## **Small Arms Survey 2002:**

*Small Arms Survey 2002* Small Arms Survey, 2002 The 2002 edition of the Small Arms Survey includes new and updated information and analysis on global small arms production stockpiles and legal and illicit transfers and a review of international regional and national measures to address the issue of small arms proliferation New issues covered in the 2002 edition include i the humanitarian dimensions of small arms availability and proliferation ii a survey of small arms collection and destruction programmes and iii a detailed analysis of the outcome of the 2001 United Nations Conference on the Illicit Trade in Small Arms and Light Weapons in all its Aspects The Small Arms Survey is now recognised as the principle international source of impartial and reliable information on all aspects of small arms Its blend of information and analysis makes it an indispensable resource for policy makers officials and non governmental organisations Small Arms Survey 2003, 2003 This title includes information and analysis on global small arms production stockpiles and legal and illicit transfers and a review of international regional and national measures to address the issue of small arms proliferation

**Small Arms Survey 2013** Small Arms Survey, Geneva, Small Arms Survey, 2013-07-04 Highlights emerging trends and concerns regarding armed violence and small arms proliferation as well as related policies and programming Small Arms Survey 2014 Small Arms Survey, Geneva, 2014-07-03 The Small Arms Survey 2014 considers the multiple roles of women in the context of armed violence security and the small arms agenda The volume's thematic section comprises one chapter on violence against women and girls with a focus on post conflict Liberia and Nepal and another on the recent convergence of the small arms agenda with that of women peace and security Complementing these chapters are illustrated testimonies of women with experience as soldiers rebels and security personnel The weapons and markets section assesses the potential impact of the Arms Trade Treaty presents the 2014 Transparency Barometer and an update on the authorised small arms trade and analyses recent ammunition explosions in the Republic of the Congo Additionally it examines ammunition circulating in Africa and the Middle East maps the sources of insurgent weapons in Sudan and South Sudan and evaluates crime gun records in the United States *Small Arms Survey 2007* Small Arms Survey, Graduate Institute of International Studies (Geneva, Switzerland), 2007-09-06 The Small Arms Survey 2007 features a special focus on the complex issue of urban violence *Small Arms Survey 2006* Small Arms Survey, Graduate Institute of International Studies (Geneva, Switzerland), 2006 This book offers new and updated information on small arms production stockpiles transfers and measures including a review of the International Tracing Instrument This year's thematic chapters examine issues such as the demand for weapons small arms and security sector reform and the economic cost of small arms use This edition also features case studies on small arms violence in Papua New Guinea and Colombia armed groups in West Africa and the Lord's Resistance Army in Northern Uganda *Small Arms Survey 2005* Graduate Institute of International Studies (Geneva, Switzerland), 2005 The Small Arms Survey 2005 Weapons at War is dedicated to issues surrounding armed conflict including

the sourcing of weapons to conflict areas weapons use conflict deaths and post conflict disarmament initiatives This edition also provides an overview of small arms ammunition as well as new and updated information on small arms production stockpiles transfers and international measures It presents two case studies one exploring the concept of gun culture in Kosovo the other focusing on the Central African Republic In addition this volume surveys representations of small arms and armed violence in contemporary art The Small Arms Survey is the principal international source of impartial and reliable information on all aspects of small arms Its blend of information and analysis makes it an indispensable resource for policy makers officials and non governmental organizations The Small Arms Survey is an independent research project located at the Graduate Institute of International Studies in Geneva Switzerland The project has an international staff with expertise in security studies political science international public policy law economics development studies conflict resolution and sociology who work closely with a worldwide network of researchers and partners

Small Arms Survey 2008 Small Arms Survey, Graduate Institute of International and Development Studies (Geneva, Switzerland), 2008-07-31 The Small Arms Survey 2008 examines the problem of diversion and analyses the public health approach to armed violence

*Small Arms Survey 2004* Graduate Institute of International Studies (Geneva, Switzerland), 2004 The Small Arms Survey is now recognized as the principal international source of impartial and reliable information on all aspects of small arms Its blend of information and analysis makes it an indispensable resource for policy makers officials and non governmental organizations Small Arms Survey 2004 provides new and updated information and research on all aspects of small arms production stockpiles and trade It contains vital information on issues such as weapons collection in post conflict environments and the effects of small arms availability and misuse on human development

*Handbook of Transnational Crime and Justice* Philip Reichel, Jay Albanese, 2013-04-29 Transnational crime and justice will characterize the 21st century in same way that traditional street crimes dominated the 20th century In the Handbook of Transnational Crime and Justice Philip Reichel and Jay Albanese bring together top scholars from around the world to offer perspectives on the laws crimes and criminal justice responses to transnational crime This concise reader friendly handbook is organized logically around four major themes the problem of transnational crime analysis of specific transnational crimes approaches to its control and regional geographical analyses Each comprehensive chapter is designed to be explored as a stand alone topic making this handbook an important textbook and reference tool for students and practitioners alike

**Postinternationalism and Small Arms Control** Damien Rogers, 2016-04-08 Even though impacts generated by the widespread availability and ongoing use of small arms and light weapons have not reached a magnitude sufficient to radically reorder contemporary world affairs awareness of the nature and extent of these impacts has compelled some international actors to take decisive action Damien Rogers examines how the international community has responded to the challenge of controlling small arms and light weapons since the early 1990s Using a postinternationalist analytic framework he specifically focuses on the maturing relationships between

particular actors of world affairs and the nascent interconnectivity between their strategies for and approaches toward controlling these weapons Furthermore the book identifies ways in which the captains of small arms industry arms brokers and chief users of these weapons are able to mitigate resist or elude the intended effects of those responses Governing Guns, Preventing Plunder Asif Efrat, 2012-07-19 From human trafficking to smuggling small arms to looting antiquities illicit trade poses significant threats to international order So why is it difficult to establish international cooperation against illicit trade Governing Guns Preventing Plunder offers a novel thought provoking answer to this crucial question Conventional wisdom holds that it is criminal groups that obstruct efforts to suppress illicit trade In contrast Asif Efrat explains how legitimate actors such as museums that acquire looted antiquities seek to hinder these regulatory efforts Yet such attempts to evade regulation fuel international political conflicts between governments that demand action against illicit trade and others that are reluctant to cooperate The book offers a framework for understanding the domestic origins of these conflicts and how the distribution of power shapes their outcome Through this framework Efrat explains why the interests of governments vary across countries trades and time In a fascinating empirical analysis he solves a variety of puzzles Why is the international regulation of small arms much weaker than international drug control What led the United States and Britain to oppose the efforts against plunder of antiquities and why did they ultimately join these efforts How did American pressure motivate Israel to tackle sex trafficking Efrat's findings will change the way we think about illicit trade offering valuable insights for scholars activists and policymakers **Small Arms Survey 2012** Graduate Institute of International and Development Studies (Geneva, Switzerland), Small Arms Survey, Geneva, 2012-08-30 The Small Arms Survey 2012 seeks to increase our scrutiny of what is changing and not changing in relation to armed violence and small arms proliferation Chapters on firearm homicide in Latin America and the Caribbean drug violence in selected Latin American countries and non lethal violence worldwide illustrate that security is a moving target armed violence both lethal and non lethal continues to undermine the security and wellbeing of people and societies around the world The goal of curbing small arms proliferation embodied in the UN Programme of Action appears similarly elusive Chapters on illicit small arms in war zones trade transparency Somali piracy and the 2011 UN Meeting of Governmental Experts highlight some of the successes but also the continuing challenges in this area Country studies on Kazakhstan and Somaliland along with the final instalment of the authorized transfers project round out the 2012 edition Islamist Militancy in Bangladesh Ali Riaz, 2012-08-21 In an unprecedented show of force organization and skill two proscribed Islamist militant organizations exploded more than 450 bombs within a span of less than an hour throughout Bangladesh on 17 August 2005 sending a strong message that they were a force to be reckoned with This catastrophic event followed by a number of suicide attacks forced the then reluctant Bangladeshi government a coalition of center right parties with two Islamists among them to acknowledge the existence of a network of militants and take action against this threat Against this backdrop this book is the first academic study on the

growing Islamist militancy in Bangladesh It examines the relevance significance and trajectories of militant Islamist groups in Bangladesh exploring the complex web of domestic regional and international events and dynamics that have both engendered and strengthened Islamist militancy in Bangladesh The three factors domestic regional and international aspects are each discussed separately and their connection and links are analyzed It goes on to consider possible future trajectories of militant Islamism in Bangladesh This book addresses an issue of great importance for contemporary Bangladeshi politics and will be of interest to scholars of international politics and security studies including terrorism and the politics of South Asia

*Gun Control Policies in Latin America* Diego Sanjurjo, 2019-05-23 This book analyses the crucial role that guns play in the dynamics of extreme violence engulfing Latin America and the policies that are being implemented to confront it Gun control is surprisingly not a prominent issue in most countries of the region but this situation is rapidly changing as proliferation and violence dramatically increase The book adopts an extended version of John Kingdon s influential Multiple Streams Framework to explore how gun control enters political agendas and why some countries act to end gun violence and others do not In this effort the Brazilian Disarmament Statute and the Uruguayan Responsible Firearm Ownership Law serve as in depth case studies that exhibit the region s heterogeneity and put Kingdon s policy theory to the test Gun Control Policies in Latin America is an essential reading for anyone interested in Latin American security and public policies

**State of the World 2005** Michael Renner, Linda Starke, Worldwatch Institute, 2005 Tackles the pressing issue of international security and its ramifications on the health of our planet

**Conflict and Fragility Armed Violence Reduction Enabling Development** OECD, 2009-03-02 Each year 740 000 people die as a result of armed violence This publication will help the international community to understand the dynamics of armed violence and outlines what can be done to reduce it

*Transnational Crimes in the Americas* Marshall B. Lloyd, 2018-10-30 Transnational Crimes in the Americas addresses contemporary issues with respect to public institutions that are stakeholders in the fight against globalization of crime Regional public organizations with a primary focus on the Americas constitute a framework for understanding the need for an institutional response within the Western Hemisphere While other authors have addressed the growth of organized crime no one has explained institutional developments in the struggle against transnational crimes Transnational Crimes in the Americas highlights existing organizations emphasizing a regional response to transnational crimes suggestions for a permanent criminal court in the Americas and an appraisal of the current state of institutional developments in the region

*International Law and International Relations* Thomas J. Biersteker, Peter J. Spiro, Chandra Lekha Sriram, Veronica I. Raffo, 2006-10-19 This unique volume examines the opportunities for and initiates work in interdisciplinary research between the fields of international law and international relations disciplines that have engaged little with one another since the Second World War Written by leading experts in the fields of international law and international relations it argues that such interdisciplinary research is central to the creation of a knowledge base among IR

scholars and lawyers for the effective analysis and governance of macro and micro phenomena International law is at the heart of international relations but due to challenges of codification and enforceability its apparent impact has been predominantly limited to commercial and civil arrangements International lawyers have been saying for years that law matters in international affairs and now current events are proving them right International Law and International Relations makes a powerful contribution to the theory and practice of global security by initiating a research agenda building an empirical base and offering a multidisciplinary approach that provides concrete answers to real world problems of governance This book will be of great interest to all students of international law international relations and governance

Victims as Security Threats Edward O. Mogire, 2011 Refugees as a security threat Refugee militarisation Refugees and inter state conflict Refugees and violent conflict in host states Refugees and crime Refugees and the problem of illicit small arms and light weapons SALW Refugees and the terrorist threat Security and refugee policies in East Africa

## Enjoying the Song of Expression: An Emotional Symphony within **Small Arms Survey 2002**

In some sort of taken by monitors and the ceaseless chatter of immediate connection, the melodic elegance and mental symphony created by the prepared term often disappear into the back ground, eclipsed by the persistent sound and disturbances that permeate our lives. However, nestled within the pages of **Small Arms Survey 2002** a charming literary treasure filled with natural thoughts, lies an immersive symphony waiting to be embraced. Constructed by an outstanding composer of language, that charming masterpiece conducts viewers on a mental journey, well unraveling the concealed tunes and profound influence resonating within each cautiously crafted phrase. Within the depths of the moving examination, we can investigate the book is key harmonies, analyze its enthralling publishing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
