No Endings, Only Beginnings Bernie S. Siegel, MD, Cynthia J. Hurn, 2020-03-24 Dr. Bernie Siegel, revered thought leader, retired surgeon, and prolific author, offers meaningful life lessons inspired by the significant quotes pulled from his notebooks. Make your own Bible Select and collect all the words and sentences that in all your readings have been to you like the blast of a trumpet. Ralph Waldo Emerson: "We have all come across a sentence in a book or a line of poetry that seems to jump off the page as if it has been patiently waiting for you to discover it in this precise instant. At times the lyrics of a song or words spoken in a play can feel as if God is speaking directly to you, guiding you on your quest for truth and authenticity in this weird and wonderful life. From the words of great thinkers and quiet moments with God to snippets of conversation with patients and moments shared with his late wife Bobbie, Dr. Bernie Siegel has curated his most meaningful stories, lessons, and quotes from a lifetime of journals in *No Endings, Only Beginnings*. With this book, he encourages you not just to learn from his advice and experience but to create your own book of collected wisdom, your life manual for growing, loving, and healing as you continue to shape your personal understanding of the answers to life's big questions."

The Lazy Dog's Guide to Enlightenment Beth Wilson, 2011-02-09 Enlightenment doesn't always come in the form we expect. It need not appear as a self-styled guru or a complicated theory measuring some mysterious quality. Sometimes it's as close as the chocolate Lab bounding happily through the backyard or the lovable terrier contentedly curled up in one's lap. In the foreword to this thoughtful examination of enlightenment, Dr. Bernie Siegel sums it up: "Dogs are healers. They are enlightened. They seem to have figured out how to live beautifully so much better than we humans have." In these pages, distinctive black and white dog images by acclaimed animal photographer Zachary Folk are illuminated by captions of down-to-earth spiritual

wisdom from the dogs to us their often confused humans A delightful romp through canine philosophy this charming collection celebrates the simple wisdom and that special combination of natural earthiness and subtle spirituality that characterize humankind's best friend
