Sultanate Of Oman A Twentieth Century History

Miriam Joyce

Sultanate Of Oman A Twentieth Century History:

The Sultanate of Oman Miriam Joyce, 1995-08-15 This study is based on extensive research in British sources and includes material from archives in the United States The last chapter which covers the period from 1970 is based on Omani newspapers and interviews with Omani officials conducted in 1994 Throughout the 20th century Omani rulers were confronted with rebellious tribes and threatened by movements originating outside the sultanate including Wahhabism Arab nationalism and communism The discovery of oil in the 1960s did not free the Omani people from poverty or seclusion The Sultan's subjects were only liberated in 1970 when a coup d'état led by Sayyid Qaboos bin Said enabled Oman to build a modern infrastructure join the Arab World and the international community Oman in the Twentieth Century J.E. Peterson, 2016-02-12 Oman was ruled by the Al Bu Sa'id for 250 years and during this period the fortunes of the state varied considerably But in July 1970 as a result of a palace coup the state abruptly turned away from isolation and traditions of the past The most obvious alteration was in the dramatic change in the outward appearance of the country particularly as exemplified by the rejection of the long era of stagnation and the parallel emphasis on socio economic development In the political realm however the shifting balance of power and the rapid growth and diversification of the state's administrative structure were based essentially on perennial themes in Omani politics The interplay between four of these themes forms the basis of this study first published in 1978 The role of the Sultan and the ruling family the development of the administration the exercise of tribal politics and the impact of external influences on the state are closely examined and the modifications they went in response to the various challenges of the twentieth century are discussed The constant flux in the relative importance of each of these themes illustrates the fragile nature of the traditional Omani political system for in the twentieth century the Al Bu Sa'id Sultanate found its precarious hold over the country challenged on a number of occasions These challenges ranging from the tribal and religious rebellion of 1913-20 to the Marxist Leninist revolt in Dhufar are also analysed in detail together with the response of the Sultanate to their impact Oman's Insurgencies John Peterson, 2014-05-22 Oman today is a rapidly modernizing and peaceful country on the fringes of a region in turmoil It does however have a long history of internal strife In the twentieth century this strife took the form of two internal conflicts The Northern Oman or al Jabal al Akhdar War of the 1950s was a struggle between the forces of the old tribally based Imamate and the newer Sultanate in the northern part of the country In the Dhufar War of the 1960s-70s an anti Sultanate and later Marxist front sought secession in the south J E Peterson takes a detailed look at these two wars in the context of insurgency and counter insurgency warfare He surveys Oman's transition from a strictly traditional regime controlling only parts of the country to a modern inclusive state particularly in terms of security concerns Peterson analyses the development of the Sultanate's successful responses to security challenges especially in the creation and evolution of modern armed forces

Britain and Oman, c. 1945-1980 Tancred Bradshaw, 2025-06-20 This book examines the relationship between Britain and

Oman since the end of the Second World War up until the Iranian revolution Particular focus is given to the political and economic development of the state together with Britain's various overt and covert interventions principally in the three decades between 1945 and 1975 The author addresses themes which have previously been unexplored in the literature on Oman and British Imperialism in the Arabian Peninsula such as the establishment of the Sultan's Armed Forces and the impact of the oil industry The book shows that Sultan Said bin Taymur r 1932-1970 enjoyed considerable agency in his relations with the British who found it very difficult to persuade him to implement economic development and establish relations with his neighbours Britain's relations with successive sultans were deliberately concealed including the contribution of special forces in fighting Oman's insurgencies It is widely argued that when Qaboos bin Said became Sultan in 1970 a renaissance occurred however many newly discovered documents have called this into question They reveal how an inexperienced Sultan came to power with covert British support and Whitehall's direction of the war in Dhofar from afar These documents highlight the extent of British intelligence cooperation and psychological warfare planning to counter the insurgents in Dhofar However as this book demonstrates the Sultan also relied on non British advisors known as the mafia to secure financial assistance and establish diplomatic ties across the Middle East Finally the book details how British defence assistance continued well beyond the retreat from empire in the Persian Gulf

A History of Modern Oman Jeremy Jones, Nicholas Ridout, 2015-08-31 The ideal introduction to the history of modern Oman from the eighteenth century to the present this book combines the most recent scholarship on Omani history with insights drawn from a close analysis of the politics and international relations of contemporary Oman Jeremy Jones and Nicholas Ridout offer a distinctive new approach to Omani history building on postcolonial thought and integrating the study of politics and culture The book addresses key topics including Oman's historical cosmopolitanism the distinctive role of Omani Islam in the country's social and political life Oman's role in the global economy of the nineteenth century insurrection and revolution in the twentieth century the role of Sultan Qaboos in the era of oil and Oman's unique regional and diplomatic perspective on contemporary issues

Gulf in World History Allen James Fromherz, 2018-08-31 *Ruling Shaikhs and Her Majesty's Government, 1960-1969* Miriam Joyce, 2003 This volume discusses the evolution of the British protected Gulf states during the 1960s and explains how these small Shaikhdoms moved towards independence Based on extensive research using British documents from the Public Records Office and selected American documents from the National Archives this book investigates the relationship between British officials and Arab Gulf Shaikhs At the beginning of what was to be their final years as guardians of the Gulf British officials pressed for political progress co operation among the Shaikhdoms and improvements in education and health care At the same time Foreign Office officials continued to safeguard specific British economic interests and the political interests of the Western Alliance

Historical Dictionary of Arab and Islamic Organizations Frank Clements, 2001 Unity is an often heard word in Arab and Islamic circles This historical dictionary seeks to show that along with the underlying sources

of unity there are also sources of division in these groups Unlike other volumes in this series this volume focuses not only on the organizations but also on the key countries and figures of the region Includes o An explanatory introduction o List of Acronyms o Chronology o Bibliography **The Middle East and South Asia 2012** Malcolm Russell,2012-08-09 This volume is designed to place in context the passionate controversies and emotional attachments of the two billion people who live study work love and die in the Middle East and South Asia Understanding these regions means more than annually updated details of the governments politics cultures and economies of the 24 nations and assorted territories Special chapters address significant issues of continuing international importance including access to water the role of oil and the 2011 Arab spring Both regions after all contain types of people misunderstood and often intensely disliked by others Where religion intrudes on politics the Afghan Taliban oppose educating girls Hindu fanatics rampage in India Iranian militiamen shoot demonstrators Islamic extremists impose shari a law and Jewish Ultra Orthodox send women to the back of the bus Readers bombarded with superficial news bites and slanted reporting might never sense the other accomplishments of these same societies Islamic charities and societies bring relief to the impoverished Israel s scholars win Nobel prizes and most Indians cherish long standing religious toleration The author of this volume attempts to let the reader draw conclusions from the evidence **Oman** Diana Darke,Sandra Shields,2006 The modern coastal city of Muscat provides a gateway to scuba diving dhow cruising and turtle watching whilst the ancient inner regions provide ideal terrain to take a 4WD through wadis or desert Some of the most luxurious hotels in the Middle East are in Oman so this guide is suitable for up market travellers and backpackers alike **Deconstructing 'Energy Security' in Oman** Lamya Harub,2022-10-25 This book makes a substantial and timely contribution to discussions on energy security in Oman providing a systematic analysis of energy security in Oman from 1920 to 2020 It is particularly relevant in light of the recent global geopolitics of the Gulf particularly and the Middle Eastern region broadly as well as connecting to current climate change research and debates Combining a political sociological account with postcolonial concepts within a theoretical and empirical exploration of energy politics the book weaves a study of energy security into the historical and contemporary development of political economic security and social structures in Oman Including interviews with Omani and Oman based practitioners as well as grounded in historical documents which include Arabic language sources this book evaluates the energy question beyond the typical economic perspective considering socio political opportunities and challenges It also makes economic related recommendations in tandem with rentier state theory Unlike the dominant accounts of energy security in Oman this book sets itself apart by moving away from utilising liberal and realist approaches for its analysis and engages systematically with critical security studies to introduce a non Eurocentric perspective to the arena Of interest to scholars in Middle Eastern history energy security and security studies this book assumes an important place in the critical literature on the Gulf particularly within environmental studies and energy policy literature Oman's Foreign Policy Majid Al-Khalili,2009-05-19 This is the first

book in more than a decade to look systematically at the foundations and practices of Oman's foreign policy and its impact on the production and distribution of oil. An expert in the history of the Sultanate of Oman, Majid Al Khalili provides new information and a fresh analysis of the lands bordering the Arabian Sea and the Gulf of Oman. Beginning with an examination of the reign of Sultan Qaboos bin Said as well as the sultanate's geography and how location has influenced its history, Oman's Foreign Policy: Foundation and Practice analyzes Oman's foreign relations from the early 20th century until the beginning of the 21st century, providing the background to recent events. Following an analysis of the sultanate's renaissance in the 1970s and 1980s, the book considers how Oman's foreign policy changed in the wake of the 1991 Gulf War. It also examines historic power rivalries in the region as well as modern conflicts that now include Iran, Iraq, and Saudi Arabia. The result is a comprehensive understanding of Oman's place in the Middle East and its influence upon the world's changing power structure.

The Middle East and South Asia 2013 Malcolm Russell, 2013-08-28. This volume is designed to place in context the passionate controversies and emotional attachments of the two billion people who live, study, work, love, and die in the Middle East and South Asia. Understanding these regions means more than annually updated details of the governments, politics, cultures, and economies of the 24 nations and assorted territories. Special chapters address significant issues of continuing international importance, including access to water, the role of oil, and the 2011 Arab Spring. Both regions, after all, contain types of people misunderstood and often intensely disliked by others. Where religion intrudes on politics, the Afghan Taliban oppose educating girls, Hindu fanatics rampage in India, Iranian militiamen shoot demonstrators, Islamic extremists impose sharia, and Jewish Ultra Orthodox send women to the back of the bus. Readers bombarded with superficial news bites and slanted reporting might never sense the other accomplishments of these same societies. Islamic charities and societies bring relief to the impoverished; Israel's scholars win Nobel prizes, and most Indians cherish long-standing religious toleration. The author of this volume attempts to let the reader draw conclusions from the evidence.

The Middle East and South Asia 2016-2017 Seth Cantey, 2016-08-22. This volume is designed to place in context the passionate controversies and emotional attachments of the two billion people who live, study, work, love, and die in the Middle East and South Asia. Understanding these regions means more than annually updated details of the governments, politics, cultures, and economies of the twenty-four nations and assorted territories. Special chapters address significant issues of continuing international importance, including access to water, the role of oil, and the 2011 Arab Spring. Both regions, after all, contain types of people misunderstood and often intensely disliked by others. Where religion intrudes on politics, the Afghan Taliban oppose educating girls, Hindu fanatics rampage in India, Iranian militiamen shoot demonstrators, Islamic extremists impose sharia, and Jewish Ultra Orthodox send women to the back of the bus. Readers bombarded with superficial news bites and slanted reporting might never sense the other accomplishments of these same societies. Islamic charities and societies bring relief to the impoverished; Israel's scholars win Nobel prizes, and most Indians cherish long-standing religious toleration. The author of

this volume attempts to let the reader draw conclusions from the evidence

Oman Under Qaboos Calvin H. Allen, W. Lynn Rigsbee II, 2014-01-14 This is an examination of the political economic and social development of Oman from the accession Sultan Qaboos in a palace coup in 1970 to the promulgation of the basic law of 1996 The book argues that the sultanate does not follow the rentier model but the patriarchal tradition

Colonialism Melvin E. Page, 2003-09-16 The most exhaustive reference work available on this critical subject in world history focusing on the politics economy culture and society of both colonizers and colonized The history of the last 500 years is the history of imperialism writes editor Melvin Page In the Americas as a result of imperialist conquest disease famine and war nearly wiped out a population estimated in the tens of millions Africa was devastated by the slave trade an integral part of imperialism from the 1400s to the 1800s In Asia even though native populations survived native political institutions were destroyed Imperialism also forged the two most important ideologies of the last five centuries racialism and modern nationalism In more than 600 essays presented in this three volume encyclopedia Page and other leading scholars historians political scientists economists and sociologists analyze the origins of imperialism the many forms it took and its impact worldwide They also explore imperialism's bitter legacy the gross inequities of global wealth and power that divide the former conquerors primarily Europe the United States and Japan from the people they conquered

Persian Gulf States Laura Etheredge Assistant Editor, Middle East Geography, 2011-01-15 Describes the geography economy government society cultural life and history of the Persian Gulf states including Kuwait Qatar Bahrain Oman and the United Arab Emirates

Introduction to Oman Gilad James, PhD, 2014-05-03 Oman is a country located in the Middle East on the southeastern coast of the Arabian Peninsula It is a small country with a population of around 5 million people Oman has a rich history and culture with evidence of human settlement dating back to 10 000 BC Its strategic location made Oman an important center for trade and commerce in the ancient world with its ports serving as crucial stopovers for traders traveling between Asia Africa and Europe Today Oman is a modern and prosperous country with a thriving economy based largely on oil production tourism and commerce It is known for its stunning landscapes including rugged mountains golden deserts and picturesque coastlines as well as its diverse and hospitable people Despite its modernization and progress Oman remains deeply rooted in its traditions and history making it a unique and fascinating destination for travelers and scholars alike

Oman: the Modernization of the Sultanate Calvin H. Allen, Jr, 2016-02-05 Until the 1970s Oman was an isolated almost medieval kingdom virtually unknown to the outside world The 1970 palace coup that brought Sultan Qaboos bin Sa'id Al Sa'id to power also brought Oman into the twentieth century Development programmes made modernization a rapid process and Oman's location at the entrance to the Straits of Hormuz gave the country an increasing importance to US security interests in the Gulf region Yet despite modernization Oman remains an unknown land This book first published in 1987 dispels some of the mystery by focusing on the land the people and the history It explores the influences on events of trade foreign involvement in Omani affairs and

Ibadism the principal sect of Islam in Oman It also emphasizes the role of the Sultan in contemporary Oman The architect of Oman s new age Qaboos has overseen significant changes in the country s political system and rapid economic growth financed by oil exports **Zanzibar Was a Country** Nathaniel Mathews,2024-04-09 Zanzibar Was a Country explores the transregional impact of the Zanzibar Revolution of 1964 through the historical memory of its exiles Thousands of former citizens of Zanzibar and their offspring live in Oman and are a significant contemporary example of an Arab community that maintains a living connection to Africa in diaspora These Zanzibaris as they are often known in Oman speak Swahili sustain community originally formed in Africa and continue to remember Zanzibar s history as an independent country Drawing on their life histories their historiography of Zanzibar and the archival traces of their migrations Nathaniel Mathews demonstrates how these exiles were important to nation building and economic development in Oman
