Summer Meditations:

Summer Meditations Vaclav Havel, 1993-06-27 In a book written while he was president of Czechoslovakia Vaclav Havel combines the same powerful eloquence moral passion and abiding wisdom that informed his writing as a dissident and playwright with a candor unprecedented from one with the broad perspective and infinite responsibility of governing a country Havel now president of the Czech Republic addresses the legacy of Communism as the euphoria of the Velvet Revolution gives way to a more problematic reality Yet even as he grapples with the challenges of political change he affirms his belief in a politics motivated by moral responsibility in an economy tempered by compassion and in the central roles of art and culture in the transformation of society *Summer Meditations* is not only a timely and necessary testament of events in Eastern Europe but a profound reflection upon the nature and practice of politics and a stirring call for morality civility and openness in public life throughout the world

Summer Meditations Father John Bartunek, LC, Sthd, 2016-04-01 When was the last time you stepped outside just to enjoy the sights sounds and fragrant scents of summer We look forward to summer and its longer days as a time to relax yet we toil and sweat outside under the summer sun With all the demands of a busy sometimes over scheduled life we often don't give ourselves time to be in harmony with nature These weekly reflections let you reconnect with summer a season that reminds us in all things there's a time to work and a time to rest The second in a series of four seasonal meditations books *Summer Meditations* explores religious topics in the context of modern life The 12 reflections in this book follow the rhythms of the summer season helping you rediscover the beauty of a balanced God centered life

1,001 Meditations Mike George, 2004-10-14 *1,001 Meditations* provides tips techniques and insights to last a lifetime of meditation In this pleasingly chunky richly colorful guide step by step meditations and simple visualizations are interspersed with illuminating affirmations and inspiring quotations to ponder over Best selling author Mike George takes meditation off the cushion and into everyday life suggesting meditations for any time of day whether the practitioner is walking waiting in line or in the middle of a crowded room Organized by theme the subjects presented are those that have engaged humanity for the ages dealing with adversity how to be good luck and destiny and even the nature of true love A miniature treasure trove of wisdom and insight *1,001 Meditations* is the perfect roadmap on the path of enlightenment

Summer Meditations John Bartunek, 2016 When was the last time you stepped outside just to Vaclav Havel James F. Pontuso, 2004-08-19 More than any other public figure Vclav Havel has reflected on the opportunities and dilemmas facing humankind as a result of the Communism's collapse His life serves as an example of responsible and moral action even at the cost of much personal suffering In the first book to bring together Havel's life and work James Pontuso examines the Czech president's political philosophy Pontuso argues that Havel's life as a dissident and political leader his political writings and his plays are part of a whole and must be understood as intimately connected to one another In this engaging work Pontuso skillfully explores these connections and explains Havel's prescriptions for political life The Words of My Mouth and The

Meditations of My Heart Louis Daniel Brodsky, 2016-09-26 In these moving and insightful poems modeled after the Book of the Psalms Louis Daniel Brodsky gravely ill looks Death squarely in the face and answers with a series of unyielding affirmations a faith in God faith in human relationships faith in life's precious passing moments and undergirding and supporting all of these faith in the power and beauty of the poetic voice *Pods & Peas* Jeannette Drake, 1996 *Reading Václav Havel* David S. Danaher, 2015-05-07 As a playwright a dissident and a politician Václav Havel was one of the most important intellectual figures of the late twentieth century Working in an extraordinary range of genres poetry plays public letters philosophical essays and political speeches he left behind a range of texts so diverse that scholars have had difficulty grappling with his oeuvre as a whole In *Reading Václav Havel* David S. Danaher approaches Havel's remarkable body of work holistically focusing on the language images and ideas which appear and reappear in the many genres in which Havel wrote Carefully reading the original Czech texts alongside their English versions he exposes what in Havel's thought has been lost in translation A passionate argument for Havel's continuing relevance *Reading Václav Havel* is the first book to capture the fundamental unity of his vast literary legacy **Havel** Michael Zantovsky, 2014-11-04 The definitive biography of the poet and political dissident who became the last president of Czechoslovakia and first president of the Czech Republic Walter Isaacson This portrait of Václav Havel iconoclast and intellectual renowned playwright turned political dissident president of a united then divided nation and dedicated human rights activist is written by his former press secretary advisor and longtime friend and recounts the turbulent twentieth century era through which he prevailed Havel's lifelong perspective as an outsider began with his privileged childhood in Prague and his family's blacklisted status following the Communist coup of 1948 This feeling of being outcast fueled his career as an essayist and a dramatist writing absurdist plays as social commentary His involvement during the Prague Spring and his leadership of Charter 77 his unflagging belief in the power of the powerless and his galvanizing personality catapulted Havel into a pivotal role as the leader of the Velvet Revolution in 1989 Although Havel was a courageous visionary he was also a man of great contradictions wracked with doubt and self criticism But he always remained true to himself This smart and exciting biography is both inspiring and filled with lessons for our time Walter Isaacson Havel was one of the most important intellectual troublemaking statesmen of his time a nonconformist determined to live in truth who questioned the system his countrymen and himself constantly No one is better suited than Michael Zantovsky to describe interpret and analyze this moral giant A brilliantly informed intellectual and political history Madeleine Albright Entertaining intimate and moving Zantovsky's voice that of a natural storyteller with an eye for the memorable anecdote a mischievous wit an easy intelligence and keen sense of balance and fairness is so engaging Paul Wilson *The New York Review of Books* **The Revolutions of 1989** Vladimir Tismaneanu, 2005-07-28 *The Revolutions of 1989* is a collection of both classic and recent articles examining the causes and consequences of the collapse of communism in East and Central Europe the most important event in recent world history It includes discussion of the
