Summer Camp Great Camps Of Algonquin:

Summer Camp Lundell,Bailey,1994-01-01 **Summer Camp** Liz Lundell,Beverley Bailey,1994 Veteran campers Liz Lundell and photographer Beverley Bailey visited all eight Algonquin camps to preserve in words and photographs the essence of summer camp The Nurture of Nature Sharon Wall,2010-01-01 Thousands of children attended summer camps in twentieth century Ontario Did parents simply want a break or were broader developments at play The Nurture of Nature explores the history of summer camps and sheds light on a wider phenomenon the divided consciousness that informs modern assumptions about nature technology and identity Wall examines how two competing tendencies antimodern nostalgia and modern sensibilities about the landscape child rearing and identity played out in the camp s interaction with nature its class and gendered dimensions its engagement with emerging ideologies of childhood and in the politics of race inherent in its Indian programming The Nurture of Nature offers a fascinating discussion of the summer camp s contribution to modern social life that will appeal to students and practitioners of the history of childhood the natural environment and recreation or anyone who has been packed off to camp and wants to explore why **Treasuring Algonquin** Gaye Clemson,2007-02-19 Among the many who treasure Algonquin Park in Ontario Canada are a small group of leasehold residents who have occupied small corners of the Park since the earliest days of the 20th century It is a book about their heritage the depth and breadth of their roots in the community their traditions and experiences living and settling in the forest 35 miles from the closest town their passion for Algonquin and its tradition of multiple use their community and its activities and their contributions both large and small to the environment and to quality Park experiences for all who visit Treasuring Algonquin is all about that leasehold community of 300 leaseholds spread across 19 lakes paralleling for the most part the old railway right of way whose forebears were invited by the Ontario Government to establish cottages in the Park Until 1954 cottagers were welcomed with open arms support and encouragement For some families it s the fifth generation who are now learning to appreciate Algonquin and its beauty Most of the time you d hardly know they were there until you run into trouble while paddling on one of the lakes lose your way need medical attention or get caught in a storm or a heavy northwind Then they miraculously appear to provide help and guidance and occasionally save your life Mostly in residence on weekends from ice out to ice in and for a few weeks in the summer members of this small but vibrant community of 9000 extended family members have become as much a part of Algonquin as the loons and the ladyslippers Through much detective work Clemson has blended current and historical narratives with extensive research through files seldom searched to provide a glimpse into the lives of the leaseholders who have treasured their experiences in Algonquin Park throughout the past century **Canoe Country** Roy MacGregor,2016-05-10 One of our favourite chroniclers of all things Canadian presents a rollicking personal photo filled history of the relationship between a country and its canoes From the earliest explorers on the Columbia River in BC or the Mattawa in Ontario to a doomed expedition of voyageurs up the Nile to rescue

Khartoum from the author s family roots deep in the Algonquin wilderness to modern families who have canoed across the country kids and dogs included Canoe Country is Roy MacGregor s celebration of the essential and enduring love affair Canadians have with our first and still favourite means of getting around Famous paddlers have been so enchanted with the canoe that one swore God made Canada as the perfect country in which to paddle it Drawing on MacGregor s own decades spent whenever possible with a paddle in his hand this is a story of high adventure on white water and the sweetest peace in nature s quietest corners from the author best able and most eager to tell it **A Boy's Cottage Diary, 1904** Fred Dickinson,1996-06-30 Fred Dickinson s diary opens a window on youth and the world of Ontario lakeland cottages at the beginning of the 20th century The stories we hand down the diaries we preserve become the fabric of our social history Young Fred Dickinson s 1904 account of tenting and cottaging is a spirited first hand sketch of a long neglected part of our heritage Larry Turner places the diary within social historic and geographic contexts giving it wide appeal to history buffs of all ages Julie Johnston award winning author **Depicting Canada's Children** Loren Lerner,2011-04-07 Depicting Canada s Children is a critical analysis of the visual representation of Canadian children from the seventeenth century to the present Recognizing the importance of methodological diversity these essays discuss understandings of children and childhood derived from depictions across a wide range of media and contexts But rather than simply examine images in formal settings the authors take into account the components of the images and the role of image making in everyday life The contributors provide a close study of the evolution of the figure of the child and shed light on the defining role children have played in the history of Canada and our assumptions about them Rather than offer comprehensive historical coverage this collection is a catalyst for further study through case studies that endorse innovative scholarship This book will be of interest to scholars in art history Canadian history visual culture Canadian studies and the history of children *Protecting Ontario's Wilderness* George Warecki,2000 While the literature on American wilderness preservation is well known to environmental historians the Canadian experience has only begun to be documented This book is the first full length history of wilderness protection in Ontario Drawing on government records the private files of environmentalists and their organizations and personal interviews Protecting Ontario s Wilderness examines the changing idea of wilderness and the politics of preservation from 1927 to 1973 This book traces the evolution of lobbying tactics and the internal debates that galvanized Ontario s modern wilderness preservation movement Through their pressure group activity preservationists became a catalyst for the emergence of environmental politics in Ontario *A Handbook of the Best Private Schools of the United States and Canada* ,1915 *Canadian Book Review Annual* ,1994 **Boys' Life** ,1978-03 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting *The Independent* William Livingston,1922 **Boys' Life** ,1981-03 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics

and Scouting *Boys' Life* ,1915-04 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting **Boys' Life** ,1992-02 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting **Outing** ,1907 **Boys' Life** ,1983-02 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting *Boys' Life* ,1991-03 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting The Christian Advocate ,1911 **Boys' Life** ,1988-06 Boys Life is the official youth magazine for the Boy Scouts of America Published since 1911 it contains a proven mix of news nature sports history fiction science comics and Scouting
