StoryCraft Martha Seif Simpson, Lynne Perrigo, 2015-11-17. While storytelling is a great favorite of preschoolers, many elementary-age children are more drawn to crafts and other activities. StoryCraft is an award-winning library program that combines storytelling with crafts in an exciting and engaging activity for children in first through third grades. Each one-hour program includes storytelling, a craft, movement activities, music, and discussion. This collection of StoryCraft programs presents 50 fun and educational theme-based sessions. Each includes suggestions for promotion, music, crafts, activities, and stories. The sessions also include bibliographies to help direct young readers toward additional reading as well as diagrams, detailed instructions, and supply lists for the crafts. The themes range from a Jungle Safari to Math Mayhem to a Western Roundup, all encouraging children to enjoy reading in a variety of ways. Each session has plenty of suggestions so that the program can be customized. Helpful Hints for implementing the program can help any librarian, volunteer, or parent turn a ho-hum storytime into a dazzling StoryCraft time.

Connecting Boys with Books Michael Sullivan, 2003-05-29. Librarian and educator Michael Sullivan provides the tools that librarians, school library media specialists, and educators need to overcome cultural and developmental challenges, stereotyping, and lack of role models that essentially program boys out of the library. Attracting boys to library programs in the tween years will maintain their interest in books and reading over a lifetime, creating good health habits from a young age. Sullivan's practical and proven programming builds on the unique developmental needs and interests of boys in this middle stage. From playing chess to swathing the walls in butcher paper to give boys a physical space to respond to books, Sullivan's practical ideas and developmentally astute insights show librarians and teacher colleagues how to make vitally needed connections with this underserved population.
