Treats Sweetened Naturally with Fruit Chef AJ, Glen Merzer, 2024-09-09 Chef AJ's love affair with desserts began with the gift of an Easy Bake Oven when she was seven years old. While her passion for creating them has not wavered, her choice of sweeteners changed from sugar to the natural sweetness found in whole foods. Her outrageously delicious plant-based desserts are gluten and sugar free and contain no added salt or oil. Each of the 150 recipes has indicators that rate each dessert for sweetness: Subtly Sweet, Nice Sweet, Superbly Sweet, and fat content: Low fat, Semi decadent, Rich, Decadent, allowing you to select just the right treat for the occasion and company. This ultimate recipe collection of bars, brownies, cakes, cheesecakes, cobblers, cookies, crisps, cupcakes, ice cream, mousses, muffins, pies, and tarts, often accompanied by mouthwatering photos, will inspire you to create healthy rather than guilty pleasures. *The Sugar-Free Family Cookbook* Sarah Flower, 2017-04-21 Sarah Flower, nutritionist, author, and mum of two, is very down to earth in her approach to health and cookery. O'Keefe, Joan O'Keefe, 2022-05-24 From a cardiologist and a nutritionist a holistic plan for healthy aging and wellness rooted in the ancestral eating habits of hunter gatherers The Forever Young program is the scientifically based plan that will bring your life back into synch with your genetic identity restoring your youthful vigor and glow while at the same time optimizing your health quality of life and longevity James O Keefe MD and Joan O Keefe RD In a field plagued by miracle diets and sketchy information The Forever Young Diet and Lifestyle presents a commonsense plan that improves satiety promotes wholesome fresh and easily obtained foods and reinforces a rational holistic mind body approach to diet and lifestyle The program is a complete package that can help provide a lifetime of energy and good health Most of our health problems today result from a mismatch between the world we are designed for and the very different one in which we live The modern American leading a sedentary lifestyle of automobiles couches televisions computers and junk food is like a fish out of water Our genes have changed minimally over the past few thousand years yet our diets and lifestyles have become progressively more divergent from those of our ancient ancestors The Forever Young Diet and Lifestyle outlines the path back to our natural needs and rhythms Firmly grounded in the medically proven Hunter Gatherer diet the plan easily promotes weight loss vastly improves energy levels enhances sleep and concentration and restores the natural youthful glow we should have at any age Cardiologist James O Keefe and his wife Joan a registered dietitian provide a down to earth sensible program that's satisfying and easy to follow **The Oxford Companion to Sugar and Sweets**, 2015-04-01 A sweet tooth is a powerful thing Babies everywhere seem to smile when tasting sweetness for the first time a trait inherited perhaps from our ancestors who foraged for sweet foods that were generally safer to eat than their bitter counterparts But the science of sweet is only the beginning of a fascinating story because it is not basic human need or simple biological impulse that prompts us to decorate elaborate wedding cakes scoop ice cream into a cone or drop sugar cubes into coffee

These are matters of culture and aesthetics of history and society and we might ask many other questions Why do sweets feature so prominently in children s literature When was sugar called a spice And how did chocolate evolve from an ancient drink to a modern candy bar The Oxford Companion to Sugar and Sweets explores these questions and more through the collective knowledge of 265 expert contributors from food historians to chemists restaurateurs to cookbook writers neuroscientists to pastry chefs The Companion takes readers around the globe and throughout time affording glimpses deep into the brain as well as stratospheric flights into the world of sugar crafted fantasies More than just a compendium of pastries candies ices preserves and confections this reference work reveals how the human proclivity for sweet has brought richness to our language our art and of course our gastronomy In nearly 600 entries beginning with la mode and ending with the Italian trifle known as zuppa inglese the Companion traces sugar s journey from a rare luxury to a ubiquitous commodity In between readers will learn about numerous sweeteners as well known as agave nectar and as obscure as castoreum or beaver extract the evolution of the dessert course the production of chocolate and the neurological psychological and cultural responses to sweetness The Companion also delves into the darker side of sugar from its ties to colonialism and slavery to its addictive qualities Celebrating sugar while acknowledging its complex history The Oxford Companion to Sugar and Sweets is the definitive guide to one of humankind s greatest sources of pleasure Like kids in a candy shop fans of sugar and aren t we all will enjoy perusing the wondrous variety to be found in this volume
