Suggestive Therapies A Treatise On The N:

Hidden Depths Robin Waterfield, 2013-01-22 In Hidden Depths Robin Waterfield explores the fascinating world of hypnosis tracing the history of this often misunderstood craft beginning with a passage in the book of Genesis and continuing through his own personal experiences today Waterfield uses the history and controversy surrounding the practice of hypnosis to gain insight into our behavior and psychology and considers how hypnotic techniques have been absorbed into society through advertising media and popular culture

Hypnosis Erika Fromm, Ronald E. Shor, This thorough revision of the first edition updates and expands with 25 percent new material what was generally recognized as a major survey of contemporary scientific research in hypnosis In this edition also a classic the editors include three new essays in modern hypnosis studies They also provide a new conceptual framework cognitive ego psychological and phenomenological with which to examine hypnosis This edition is divided into six sections Theoretical and Historical Perspectives New Theories Surveys of Broad Areas Lines of Individual Research Individual Researches within Specific Areas and Anticipations for Future Research The entire book was completely revised in the light of additional research since publication of the original edition Thirteen of the twenty chapters in the first edition were updated by their authors six so extensively that they amount to new chapters with changes in title and order of authors in the case of coauthored chapters Hypnosis Developments in Research and New Perspectives is intended for researchers in hypnosis and clinical practitioners in medicine and psychology The focus as indicated by the changed subtitle is on developments since publication of the original editions empirical studies experiments with physiological indicators of hypnosis and theoretical uses associated with use of hypnosis as a research tool Altogether this second edition is a valuable overall guide to an intriguing topic Erika Fromm 1909-2003 was professor emerita of psychology at the University of Chicago she was president of the American Board of Psychological Hypnosis and the clinical editor of the International Journal of Clinical and Experimental Hypnosis and associate editor of The Bulletin of the British Society of Experimental and Clinical Hypnosis She was also past president of the American Psychological Association psychological hypnosis division Society for Clinical and Experimental Hypnosis and American Board of Psychological Hypnosis Ronald E Shor was professor of psychology at the University of New Hampshire and vice chairman of the Education and Research Foundation of the American Society of Clinical Hypnosis
