Suitable Groom:

A GOOD GROOM IS HARD TO FIND Amy Frazier, 2011-07-15 SWEET HOPE WEDDINGS Welcome to Sweet Hope Georgia where weddings come to those who least expect them INTRODUCING THE RESIDENT BACHELOR Rhune Sherman had met his match The rebel doctor was thinking marriage and hearts all over town were breaking But once Tess announced she wasn't looking for a husband Rhune's seduction would surely halt or would it AND HIS INTENDED BRIDE Her own wedding wasn't quite what Tess McQueen had in mind she'd planned to make Rhune marry her sister Yet after kissing the would be groom Tess didn't know how she'd ever resist him Will the bride say I do in time for another SWEET HOPE

WEDDING **A SUITABLE GROOM** Liz Fielding, Akemi Maki, 2015-01-21 Veronica Grant has a problem she needs a date for a wedding or she'll be henpecked by all her relatives Fergus Kavanagh has a similar dilemma His sisters are dead set on setting him up with any number of women he has no interest in A chance encounter on a train gives them the opportunity to fix both their problems in one swoop but Veronica begins to think that Fergus might be a suitable groom beyond the facade

Domestic Goddesses Henrike Donner, 2016-05-23 Based on extensive fieldwork in Calcutta this book provides the first ethnography of how middle class women in India understand and experience economic change through transformations of family life It explores their ideas practices and experiences of marriage childbirth reproductive change and their children's education and addresses the impact that globalization is having on the new middle classes in Asia more generally from a domestic perspective By focusing on maternity the book explores subjective understandings of the way intimate relationships and the family are affected by India's liberalization policies and the neo liberal ideologies that accompany through an analysis of often competing ideologies and multiple practices And by drawing attention to women's agency as wives mothers and grandmothers within these new frameworks Domestic Goddesses discusses the experiences of different age groups affected by these changes Through a careful analysis of women's narratives the domestic sphere is shown to represent the key site for the remaking of Indian middle class citizens in a global world **The Good, the Bold, and the Beautiful** Dan

W. Clanton, Jr., 2006-04-19 The story of Susanna and the Elders is one of the most interpreted and reproduced tales from the Apocrypha and for good reason In its compact narrative it touches on attempted rape female sexuality abuse of power punishment for the wicked and voyeurism The Good the Bold the Beautiful argues that the story of Susanna was written in the first century BCE and Clanton provides a brief description of that century He performs a narrative rhetorical reading of Susanna and illustrates that the story uses sexual anxiety and desire to set up a moral dilemma for Susanna That moral dilemma is resolved in two ways Susanna's refusal to allow herself to be raped and Daniel's intervention Clanton argues that although the story has many mimetic features it is the thematic function that is overriding especially after Daniel's appearance Put another way the story's emphasis on Susanna the Elders and Daniel as plausible people is secondary to its stress on what those characters represent and the message it is relaying through those representations Clanton analyzes

chronologically selected aesthetic interpretations of the story found in the Renaissance He shows that the prevailing artistic interpretation during the Renaissance focused on the mimetic sexual aspects of the story because it deals with issues of patronage and sex gender that were current at the time The Good the Bold the Beautiful argues that several Renaissance renderings provide counter readings that focus more on the value and themes in the story These renderings provide models for readers to resist the sexually exploitative features of both the narrative and its interpretations Clanton reflects on the need for the reader to resist potentially harmful interpretation especially those that focus on the mimetic level of the story s rhetoric

From Fear To Freedom Dr. Rilly Ray Rajkumar,2014-09-04 Journey through Dr Rilly Ray Rajkumar s biographical account of the life of a young woman named Rilly born in Darjeeling India and raised in a Bengali home during the 1940s She watched her mother a previously docile fearful woman overcome her fear convincing her husband that the family needed to migrate to Malaya for the sake of their children This work tells of Rilly s persistence and dedication in pursuing an education becoming a medical doctor like her father all the while fighting against the suppression of women cultural traditions such as arranged marriages and the freedom of religious choice And like mother like daughter this requires another move to Singapore To quote the author I realized that the pains my mother went through in her life urged me to write this book I wanted the world to know what a simple woman can achieve by her sacrifices

The Islamic Marriage Contract Asifa Quraishi, Frank E. Vogel, 2022-10-07 It is often said that marriage in Islamic law is a civil contract not a sacrament If this is so this means that the marriage contract is largely governed by the same rules as other contracts such as sale or hire But at the same time marriage is a profound concern of the Islamic scriptures of Qur'an and Sunna and thus at the very core of the law and morality of Islam and of the individual familial and social life of Muslims This volume collects papers from many disciplines examining the Muslim marriage contract Articles cover doctrines as to marriage contracts e.g. may a wife stipulate monogamy historical instances e.g. legal advice from thirteenth century Spain comparisons with Jewish and canon law contemporary legal and social practice and projects of activists for women worldwide Demonstrating a new and powerful focus for comparative and historical inquiries into Islamic law and social practices this book marks a fresh point of departure for the study of Muslim women

Female Infanticide in India Rashmi Dube Bhatnagar, Renu Dube, Reena Dube, 2012-02-01 Female Infanticide in India is a theoretical and discursive intervention in the field of postcolonial feminist theory It focuses on the devaluation of women through an examination of the practice of female infanticide in colonial India and the reemergence of this practice in the form of femicide selective killing of female fetuses in postcolonial India The authors argue that femicide is seen as part of the continuum of violence on and devaluation of the postcolonial girl child and woman In order to fully understand the material and discursive practices through which the limited and localized crime of female infanticide in colonial India became a generalized practice of femicide in postcolonial India the authors closely examine the progressivist British colonial history of the discovery reform and eradication of the practice of female infanticide Contemporary tactics of resistance are offered in the closing chapters

Women and Domestic Violence in Bangladesh Laila Ashrafun, 2018-04-17 After the independence of Bangladesh in 1971 the country has experienced large scale transformations owing to national and international migration urbanization the development of many national and international non governmental organizations NGOs and economic dynamism Globalization and economic liberalization have created opportunities to develop sustainable social policies by strengthening the national economy of the country Major progress has been made in closing the gender gap and the Constitution of Bangladesh provides equality of status and opportunity to all its citizens irrespective of sex However domestic violence perpetuated against women is a common phenomenon in Bangladesh This book is a study about domestic violence against women in Bangladeshi society It delineates in particular why and how some women become the victims of domestic violence in the changing socio economic setting of Bangladesh The author explores the multiple contexts in which domestic violence occurs by focusing on the everyday experience of women subjected to this violence The book shows how changing socio economic setting urbanization and the growing demand for female labor
