Bahia and Cuba seeks to explain how a series of historical events that occurred in West Africa from the mid 1790s including Afonja s rebellion the Owu wars the Fulani led jihad and the migrations to Egbaland had an impact upon life in cities and plantations in western Cuba and Bahia Manuel Barcia examines the extent to which a series of African led plots and armed movements that took place in western Cuba and Bahia between 1807 and 1844 were the result or a continuation of events that had occurred in and around the Yoruba and Hausa kingdoms in the same period Why did these two geographical areas serve as the theatre for the uprising of the Nag s the Lucum s and other West African men and women The answer Barcia argues relates to the fact that plantation economies supported by unusually large numbers of African born slaves from the same or close geographical and ethnic heritage transformed the rural and urban landscape in western Cuba and Bahia To

understand why these two areas followed such similar social patterns it is essential to look across the Atlantic it is not enough to repeat the significance of the African background of Bahian and Cuban slaves By establishing connections between people and events with a special emphasis on their warfare experiences Barcia presents a coherent narrative which spans more than three decades and opens a wealth of archival research for future study West African Warfare in Bahia and Cuba Manuel Barcia Paz,2014 West African Warfare in Bahia and Cuba seeks to explain how a series of historical events that occurred in West Africa from the mid 1790s including Afonja s rebellion the Owu wars the Fulani led jihad and the migrations to Egbaland had an impact upon life in cities and plantations in western Cuba and Bahia Manuel Barcia examines the extent to which a series of African led plots and armed movements that took place in western Cuba and Bahia between 1807 and 1844 were the result or a continuation of events that had occurred in and around the Yoruba and Hausa kingdoms in the same period Why did these two geographical areas serve as the theatre for the uprising of the Nagos the Lucumis and other West African men and women The answer Barcia argues relates to the fact that plantation economies supported by unusually large numbers of African born slaves from the same or close geographical and ethnic heritage which transformed the rural and urban landscape in western Cuba and Bahia To understand why these two areas followed such similar social patterns it is essential to look across the Atlantic it is not enough to repeat the significance of the African background of Bahian and Cuban slaves By establishing connections between people and events with a special emphasis on their warfare experiences Barcia presents a coherent narrative which spans more than three decades and opens a wealth of archival research for future study
