Summer in America Amy Willard Cross, Dudley Witney, 1995 Contemporary and historical photographs and illustrations explore the phenomenon of the vacation its various locations from camps to summer homes the amusements and diversions it provides from croquet to fishing and capture America at play in the summertime America's Olympic Summer: Reflecting U.S. Values , **An American Summer** Alex Kotlowitz, 2020-03-31 2020 J ANTHONY LUKAS PRIZE WINNER From the bestselling author of *There Are No Children Here* a richly textured heartrending portrait of love and death in Chicago s most turbulent neighborhoods The numbers are staggering over the past twenty years in Chicago 14 033 people have been killed and another roughly 60 000 wounded by gunfire What does that do to the spirit of individuals and community Drawing on his decades of experience Alex Kotlowitz set out to chronicle one summer in the city writing about individuals who have emerged from the violence and whose stories capture the capacity and the breaking point of the human heart and soul The result is a spellbinding collection of deeply intimate profiles that upend what we think we know about gun violence in America Among others we meet a man who as a teenager killed a rival gang member and twenty years later is still trying to come to terms with what he s done a devoted school social worker struggling with her favorite student who refuses to give evidence in the shooting death of his best friend the witness to a wrongful police shooting who can t shake what he has seen and an aging former gang leader who builds a place of refuge for himself and his friends Applying the close up empathic reporting that made *There Are No Children Here* a modern classic Kotlowitz offers a piercingly honest portrait of a city in turmoil These sketches of those left standing will get into your bones This one summer will stay with you *Appleton's Illustrated Hand-book of American Summer Resorts*, 1880 *Summer Energy Concerns for the American Consumer* United States. insufferably pompous Herbert Hoover Calvin Coolidge interrupted an already leisurely presidency for an even more relaxing three month vacation in the Black Hills of South Dakota The gangster Al Capone tightened his grip on the illegal booze business through a gaudy and murderous reign of terror and municipal corruption The first true talking picture Al Jolson's The Jazz Singer was filmed and forever changed the motion picture industry The four most powerful central bankers on earth met in secret session on a Long Island estate and made a fateful decision that virtually guaranteed a future crash and depression All this and much much more transpired in that epochal summer of 1927 and Bill Bryson captures its outsized personalities exciting events and occasional just plain weirdness with his trademark vividness eye for telling detail and delicious humor In that year America stepped out onto the world stage as the main event and One Summer transforms it all into narrative nonfiction of the highest order
