Small City In A Big Valley The Story Of Duncan:

Small City in a Big Valley Tom Henry, 1999 When William Duncan first came to the Cowichan Valley on Vancouver Island in 1864 he gazed over the countryside and saw fields and paddocks fences and cows and snorting pigs and a log cabin with smoke rising from its chimney It was the kind of vision on which to build a town Small City in a Big Valley traces the realization of that vision Duncan has been known over the years as the Milk Bottle of Victoria the Egg Basket of Canada the Sweet Pea Capital of Canada and the City of Totems and has undergone many transformations It started as a Coast Salish village then became a British settlement founded by upper class emigres who came not so much to build a new culture as to re create an old one and before World War II it was the home of a vibrant Japanese community Today Duncan is a small town striving to redefine itself in a changing modern world The history is brought to life by Henry s playful and affectionate profiles of the town s seemingly limitless cast of eccentrics including Titus the worst road builder ever to grade a clearing Sir Edward Clive Oldnell Long Phillips Wooley a lawyer diplomat and big game hunter who lined the walls of his Duncan estate with the heads of jaguar tiger and wildebeest and Mayor James Wragg who orchestrated a highway blockade to protest being snubbed by the newly wed Princess Elizabeth and the Duke of Edinburgh Henry who was born and raised in Duncan recounts the area s history with the rigour of a historian and with the warmth and enthusiasm of a hometown boy The result is an informative intriguing endlessly entertaining history J. F. Bosher, 2010-04 During the century 1850 1950 Vancouver Island attracted Imperial officers and other Imperials from India the British Isles and elsewhere in the Empire Victoria was the main British port on the north west Pacific Coast for forty years before the city of Vancouver was founded in 1886 to be the coastal terminus of the Canadian Pacific Railway These two coastal cities were historically and geographically different The Island joined Canada in 1871 and thirty five years later the Royal Navy withdrew from Esquimalt but Island communities did not lose their Imperial character until the 1950s P 4 of cover

Scoundrels, Dreamers & Second Sons Mark Zuehlke, 2016-05-14 Remittance man was meant to be a disparaging term It reflected the fact that these young men had been sent to the colonies to spare their families continuing embarrassment or shame At home they had been scoundrels dreamers and second sons without future prospects Perhaps in the Canadian West they would make something of themselves If they didn t at least they would be far enough away that little disgrace would fall upon their families Mark Zuehlke Beginning in 1880 thousands of young upper class British men with few prospects were sent to the Canadian West to distance them from British society Still supported by their families thus earning them the title remittance men these men set out to continue their lives of leisure in this new land With education respectable breeding and the belief from birth that they were superior beings the remittance men descended upon Western Canada with expectations of accomplishing something great and increasing their wealth In reality they hunted played games courted women and enjoyed distinguished pursuits that squandered their parents money and made hard working Canadians raise their eyebrows Though their era in Western Canada was short 1880

1914 they left an indelible mark perpetuated by the stories and legends that sprung up around them In *Scoundrels Dreamers* Second Sons first published fifteen years ago Mark Zuehlke traces the path of the remittance men through Western Canada highlighting their adventures limited successes and glorious failures *Wish You Were Here* Peter Grant,2002 The images that Peter Grant has collected are mostly previously unpublished and provide fascinating insights into the social history of life on Vancouver Island from 1904 to 1918 The views capture the life and times particularly the parties and pleasures in the Island of this long ago vanished era These remarkable photographs were created by artistic photographers sometimes amateurs who would wander the streets or backcountry looking for business The images were often produced by cameras the likes of which have not been seen for ages and are now collectors prized items *Wish You Were Here* also gives the reader a full understanding of the process and the history of this overlooked art form *Along the E&N* Glen A. Mofford,2019-06-04 In 1885 Vancouver Island s E N rail service carried coal to smelters and ships and the towns in the railway s path prospered as the tracks expanded *Along the E N* celebrates the historic and still surviving hotels and roadhouses that sprung up near the E N Within this carefully researched historical narrative you ll find stories of the halfway house in the Esquimalt District the murder and suicide at the Mt Sicker Hotel and the iconic Quinsam Hotel in Campbell River burned down in 2017 Peppered with stories of patrons and proprietors alike this book chronicles the history of sixty hotels most long gone destroyed by fire or simply demolished Featuring some of the old hotels remodelled into modern day neighbourhood pubs such as the Rod Gun the Fanny Bay Inn the Shady Rest the Cumberland Pub and the Waverley Pub *Along the E N* resonates with the haunting echoes of the train s iconic whistle **Dragon Flight** David H. Olsen,2014-10-28 Ive followed your magnificent exploits with the utmost interest Captain Duncan Churchill blustered his jowly cheeks pulsating with nervous energy Its 1917 and Royal Flying Corp Captain James Angus Duncan an ace with twenty eight victories has come a long way from being the son of a Vancouver Island dairy farmer Jimmy is wearing the medals presented to him by King George the Fifth and is now the darling of the British aristocracy The girl he left behind is faithfully waiting but an Irish beauty has entered his life and thoughts of home are fading fast Hard on the heels of a very personal tragedy James encounters the stunningly beautiful Lady Sarah Atherley His life will be a dream come true if he and Red Dragon his Sopwith Camel can survive a series of vicious air battles with Manfred Von Richthofen and his knights of the flying circus **Canadian Books in Print. Sandwell,2011-11-01 Historians have not usually identified British Columbia as a rural province B C historiography has been dominated by mining logging and fishing and theorized within the context of large scale laissez faire capitalism and economic individualism Silences in the historical record have exacerbated this situation and lent tacit support to the dominance of resource based capitalism as the shaping force in B C history The essays in *Beyond the City Limits* all published here for the first time

decisively break this silence and challenge traditional readings of B C history In this wide ranging collection R W Sandwell draws together a distinguished group of contributors who bring expertise methodologies and theoretical perspectives taken from social and political history environmental studies cultural geography and anthropology They discuss such diverse topics as Aboriginal White settler relations on Vancouver Island pimping and violence in northern BC and the triumph of the coddling moth over Okanagan orchardists to show that a narrow emphasis on resource extraction capitalist labour relations and urban society is simply not broad enough to adequately describe those who populated the province s history By challenging the dominant urban based and overwhelmingly capitalist interpretation of the province s history the provocative essays in *Beyond the City Limits* expand our understanding of what rural was and what it meant in the history of British Columbia
