**China's Local Councils in the Age of Constitutional Reform, 1898-1911** Roger R. Thompson, 2020-03-23 Dazzled by the model of Japan's Western style constitutional government Chinese officials and elite activists made plans to establish locally elected councils By October 1911 government agencies had reported the establishment of about 5 000 councils Throughout the period data on self government reforms collected from localities were compiled in provincial capitals then collated summarized and archived in Beijing Simultaneously directives were being sent from the capital to the provinces From this wealth of previously unexamined material Roger R Thompson draws a portrait in motion of the reforms He demonstrates the energy and significance of the late Qing local self government movement while making a compelling case that it was separate from the well studied phenomenon of provincial assemblies and constitutionalism in general

**Disputed Dharmas** Collett Cox, 1995 *The Peking Gazette in Late Imperial China* Emily Mokros, 2021-05-20 How news circulated from the Qing dynasty court In the Qing dynasty 1644 1911 China experienced far greater access to political information than suggested by the blunt measures of control and censorship employed by modern Chinese regimes A tenuous partnership between the court and the dynamic commercial publishing enterprises of late imperial China enabled the publication of gazettes in a wide range of print and manuscript formats For both domestic and foreign readers these official gazettes offered vital information about the Qing state and its activities transmitting state news across a vast empire and beyond And the most essential window onto Qing politics was the Peking Gazette a genre that circulated globally over the course of the dynasty This illuminating study presents a comprehensive history of the Peking Gazette and frames it as the cornerstone of a Qing information policy that paradoxically prized both transparency and secrecy Gazettes gave readers a glimpse into the state's inner workings but also served as a carefully curated form of public relations Historian Emily Mokros draws from international archives to reconstruct who read the gazette and how they used it to guide their interactions with the Chinese state Her research into the Peking Gazette's evolution over more than two centuries is essential reading for anyone interested in understanding the relationship between media information and state power **The Eccentric Doctor**

**of the Moon Flower Kingdom Vol. 10** Tohru Himuka, 2025-06-10 Koyou and Singdam's shared past finally comes to light In Orchid province a young Koyou attracts suspicion and mockery from adults and fellow children alike for her unique talents while Singdam languishes in tortured isolation on the streets as a Nankin refugee But when Koyou's unlikely friendship with a local scholar sparks trouble for her Singdam will put his life on the line to save her Meanwhile in the present as hope of changing Noah's mind dwindles Koyou shows her father her true skills as a doctor and Keiun reveals his true feelings The Chinese Gazette in European Sources Nicolas Standaert, 2022-01-31 The Chinese gazette as a publicly available government publication was distributed in a variety of formats since the twelfth century Little is known however about its form and content before 1800 By looking at China from the periphery this study shows how European sources offer a unique way of

expanding the knowledge about the gazette of the seventeenth and eighteenth centuries Its interconnected history illustrates how the Chinese gazette as translated by European missionaries became a major source for reflections on state and society by Enlightenment thinkers It thus joined a global public much earlier than so far assumed *Monarchs and Ministers* Beatrice S. Bartlett,1994-01-01 No one in the West knows the archives of China s last dynasty better than Professor Bartlett *Monarchs and Ministers* affords us one of the first truly informed views of imperial Chinese policy making from the inside Frederic Wakeman University of California Berkeley *Monarchs and Ministers* is one of those rare works that commands unanimous assent and constitutes a breakthrough Pierre Henri Durand Centre National de la Recherche Scientifique Paris
