Suicide A European Perspective

Council of Europe

Suicide A European Perspective:

Suicide Nils Retterstøl,1993-06-17 A sensitive and enlightening account of the problem of suicide and attempted suicide in today's societies *Suicide* Nils Rettorstol,1993 **Euthanasia: National and European perspectives** Council of Europe,2003-01-01 In most Council of Europe member states active euthanasia or assisting a suicide are illegal The issue is the subject of a lively debate both in professional circles and amongst the general public and two countries the Netherlands and Belgium have decided to change their laws to enable doctors to bring a person's life to an end if certain conditions are fulfilled This publication takes a detailed look at the practical and legal situation in eight European countries and the United States as well as taking stock of the discussions taking place throughout Europe on various aspects of the end of life The ethical and human aspects of the euthanasia debate are discussed in another publication ISBN 9287150702 **Oxford Textbook of Suicidology and Suicide Prevention** Danuta Wasserman,2021 Part of the authoritative Oxford Textbooks in Psychiatry series the new edition of the Oxford Textbook of Suicidology and Suicide Prevention remains a key text in the field of suicidology fully updated with new chapters devoted to major psychiatric disorders and their relation to suicide

Handbook of Suicidal Behaviour Updesh Kumar,2017-10-26 This essential reference volume in the field of suicidology brings forth leading edge conceptualizations of suicidal behaviour by including emerging trends and recent research advances in the field across the globe It highlights the trajectories of suicidal behaviour emphasizing the psyche behind attempting suicide identifying vulnerable groups and bridging the gap between theoretical underpinnings and application for addressing the aftermath of suicide The handbook delineates research progress on risk assessment among vulnerable groups of varied milieu Furthermore it introduces various avenues of change and well being It also addresses important concerns related to terrorism and suicide in the armed forces This handbook is a comprehensive repository of the latest research synergized with theoretical conceptualizations that pave the way for newer approaches towards management and prevention of suicidal behaviour It includes contributions by eminent authors across the globe and is a must have resource for scholars academics and professionals in the areas of mental health and social work *Suicide Assessment and Treatment* Dana Worchel,Robin E. Gearing,2010-04-29 Suicide is an event that cannot be ignored minimized or left untreated However all too often mental health professionals and health care practitioners are unprepared to treat suicidal clients This text offers the latest guidance to frontline professionals who will likely encounter such clients throughout their careers and to educators teaching future clinicians The book discusses how to react when clients reveal suicidal thoughts the components of comprehensive suicide assessments evidence based treatments such as crisis intervention cognitive behavior therapy dialectical behavior therapy and more and ethical and legal issues that may arise Case studies exercises quizzes and other features make this a must have reference for graduate level courses Key topics Risk and identification of suicidal behaviors across the lifespan children adolescents adults and the elderly The links between suicidality and mental illness psychotic

disorders mood disorders and substance abuse Suicide risk among special populations military personnel LGBTQ individuals the homeless and more A model for crisis intervention with suicidal individuals **Suicide** Stephen Palmer,2014-04-04 All practitioners working in the caring and helping professions face many challenges and questions when dealing with suicidal clients Is this client being serious Can I do more What should I do Should I refer on Should I break confidentiality Have I assessed this client correctly Both experienced practitioners and trainees wish to have more knowledge about assessing and dealing with suicidal clients Suicide Strategies and Interventions for Reduction and Prevention examines myths about suicide explores facts and statistics at national and international levels and uses client cases to uncover thoughts leading to suicidal behaviour The editor offers an insight into what can be done in the community and within therapeutic settings when working with this challenging client group Contributions are divided into four parts covering suicide statistics research theory and interventions personal experience of suicide three therapeutic approaches to prevent suicide group interventions Featuring chapters from a range of experienced practitioners this book provides a wealth of information on strategies and possible interventions The addition of a self harm management plan assessment checklists and list of useful organizations makes it essential reading for both mental health professionals and those in training **A Global History of Execution and the Criminal Corpse** Richard Ward,2015-09-27 Through studies of beheaded Irish traitors smugglers hung in chains on the English coast suicides subjected to the surgeon s knife in Dresden and the burial of executed Nazi war criminals this volume provides a fresh perspective on the history of capital punishment The chapters Introduction A Global History of Execution and the Criminal Corpse and The Gibbet in the Landscape Locating the Criminal Corpse in Mid Eighteenth Century England are open access under a CC BY 4 0 license **Recovery from schizophrenia** Kim Hopper,2007 [A Brief History of Death](#) W. M. Spellman,2014-02-15 As humans death its certainty its inevitability consumes us We make it the subject of our literature our art our philosophy and our religion Our feelings and attitudes toward our mortality and its possible afterlives have evolved greatly from the early days of mankind Collecting these views in this topical and instructive book W M Spellman considers death and dying from every angle in the Western tradition exploring how humans understand and come to terms with the end of life Using the work of archaeologists and paleoanthropologists Spellman examines how interpreting physical remains gives us insight into prehistoric perspectives on death He traces how humans have died over the centuries both in the causes of death and in the views of actions that lead to death He spotlights the great philosophical and scientific traditions of the West which did not believe in an afterlife or see the purpose of bereavement while also casting new light on the major religious beliefs that emerged in the ancient world particularly the centuries long development of Christianity He delves into three approaches to the meaning of death the negation of life continuity in another form and agnosticism from both religious and secular scientific perspectives Providing a deeper context for contemporary debates over end of life issues and the tension between longevity and quality of life A Brief History of Death is an illuminating look at the complex ways

humans face death and the dying **Client Assessment** Stephen Palmer, Gladeana McMahon, 1997-03-18 This chunky little book is packed with interesting approaches to the currently fashionable area of client assessment This is a book for any counsellor or counsellor trainee s shelf a necessary reference for the sound professional Counselling News The comprehensive series of essays is a timely contribution This book is about being professional and effective a valuable multimodal life inventory for use with clients is provided Counselling The Journal of The British Association for Counselling What information will help you assess the therapeutic needs of a client Could you identify a suicidal client How can you tell whether or not you are working with appropriate clients Answering these and other questions this book sheds light on a crucial but often neglected area of counselling The authors provide clear guidelines backed up by practice points which clarify the assessment monitoring and evaluation of clients The book adopts a broad approach transcending specific counselling theories and covering the main issues involved at key stages in the client counsellor relationship from the initial contact through monitoring of the therapeutic programme to ending the counselling process Areas examined include assessing the best type of therapy for each client identifying the client s therapeutic goals history taking referral and evaluating goal achievement Gladeanna McMahon is presenter of the ITV programme Dial A Mum *Contemporary Psychiatry* Fritz Henn, Norman Sartorius, Hanfried Helmchen, Hans Lauter, 2013-11-11 Contemporary Psychiatry is an international textbook developed on the basis of the experience with its first three German editions making it a work with long and distinguished tradition It combines the German tradition of phenomenology and diagnosis going back to Kraepelin with the Anglo American tradition and the DSM IV diagnostic system In doing so Contemporary Psychiatry becomes a unique source among psychiatric texts offering a truly international approach to state of the art knowledge and future perspectives of psychiatry The four internationally renowned editors were able to acquire the leading specialists as contributors No less than 120 authors from 10 different countries ensure an extremely high standard and guarantee the consideration of cross cultural aspects A special feature of Contemporary Psychiatry is that it includes chapters on psychiatric disorders caused by extreme circumstances such as for example migration torture rape violence and natural and man made disasters *Suicide and Society in India* Peter Mayer, 2010-10-18 In India about 123 000 people take their own lives each year the second highest total in the world There is a suicide death in India almost every 4 minutes and it is the leading cause of death for rural Indians especially women in early adulthood This book presents a comprehensive analysis of suicide in India based on original research as well as existing studies and looks at the issue in an international sociological and historical context The author looks at the reliability of suicide data in India and goes on to discuss various factors relating to suicide including age gender education and marriage Among its findings the book exposes a hidden youth suicide crisis in India which is argued to be far more serious than the better known crisis of farmer suicides The book dispels many myths that are commonly associated with suicide and highlights a neglected public health problem Suicide in the region of Pondicherry is looked at in

detail as well as in the Indian Diaspora This book is a useful contribution to South Asian Studies as well as studies in Mental Health and Sociology

Handbook of Cultural Health Psychology Shahe S. Kazarian, David R. Evans, 2001-08-24 The Handbook of Cultural Health Psychology discusses the influence of cultural beliefs norms and values on illness health and health care The major health problems that are confronting the global village are discussed from a cultural perspective These include heart disease cancer HIV AIDS pain and suicide The cultural beliefs and practices of several cultural groups and the unique health issues confronting them are also presented The cultural groups discussed include Latinos Aboriginal peoples people of African heritage and South Asians The handbook contributes to increased personal awareness of the role of culture in health and illness behavior and to the delivery of culturally relevant health care services Many societies are culturally diverse or becoming so the cultural approach is a unique and necessary addition to the health psychology area Satisfies the ever increasing appetite of health psychologists for cultural issues in health and women s health issues Major and global health concerns are covered including heart disease cancer HIV AIDS pain suicide and health promotion The health beliefs and practices of Latinos people of African heritage Aboriginal peoples and South Asians are presented without stereotyping these cultural groups The handbook provides excellent information for health care researchers practitioners students and policy makers in culturally pluralistic communities References are thorough and completely up to date

Nordic Health Law in a European Context Elisabeth Rynning, Mette Hartlev, 2011-12-21 This anthology aims to provide Nordic perspectives on the young and evolving field of health law or biomedical law by reflecting on issues that have been explored within the activities of the Nordic Network for Research in Biomedical Law In the emergence of this fairly new legal discipline it has become very clear that the Nordic region forms a part of Europe that has been strongly influenced by both hard and soft law initiatives from the European Union and the Council of Europe but also that Nordic identity culture and collaboration clearly remain an important factor in the legal development of this particular region The book is divided thematically into three sections The first deals with foundational and general issues of health law the second with patients rights and the third with issues related to advancements in biomedical science Part One includes two chapters on the relationship between health law and human rights together with discussions on specific Nordic approaches to the organisation and regulation of health services to constitutional protection of the right to health and to the legal discipline of health law as such One chapter provides an overview of the mission and tasks of the Nordic Committee on Bioethics The section on patient s rights deals with the development or absence of special legislation on the status of patients but also with issues of coercive care and of cultural accommodation in health services as well as the implications that assessments and decisions made in health care services may have for the patient s right to other entitlements e g sickness benefits In the third section on biomedical science one author explores the concept of human dignity while another discusses the challenges facing European integration of biomedical research regulation Specific topics such as different approaches to biobank regulation and genetic privacy in

family relations are also addressed and in the final chapter the legal status of deceased fetuses While the volume provides Nordic perspectives on health law the issues discussed are general The book should therefore be of great interest not only to readers wanting a better understanding of the Nordic situation but also to anyone with an interest in the challenging health law issues facing society in our time The authors are members of the Nordic Network for Research in Biomedical Law

Bibliography of the History of Medicine ,1993 Encyclopedia of Violence, Peace, and Conflict ,2008-09-05 The 2nd edition of Encyclopedia of Violence Peace and Conflict provides timely and useful information about antagonism and reconciliation in all contexts of public and personal life Building on the highly regarded 1st edition 1999 and publishing at a time of seemingly inexorably increasing conflict and violent behaviour the world over the Encyclopedia is an essential reference for students and scholars working in the field of peace and conflict resolution studies and for those seeking to explore alternatives to violence and share visions and strategies for social justice and social change Covering topics as diverse as Arms Control Peace Movements Child Abuse Folklore Terrorism and Political Assassinations the Encyclopedia comprehensively addresses an extensive information area in 225 multi disciplinary cross referenced and authoritatively authored articles In his Preface to the 1st edition Editor in Chief Lester Kurtz wrote The problem of violence poses such a monumental challenge at the end of the 20th century that it is surprising we have addressed it so inadequately We have not made much progress in learning how to cooperate with one another more effectively or how to conduct our conflicts more peacefully Instead we have increased the lethality of our combat through revolutions in weapons technology and military training The Encyclopedia of Violence Peace and Conflict is designed to help us to take stock of our knowledge concerning these crucial phenomena Ten years on the need for an authoritative and cross disciplinary approach to the great issues of violence and peace seems greater than ever More than 200 authoritative multidisciplinary articles in a 3 volume set Many brand new articles alongside revised and updated content from the First Edition Article outline and glossary of key terms at the beginning of each article Entries arranged alphabetically for easy access Articles written by more than 200 eminent contributors from around the world **Contemporary European Perspectives on the Ethics of End of Life Care**

Nathan Emmerich,Pierre Mallia,Bert Gordijn,Francesca Pistoia,2020-05-12 This book examines the ethics of end of life care focusing on the kinds of decisions that are commonly made in clinical practice Specific attention is paid to the intensification of treatment for terminal symptoms particularly pain relief and the withdrawal and withholding of care particularly life saving or life prolonging medical care The book is structured into three sections The first section contains essays examining end of life care from the perspective of moral theory and theology The second sets out various conceptual terms and distinctions relevant to decision making at the end of life The third section contains chapters that focus on substantive ethical issues This format not only provides for a comprehensive analysis of the ethical issues that arise in the context of end of life care but allows readers to effectively trace the philosophical theological and conceptual underpinnings that inform their

specific interests This work will be of interest to scholars working in the area as well as clinicians specialists and healthcare professionals who encounter these issues in the course of their practice

The Oxford Handbook of Evolutionary Perspectives on Violence, Homicide, and War Todd K. Shackelford, Viviana A. Weekes-Shackelford, 2012-08-23 This volume synthesizes the theoretical and empirical work of leading scholars in the evolutionary sciences to produce an extensive and authoritative review of this literature

Self-Determination, Dignity and End-of-Life Care Stefania Negri, 2012-02-03 This volume gathers the contributions of leading researchers in the fields of bioethics medical law and human rights By providing an interdisciplinary reading of advance directives regulation against the background of European and International law this book aims to offer new insights into the most controversial legal issues surrounding the theme of dignity and autonomy at the end of life Cross cultural perspectives from Europe the Americas Australia and China offer a comparative analysis of legal approaches to end of life decision making and care including the hotly debated issues of euthanasia and assisted suicide also giving an account of recent developments in domestic legislation and jurisprudence Special focus is placed on the Italian legal system and its ongoing discussion on advance directives regulation

Suicide A European Perspective Introduction

In the digital age, access to information has become easier than ever before. The ability to download Suicide A European Perspective has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Suicide A European Perspective has opened up a world of possibilities. Downloading Suicide A European Perspective provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Suicide A European Perspective has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Suicide A European Perspective. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Suicide A European Perspective. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Suicide A European Perspective, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to

download Suicide A European Perspective has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Suicide A European Perspective Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Suicide A European Perspective is one of the best book in our library for free trial. We provide copy of Suicide A European Perspective in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Suicide A European Perspective. Where to download Suicide A European Perspective online for free? Are you looking for Suicide A European Perspective PDF? This is definitely going to save you time and cash in something you should think about.
