Sleeping With Schubert:

Sleeping with Schubert Bonnie Marson, 2004 When her body is surreptitiously possessed by the spirit of Franz Schubert Brooklyn lawyer Liza Durbin struggles to retain her identity in the wake of her proud parents the media a mysterious elderly fan and the late composer's passions **Schubert's Reputation from His Time to Ours** Geoffrey Block, 2024-12-30 The composer Franz Schubert 1797 1828 was not bereft of early advocates from Schumann Liszt and Mahler to Sir George Grove Brahms famously heralded Schubert as the true successor to Beethoven Nevertheless it was not until the end of the twentieth century that Schubert's major instrumental works finally and fully emerged from Beethoven's shadow Critics and scholars began to reinterpret Schubert's departures from Beethoven's formal and stylistic characteristics and to see these departures not as flaws but as strengths and hallmarks of a new paradigm Schubert's alternate constructions of masculine subjectivities first described by Schumann in 1838 parallel a developing appreciation for lyricism melody and song traits historically regarded as feminine Consequently Schubert's approach is increasingly viewed as innovative and divergent rather than defective and deviant Schubert's Reputation from His Time to Ours tells the story of how and why this has happened ***Schubert's Goethe Settings*** Lorraine Byrne Bodley, 2017-07-05 The traditional approach to the study of Goethe and Schubert is to place them in opposition to one another both in terms of their life experiences and in relation to the nineteenth century Lied In her introduction to this book Lorraine Byrne examines the myths that have evolved around these artists and challenges the view that Goethe was unmusical and conservative in his musical tastes She also considers Schubert's life in relation to his obvious affinity with the poet and links the composer's Goethe settings with the poet's perception of the Lied Goethe judged the success of a setting by whether the meaning of the text had been realised in musical form In his Goethe settings Schubert translates the poet's meaning into musical terms and his rendition attains the classical unity of words and music that Goethe sought The core of this volume is the series of individual analyses of all of Schubert's solo dramatic and multi voice settings of Goethe texts These explore in detail both the literary and the musical dimensions of each work and Schubert's reading and interpretation of Goethe's writings This is the first study in English to treat both artists with equal attention and insight This together with its encyclopaedic coverage of this important corpus of works makes this volume an essential reference tool for all those who study Schubert and Goethe **Schubert's Late Lieder** Susan Youens, 2006-11-02 Schubert's Late Lieder is a study of selected songs for voice and piano composed by Schubert between 1822 and his death on 19 November 1828 Circa late 1822 Schubert was diagnosed with syphilis and many of the songs discussed in this book were written under the seal of impending death It is possible to locate in these songs a late song style full of elegiac references to Schubert's other death haunted works and marked by distinctive variation techniques Youens also introduces six of the poets whose texts Schubert set to music **Musical times and singing-class circular**, 1886 **The Cambridge Companion to Schubert's 'Winterreise'** Marjorie W. Hirsch, Lisa Feurzeig, 2021-02-04

Organized in five parts this Companion enhances understanding of Schubert's Winterreise by approaching it from multiple angles. Part I examines the political, cultural, and musical environments in which Winterreise was created. Part II focuses on the poet Wilhelm Müller's 24 poem cycle Die Winterreise and changes Schubert made to it in fashioning his musical setting. Part III illuminates Winterreise by exploring its relation to contemporaneous understandings of psychology and science and early nineteenth-century social and political conditions. Part IV focuses more directly on the song cycle, exploring the listener's identification with the cycle's protagonist, text-music relations in individual songs, Schubert's compositional fingerprints, aspects of continuity and discontinuity among the songs, and the cycle's relation to German Romanticism. Part V concentrates on Winterreise in the nearly two centuries since its completion in 1827, including lyrical and dramatic performance traditions, the cycle's influence on later composers, and its numerous artistic reworkings.

Romantic Lieder and the Search for Lost Paradise Marjorie Wing Hirsch, 2007. This book examines the theme of lost paradise in Lieder by nineteenth-century composers including Franz Schubert.

Music, Narrative and the Moving Image, 2019-05-15. In extending the traditional field of Word and Music Studies to include research on film and other forms of moving visualizations, this volume focuses on innovative discussions of artistic works showing relationships between three individual communicative media. This trifocal interdisciplinary perspective is reflected in seventeen essays that cover the historical space from the 19th to the 21st centuries and discuss a wide variety of individual genres in the represented media. These range from Parisian cabaret to revolutionary Peking opera, from silent film to Holocaust narration, from documentary propaganda movies to opera film interludes and more. The investigation of historical cases is broadened by reflections on theoretical and functional issues, primarily in film music, which show a remarkable breadth of technical and perceptual varieties. The essays here collected are of relevance to scholars and students of film studies, musicology, and literature, as well as readers generally interested in Intermediality Studies.

Schubert's Winter Journey Ian Bostridge,2015-01-27 An exploration of the world s most famous and challenging song cycle Schubert s Winter Journey Winterreise by a leading interpreter of the work who teases out the themes literary historical psychological that weave through the twenty four songs that make up this legendary masterpiece Completed in the last months of the young Schubert s life Winterreise has come to be considered the single greatest piece of music in the history of Lieder Deceptively laconic these twenty four short poems set to music for voice and piano are performed uninterrupted in little more than an hour it nonetheless has an emotional depth and power that no music of its kind has ever equaled A young man rejected by his beloved leaves the house where he has been living and walks out into snow and darkness As he wanders away from the village and into the empty countryside he experiences a cascade of emotions loss grief anger and acute loneliness shot through with only fleeting moments of hope until the landscape he inhabits becomes

one of alienation and despair Originally intended to be sung to an intimate gathering performances of Winterreise now pack the greatest concert halls around the world Drawing equally on his vast experience performing this work he has sung it more than one hundred times on his musical knowledge and on his training as a scholar Bostridge teases out the enigmas and subtle meanings of each of the twenty four lyrics to explore for us the world Schubert inhabited his biography and psychological makeup the historical and political pressures within which he became one of the world s greatest composers and the continuing resonances and affinities that our ears still detect today making Schubert s wanderer our mirror

Schubert's Poets and the Making of Lieder Susan Youens,1999-10-28 Lieder began with words with the composer s discovery of a poet and a poetic work but the scholarly study of lieder has tended to bypass those origins Schubert s choice of poets has traditionally come under fire for the preponderance of mediocre talent and yet many of these writers were highly esteemed in their day In her highly acclaimed study Susan Youens has chosen four such poets Gabriele von Baumberg Theodor Körner Johann Mayrhofer and Ernst Schulze in order to re examine their lives works and Schubert s music to their verse All four poets were vivid inhabitants of a vivid era and their tribulations afford us added insight into the upheavals the manners and mores of their day

Retracing a Winter's Journey Susan Youens,2013-01-14 I like these songs better than all the rest and someday you will too Franz Schubert told the friends who were the first to hear his song cycle Winterreise These lieder have always found admiring audiences but the poetry he chose to set them to has been widely regarded as weak and trivial In *Retracing a Winter's Journey* Susan Youens looks not only at Schubert s music but at the poetry drawn from the works of Wilhelm Müller who once wrote in his diary perhaps there is a kindred spirit somewhere who will hear the tunes behind the words and give them back to me Youens maintains that Müller in depicting the wanderings of the alienated lover produced poetry that was simple but not simple minded poetry that embraced simplicity as part of its meaning In her view Müller used the ruder folk forms to give his verse greater immediacy to convey more powerfully the wanderer s complex inner state Youens addresses many different aspects of Winterreise the cultural milieu to which it belonged the genesis of both the poetry and the music Schubert s transformation of poetic cycle

Sleeping With Schubert Introduction

In the digital age, access to information has become easier than ever before. The ability to download Sleeping With Schubert has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Sleeping With Schubert has opened up a world of possibilities. Downloading Sleeping With Schubert provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Sleeping With Schubert has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Sleeping With Schubert. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Sleeping With Schubert. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Sleeping With Schubert, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Sleeping With Schubert has transformed the way we

access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
