacy in this field of historical research

Slave Empire Padraic X. Scanlan, 2020-11-26 Engrossing and powerful rich and thought provoking Fara Dabhoiwala Guardian Path breaking a major rewriting of history Mihir Bose Irish Times Slave Empire is lucid elegant and forensic It deals with appalling horrors in cool and convincing prose The Economist The British empire in sentimental myth was more free more just and more fair than its rivals But this claim that the British empire was free and that for all its flaws it promised liberty to all its subjects was never true The British empire was built on slavery Slave Empire puts enslaved people at the centre the British empire in the eighteenth and nineteenth centuries In intimate human detail Padraic Scanlon shows how British imperial power and industrial capitalism were inextricable from plantation slavery With vivid original research and careful synthesis of innovative historical scholarship Slave Empire shows that British freedom and British slavery were made together

Popular Politics and British Anti-slavery John R. Oldfield, 1998 This work explains how the expression of support for black people in 1792 when 400 000 people called for the abolition of the slave trade was organized and orchestrated and how it contributed to the growth of popular politics in Britain

The ^AMighty Experiment Seymour Drescher, 2004-10-14 By the mid eighteenth century the transatlantic slave trade was considered to be a necessary and stabilizing factor in the capitalist economies of Europe and the expanding Americas Britain was the most influential power in this system which seemed to have the potential for unbounded growth In 1833 the British empire became the first to liberate its slaves and then to become a driving force toward global emancipation There has been endless debate over the reasons behind this decision This has been portrayed on the one hand as a rational disinvestment in a foundering overseas system and on the other as the most expensive per capita expenditure for colonial reform in modern history In this work Seymour Drescher argues that the plan to end British slavery rather than being a timely escape from a failing system was on the contrary the crucial element in the greatest humanitarian achievement of all time The Mighty Experiment explores how politicians colonial bureaucrats pamphleteers and scholars taking anti slavery positions validated their claims through rational scientific arguments going beyond moral and polemical rhetoric and how the infiltration of the social sciences into this political debate was designed to minimize agitation on both sides and provide common ground Those at the inception of the social sciences such as Adam Smith and Thomas Malthus helped to develop these tools to create an argument that touched on issues of demography racism and political economy By the time British emancipation became legislation it was being treated as a massive social experiment whose designs many thought had the potential to change the world This study outlines the relationship of economic growth to moral issues in regard to slavery and will appeal to scholars of British history nineteenth century imperial history the history of slavery and those interested in the history of human rights The Mighty Experiment was the winner of First Prize Frederick Douglass Book Prize Gilder Lehrman Center for the Study of Slavery

Resistance and Abolition **SLAVERY : BRITAIN'S BURIED HISTORY** Brian Phokeerdoss ,2024-12-21 In the quiet corners of British history lies a shadowed legacy the uncomfortable truth of our nation s involvement in the TRANSATLANTIC SLAVE TRADE For centuries millions of African lives were uprooted shackled and transported across the Atlantic their suffering woven into the very fabric of Britain s prosperity Yet this history remains obscured buried beneath layers of denial guilt and selective memory As we walk the cobbled streets of London gaze upon grand statues and admire historic buildings we often forget the blood soaked roots that nourished our empire In this book I embark on a quest a quest to unearth the hidden narratives the silenced voices and the forgotten faces Together we ll peel back the layers of time revealing the uncomfortable truths that many would rather ignore Brace yourself for we ll delve into the heart of darkness the middle passage the plantations and the lives lost This book will explore the lesser known aspects of Britain s involvement in the transatlantic slave trade and the system of slavery that existed in the country for centuries The book delves into the lives of enslaved individuals in Britain from the early days of the trade in the 16th century to its eventual abolition in the 19th century It explores the economic and social impact of slavery on the country as well as the resistance and activism of enslaved individuals and abolitionists Through primary sources personal accounts and historical records **SLAVERY BRITAIN S HIDDEN HISTORY** sheds light on a dark period of British history that has often been overlooked or downplayed It aims to challenge perceptions and foster a deeper understanding of the legacy of slavery in Britain today **Britain and the Slave Trade** Heinemann Staff,Rosemary Rees,1996 What was the slave trade Life for black slaves Slave merchants Reasons why the slave trade was abolished Toussaint L Overture William Wilberforce British attempts to abolish slavery *The Interest* Michael Taylor,2020-11-05 Discover how the campaign to end slavery divided Britain and was almost thwarted by some of the most powerful and famous figures of the era **SHORTLISTED FOR THE ORWELL PRIZE FOR POLITICAL WRITING** In 1807 Parliament outlawed the slave trade in the British Empire But for the next 25 years more than 700 000 people remained enslaved due to the immensely powerful pro slavery group the West India Interest This ground breaking history discloses the extent to which the Interest were supported by nearly every figure of the British establishment fighting not to abolish slavery but to maintain it for profit Gripping and unflinching *The Interest* is the long overdue expos of one of Britain s darkest most turbulent times **A DAILY TELEGRAPH BOOK OF THE YEAR** Scintillating compulsively readable Guardian A magnificent book riveting Evening Standard A critical piece of history and a devastating expos Shashi Tharoor author of *Inglorious Empire* Thoroughly researched and potent David Lammy MP Essential reading Simon Sebag Montefiore **Invoking Slavery in the Eighteenth-Century British Imagination** Srividhya Swaminathan,Adam R. Beach,2016-05-06 In the eighteenth century audiences in Great Britain understood the term slavery to refer to a range of physical and metaphysical conditions beyond the transatlantic slave trade Literary representations of slavery encompassed tales of Barbary captivity the exotic slaving practices of the Ottoman Empire the political enslavement practiced by government or church and even the harsh life

of servants under a cruel master Arguing that literary and cultural studies have focused too narrowly on slavery as a term that refers almost exclusively to the race based chattel enslavement of sub Saharan Africans transported to the New World the contributors suggest that these analyses foreclose deeper discussion of other associations of the term They suggest that the term slavery became a powerful rhetorical device for helping British audiences gain a new perspective on their own position with respect to their government and the global sphere Far from eliding the real and important differences between slave systems operating in the Atlantic world this collection is a starting point for understanding how slavery as a concept came to encompass many forms of unfree labor and metaphorical bondage precisely because of the power of association

Whispering the Techniques of Language: An Mental Quest through **Slavery In Britain**

In a digitally-driven world where displays reign supreme and immediate communication drowns out the subtleties of language, the profound secrets and emotional nuances concealed within words frequently go unheard. Yet, set within the pages of **Slavery In Britain** a fascinating fictional treasure blinking with organic emotions, lies an extraordinary quest waiting to be undertaken. Published by a skilled wordsmith, that charming opus invites readers on an introspective journey, delicately unraveling the veiled truths and profound impact resonating within ab muscles fabric of each and every word. Within the emotional depths of this moving review, we can embark upon a sincere exploration of the book is primary subjects, dissect its interesting publishing type, and succumb to the strong resonance it evokes deep within the recesses of readers hearts.

Slavery In Britain Introduction

In today's digital age, the availability of Slavery In Britain books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Slavery In Britain books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Slavery In Britain books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Slavery In Britain versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Slavery In Britain books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Slavery In Britain books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Slavery In Britain books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Slavery In Britain books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Slavery In Britain books and manuals for download and embark on your journey of knowledge?

FAQs About Slavery In Britain Books

1. Where can I buy Slavery In Britain books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Slavery In Britain book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Slavery In Britain books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing.

Book Swaps: Community book exchanges or online platforms where people exchange books.

6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Slavery In Britain audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
