O'Dell,Charlotte Brownlow,Hanna Bertilsdotter-Rosqvist,2017-10-10 **Different Childhoods Non Normative Development and Transgressive Trajectories** opens up new avenues for exploring children s development as contextual provisional and locally produced rather than a unitary universal and consistent process This edited collection frames a critical exploration of the trajectory against which children are seen to be different within three key themes deconstructing developmental tasks locating development and the limits of childhood Examining the particular kinds of transgressive development contributors discuss instances of difference including migration work assumptions of vulnerability trans childhoods friendships and involvement in crime Including both empirical and theoretical discussions the book builds on existing debates as part of the interrogation of different childhoods This book provides essential reading for students wishing to explore notions of development while also being of interest to both academics and practitioners working across a broad area of disciplines such as developmental psychology sociology childhood studies and critical criminology Not Under My Roof Amy T.

Schalet,2024-05-31 Winner of the Healthy Teen Network s Carol Mendez Cassell Award for Excellence in Sexuality Education and the American Sociological Association s Children and Youth Section s 2012 Distinguished Scholarly Research Award For American parents teenage sex is something to be feared and forbidden most would never consider allowing their children to have sex at home and sex is a frequent source of family conflict In the Netherlands where teenage pregnancies are far less frequent than in the United States parents aim above all for family cohesiveness often permitting young couples to sleep together and providing them with contraceptives Drawing on extensive interviews with parents and teens Not Under My Roof offers an unprecedented intimate account of the different ways that girls and boys in both countries negotiate love lust and growing up Tracing the roots of the parents divergent attitudes Amy T Schalet reveals how they grow out of their respective conceptions of the self relationships gender autonomy and authority She provides a probing analysis of the way family culture shapes not just sex but also alcohol consumption and parent teen relationships Avoiding caricatures of permissive Europeans and puritanical Americans Schalet shows that the Dutch require self control from teens and parents while Americans guide their children toward autonomous adulthood at the expense of the family bond Gender and Spoken Interaction P. Pichler,E. Eppler,2009-02-12 This diverse collection of gender research with an exclusive focus on spoken interaction explores how gender is reflected and accomplished in relation to other situational and larger scale sociocultural practices identities and structures **Free-Range Kids, How to Raise Safe, Self-Reliant Children (Without Going Nuts with Worry)** Lenore Skenazy,2010-04-19 FREE RANGE KIDS has become a national movement sparked by the

incredible response to Lenore Skenazy's piece about allowing her 9 year old ride the subway alone in NYC Parent groups argued about it bloggers blogged spouses became uncivil with each other and the media jumped all over it A lot of parents today Skenazy says see no difference between letting their kids walk to school and letting them walk through a firing range Any risk is seen as too much risk But if you try to prevent every possible danger or difficulty in your child's everyday life that child never gets a chance to grow up We parents have to realize that the greatest risk of all just might be trying to raise a child who never encounters choice or independence
